“This book blew me away, completely.  
Gripping from page one, I—quite  
literally—couldn’t put it down.”—Christina  
Lauren, New York Times bestselling author  
of *The Unhoneymooners* Growing up,

Mallory Dodge learned that the best way  
to survive was to say nothing. And even  
though it’s been four years since her  
nightmare ended, she’s beginning to worry  
that the fear that holds her back will last a  
lifetime. Now, after years of  
homeschooling, Mallory must face a new  
milestone—spending her senior year at a  
public high school. But she never imagined  
she’d run into Rider Stark, the friend and  
protector she hasn’t seen since childhood,

on her very first day. It doesn’t take long  
for Mallory to realize that the connection  
she shared with Rider never really faded.  
Yet soon it becomes apparent that she’s  
not the only one grappling with lingering  
scars from the past. And as she watches  
Rider’s life spiral out of control, Mallory  
must make a choice between staying  
silent and speaking out—for the people  
she loves, the life she wants and the truths  
that need to be heard. Praise for *The*

Some curses can't be outrun. The secret to Redd's past is locked away in a 400-year-old box that mysteriously appears every year on her birthday. For her entire life, her mother has kept them running from whatever lurks inside it. But Redd's had enough of not knowing who she is. So when the box shows up where only she can find it, she opens it...and awakens a link to the evil her mother fought to keep dormant. John lives in an old-fashioned village, a place of exquisite beauty and abundance. But such splendor demands that the villagers commit unspeakable acts. When the link with Redd is unlocked, the village council believes they have a

solution to simplify their darkest task. John is sent to find the one girl who could possibly save them...if she makes the ultimate sacrifice. Eleanor sets off from England to America in 1587, pregnant and desperate to leave her ties with the devil behind. But when the captain of the ship refuses to take her and the other settlers further than Roanoke Island, what should be the beginning of a better life turns into a horrendous struggle to survive. Eleanor's desire to see her daughter live at any cost will curse her and everyone around her for centuries to come... Redd, John, and Eleanor's stories meld together in a mashup of dark, urban, and historical fantasy, delving into the nuances of good and evil, the price of loyalty, and the extremes we will go to for those we love.

For fans of *Serpent & Dove* and *A House of Salt and Sorrows* comes a “transportive and beautiful” (Chloe Gong, New York Times bestselling author of *These Violent Delights*) romantic fantasy about an untrained witch who must unlock her power to free her brothers from a terrible curse and save her home. Rowenna Winthrop has always known there’s magic

within her. But though she hears voices on the wind and possesses unusual talents, her mother Mairead believes Rowenna lacks discipline, and refuses to teach her the craft that keeps their Scottish village safe. And when Mairead dies a sinister death, it seems Rowenna’s only chance to grow into her power has died with her. Then, on a fateful, storm-tossed night, Rowenna rescues a handsome stranger named Gawen from a shipwreck, and her mother miraculously returns from the dead. Or so it appears. The resurrected Mairead is nothing like the old one. To hide her new monstrous nature, she turns Rowenna’s brothers and Gawen into swans and robs Rowenna of her voice. Forced to flee, Rowenna travels to the city of Inverness to find a way to break the curse. But monsters take many forms, and in Inverness, Rowenna is soon caught in a web of strangers who want to use her raw magic for their own gain. If she wishes to save herself and the people she loves most, Rowenna will have to take her fate into her own hands and unlock the power that has evaded her for so long.

Captivating and action-packed, From

Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through

violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Things are about to get Wicked in New Orleans. Twenty-two year old Ivy Morgan isn't your average college student. She, and others like her, know humans aren't the only thing trolling the French Quarter for fun... and for food. Her duty to the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes

and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her-the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.

She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen... [A Rush of Wings](#) HarperCollins From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way

for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolverns are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the

skies start to bleed, it may already be too late.
