The Golden Ball New York : Dodd, Mead

In the summer of 2013 David Suchet will film his final scenes as Hercule Poirot. After 24 years in the role, he will have played the character in every story that Agatha Christie wrote about him (bar one, deemed unfilmable) and he will bid adieu to a role and a character that have changed his life. In *Poirot and Me*, David Suchet tells the story of how he secured the part, with the blessing of Agatha Christie's daughter, and set himself the task of presenting the most authentic Poirot that had ever been filmed. David Suchet is uniquely placed to write the ultimate companion to one of the world's longest running television series. Peppered with anecdotes about filming, including many tales of the guest stars who have appeared over the years, the book is essential reading for Poirot fans all over the world.

Agatha Christie is the most widely published author of all time, outsold only by the Bible and Shakespeare. In this fascinating

travelogue of the prolific author's yearlong trip around the British Empire in 1922, Christie provides the clues to the origins of the plots and locales of some of her bestselling mystery novels. Containing never-before-published letters and photos from her travels, and filled with intriguing details about the exotic locations she visited, *The Grand Tour* is a must-have for Agatha Christie fans, revealing an unexpected side to the world's most renowned mystery writer. In 1922 Agatha Christie set sail on a ten-month voyage around the world. Her husband, Archibald Christie, had been invited to join a trade mission to promote the British Empire Exhibition, and Christie was determined to go with him. It was a life-changing decision for the young novelist, a true voyage of discovery that would inspire her future writing for years to come. Placing her two-year-old daughter in the care of her sister, Christie set sail at the end of January and did not return home until December. Throughout her journey, she kept up a detailed weekly correspondence with her mother, describing the exotic places and the remarkable people she encountered as the mission traveled through South Africa, Australia, New Zealand, Hawaii, and Canada. Reproduced here for the first time, the letters are full of tales of seasickness and sunburn, motor trips and surfing, glamor and misery. *The Grand Tour* also brings to life the places and people Christie encountered through the photos she took on her portable camera, as well as some of the original postcards, newspaper cuttings, and memorabilia she collected on her trip. Edited and introduced by Agatha Christie's grandson, Mathew Prichard, and accompanied by reminiscences from her own autobiography, this unique travelogue reveals a new adventurous side to Agatha Christie, one that would ultimately influence the stories that made her a household name. *Killing Floor* William Morrow
 Named a New York Times Best Book to Give the world's greatest detective, Hercule Poirot—legendary star of Agatha Christie's *Murder on the Orient Express* and *Death on the Nile*—returns to solve a delectably twisty mystery in this “masterful and multi-layered puzzle...adding a new dimension to a much-loved series” (NPR). “Yet again, the diminutive man with the little gray cells delivers the goods.” —Wall Street Journal *Hercule Poirot* is traveling by luxury passenger coach from London to the exclusive Kingfisher Hill estate. Richard Devonport has summoned the renowned detective to prove that his fiancée, Helen, is innocent of the murder of his brother, Frank. Poirot will have only days to investigate before Helen is hanged, but there is one strange condition attached: he must conceal his true reason for being there from the rest of the Devonport family. The coach is forced to stop when a distressed woman demands to get off, insisting that if she stays in her seat, she will be murdered. Although the rest of the journey passes without anyone being harmed, Poirot's

curiosity is aroused, and his fears are later confirmed when a body is discovered with a macabre note attached . . . Could this new murder and the peculiar incident on the coach be clues to solving the mystery of who killed Frank Devonport? And if Helen is innocent, can Poirot find the true culprit in time to save her from the gallows?

Leonard assures the investigators that his wife, Romaine Heiliger, can provide them with an alibi. However, when questioned, Romaine notifies the police that Vole returned home late that night covered in blood. During the trial, Ms. French's housekeeper, Janet, gives damning proof against Vole, and, as Romaine's cross-examination begins, her motives come under scrutiny from the courtroom.
