"I thought we'd reached the highest peak. I was wrong." Jonas and Sarah's white-hot passion and unwavering love reach brand new heights in this epic continuation of their scorching hot, hilarious, and enduring love story. "Our love is the joy of the

good, the wonder of the wise, the amazement of the gods. We're the "envy" of the gods, baby--the culmination of human possibility." *The Culmination is a full-length novel to be read after The Club Trilogy. Note that the trilogy ends as a complete story without cliffhanger. This fourth installment continues the story of Jonas and Sarah (and Josh, Kat and Henn) and also contains a complete

story without a cliffhanger. **Readers 18+ only due to extremely graphic (and scorching hot) adult situations and explicit language. "

Second chances don't come around every day, but Tucker Weston is mine. Ten years ago Tucker reeled me in with his sexy smolder. But he cut me loose after I fell hard for him that summer

on my family's ranch. I left without looking back. Went to chase my dreams and became Sam Ryker, world champion bull rider. But I never forgot the first man I loved. Now, I'm back at my family's ranch and he's here in front of me, just as rugged and hot as he's always been. And though I've sworn to hate him for breaking my heart, I want him more than I should. All those promises I made to myself fly right out the window. Because when I'm near him, I can't think. I can't make the right choices.

Trouble is, my family needs me here, and I can't afford a distraction like Tucker Weston. It'll cost more than my heart this time around. But all it takes is one kiss before he's got me roped tight yet again. Roped Tight is a standalone M/M romance set in the Ryker Ranch world.

They are determined to break down the walls she has so carefully built up. And maybe Cara wants them to . . . especially Hector, who seems to understand her like no one else does. The Culmination Beyond The Page

From the author of *A Rogue's Rescue* comes another Classic Regency Romance novella celebrating the world first introduced by Jane Austen. Strong-willed and

intelligent, Lady Theresa is tired of spending her days listening to the gossipy village spinsters talk about the mysterious gentleman who just moved into the village. Known to be headstrong, and happily unattached, she takes it upon herself to call on the new resident and find out if the awful rumors about his family are true. The Honourable Mr. Martindale welcomes life as a recluse. A widower, he's made his fortune and now hopes to dedicate his time to working the land and

raising his two young children—free of interference from the locals. When Lady Theresa comes marching up to his door, it's the last thing Martindale wants, a husband hunter who thinks she can tell him how to raise his children and, worse, how he should comport himself. Yet before long Lady Theresa has worked her way into Martindale's quiet life and hatched an outrageous plan to win the village's approval for both the man and his unusual children. But

what she fails to see is how badly the plan could backfire, or how it could jeopardize her own place in a family she has come to cherish—and in the heart of the man she has come to love. This novella was originally published under the title "A Father's Love."

10 Ways to control anger Delta Team Three Falling in love isn't supposed to be literal... Except if you're a witch who's cast a soulmate spell... Turns out love magic isn't the kind you dabble with. First there's

Dixon with his sweet midwestern twang. Then there's action-hero-hot Mateo, who literally swooped in and saved my life... plus his three insanely handsome brothers. The universe definitely heard my call and it's raining men alright. It seems that controlling the magnetic attraction is where it gets tricky, especially if you mistakenly call upon a magical being, intent on killing you and stealing your power. Whoops.  "Griffin offered to take me home but I refused, knowing he needed to get Vanessa home. I walked to my apartment and took a short cut down an alleyway. That was the worst mistake of my life. Four men grabbed me. I fought them off, but when the barrel of a gun was pressed between my eyes, I knew the game was up. But then a man appeared from the shadows and scared the men away like rats. Tall, dark, and handsome. His

name is Bosco Roth. He just saved my life, but he didn't do it for free. He wants something in return. A kiss. A hot and passionate kiss right up against the wall. But that kiss is just the beginning"-

Illusion human You are much more than your body! The fascinating book of Heinz Kaletsch – now available: Who or what exactly is a human being? Are we just a body with a brain that has a consciousness and a spirit for the time of our earthly life and then vanishes? Is our consciousness immortal and what exactly is its purpose? Do we have a free will? Is there good and evil? What

about the ego? And is today's knowledge about our brain the last word on the subject? Not only the personal experiences of the author over many decades, but also the astonishing parallels between ancient spiritual traditions and new findings of modern mortality research and genetics, theology, medicine and quantum physics provide convincing evidence that we are much more than our human body suggests. We are immortal beings on the way to experience

ourselves, in this and in still hidden worlds. Our worldview will change completely in the next decades and lead us out of the world of mysticism into real reality and to our true selves. Be there and renew your perspective, rethink your values and accompany the author on a journey that gives an inkling that we are something much greater than a materialistic worldview can convey. This richly illustrated book is written for those who like to be inspired, who are open to new models

and who want to get a complete perspective on life. Break with the paradigm of inevitable death. We are all one with the universe and together creators of something new and even greater. Let yourself be inspired. You will change.

Interstellar Brides Program is a no-brainer. She'll go. She'll leave Earth, her past, and her mistakes behind. The decision is logical, not emotional. Until she wakes up on another world with a huge Atlan Warlord, her matched mate, refusing to claim her. Warlord Rezzar is contaminated. Weak. The Hive captured him and stole his soul, his very beast. A mate is out of the question when he can't become what he was born to be, a beast, her mate, her protector. Forced into

the Brides Program testing against his will, Rezzar has no intention of claiming the beautiful, sassy female who arrives on the Colony. The Hive stole his beast, but not his honor. He vows to give her to another, a worthy male, a beast who is whole -- one not hunted by the Hive as part of a dangerous new experiment to win the war. CJ takes one look at the wounded warrior before her and knows she will never be able to let him walk away. He's hers now, her perfect match.

And if that means she has to seduce the beast or face off with the Hive to save him...that's exactly what she's going to do. She lived her life following the rules. With everything on the line, it's time to break them. If you love romance in the style of Nalini Singh, Christine Feehan, J.R. Ward, Lara Adrian, S. E.  An epic Medieval adventure of the Hundred Years War When Martin Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there's the chance for some heroics, the reality is very different. Kemp's war is instead a terrifying

odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital – though dangerous – part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.
