A Better List Of Ideas For Project-Based Learning

Project Based Learning First Grade Project Based Learning in First Grade What is PBL? Project-based learning is an approach in which students explore real-world problems and challenges to acquire a deeper knowledge. Students learn about a

subject by working for an extended period of time to investigate and respond to a complex question, challenge, or problem. Little Mrs. Bell: Project Based Learning in First Grade This Project Based Learning Unit, PBL, all about Plants for 1st grade students will be your complete guide to teaching your students all about the parts, genetics and functions of plants. The unit was built using Project Based Learning Guidelines and 1st

grade NGSS Science Standards.
