A collection of provocative essays on politics, social meaning, and law from Critical Legal Studies scholar and magazine columnist Peter Gabel, The Bank Teller presents a unique and powerful analysis of

the psychological and spiritual dimension of U.S. political culture and society. In this series of strikingly original essays, Gabel sheds new light on a wide range of subjects based on what he calls "the longing for mutual recognition," including the meaning of American politics from 1960, health care, affirmative action, the SAT (abolish it!, Gabel declares), deadly job culture, and the spiritual dimension of public policy. He takes on the adversarial roles of the legal system, including a nationally publicized debate with Alan Dershowitz on the moral obligation of criminal defense lawyers, as well as the meaning of the Holocaust and the social psychology underlying the modern

media. Passionate, insightful and profound, The Bank Teller fundamentally challenges our existing social institutions and presents a political strategy that invents new forms of working, friendship, and community. It was well reviewed and much discussed -- and in some quarters much disputed -- upon its print release in 2000, and has since been assigned to classes on politics, law, and religion.

 This book will teach  
 you the 5 most  
 powerful money rules  
 in the world that will  
 change your kid's  
 financial life forever.  
 Financial education is  
 not about teaching kids  
 how to get what they  
 want, it is about

teaching them how to  
 get what is worth  
 having. What are your  
 kids learning in school?  
 Are they learning about  
 saving, planning,  
 investing, or becoming  
 leaders? Are they  
 learning how to start  
 their own business or  
 how become good  
 employees? Are they  
 learning how to  
 manage credit or to  
 accumulate credit card  
 debt? Are they learning  
 how to solve their  
 financial problems or  
 simply accumulate  
 debt until they go  
 bankrupt? Are they  
 learning how to save  
 on taxes or to pay as  
 much taxes as  
 possible? You should  
 think about what your  
 kids are learning every  
 day because they will  
 grow up fast and the  
 opportunity to help  
 them to become  
 financially prepared

will be gone.
