Study Guide to The Great Gatsby by F. Scott Fitzgerald Influence Publishers

NOW A LOCUS AWARD FINALIST! "A classic space opera...a universe we've never seen before." —Delilah S. Dawson, New York Times bestselling author From Hugo Award finalist Max Gladstone comes a smart, swashbuckling, wildly imaginative adventure; the saga of a rag-tag team of brilliant misfits, dangerous renegades, and enhanced outlaws in a war-torn future. A wildly successful innovator to rival Steve Jobs or Elon Musk, Vivian Liao is prone to radical thinking, quick decision-making, and reckless action. On the eve of her greatest achievement, she tries to outrun people who are trying to steal her success. In the chilly darkness of a Boston server farm, Viv sets her ultimate plan into motion. A terrifying instant later, Vivian Liao is catapulted through space and time to a far future where she confronts a destiny stranger and more deadly than she could ever imagine. The end of time is ruled by an ancient, powerful Empress who blesses or blasts entire planets with a single thought. Rebellion is literally impossible to consider—until Vivian Liao arrives. Trapped between the Pride—a ravening horde of sentient machines—and a fanatical sect of warrior monks who call themselves the Mirrorfaith, Viv must rally a strange group of allies to confront the Empress and find a way back to the world and life she left behind. A magnificent work of vivid imagination and universe-spanning action, *Empress of Forever* is a feminist *Guardians of the Galaxy* crossed with *Star Wars* and spiced with the sensibility and spirit of *Iain M. Banks* and *William Gibson*. "Empress of Forever is tense and vast, complex and twisty, a space opera epic that's a lot faster on the draw than *Star Wars* or *Star Trek* ever dreamed of being. But at its core, it's an epic about the value of empathy and the importance of compassion. It's amazingly good."—Locus "With *Empress of Forever*, Max Gladstone's remarkable talent is operating at full stretch, demonstrating the strength, power, and originality at his command. This unique and propulsive novel yields a deep, cellular-level enchantment filled at every turn with curiosity and delight."—Peter Straub "Empress of Forever is a story that will make you weep with wonder. The whole book is filled with the kind of snark that I love and an endless majesty of stars. It broke me to pieces and then stitched me back together with golden thread. Simply glorious."—K.B. Wagers, author of *Behind the Throne* "Galaxy-saving space opera with cool original

settings and a unique band of adventurers that change each other for the better. It was a wild ride and I really enjoyed it."—Martha Wells, Hugo Award-winning author of *The Murderbot Diaries* "Incorporates wonder and wit to create a feminist, humanist playground. Introduces one mind-blowing concept after another, capitalizing on the concept of personal power while candidly addressing personal failure. This feast for the imagination intelligently captures the complexities of a variety of relationships in an adrenaline-fueled series of escapades and will leave readers both exhausted and elated."—Publishers Weekly, starred review "A fantastic tale of adventure on the grandest scale of epic space opera, spanning galaxies full of battles and traps as well as trade and negotiation, all told with humor as the crew seeks allies, weapons, and ships to fight back against The Empress to save the galaxy—and so Viv can find her way home."—Booklist, starred review "Vivian is an amazing woman: with no more than her sharp wit in a universe of AIs and enhanced beings, she still ends up being the key to the truth. Gladstone's epic space opera and fast-paced adventure will thrill readers."—Library Journal, starred review At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Each chapter is individually summarized and analyzed, and has study questions and answers. *How The Great Gatsby Came to Be and Why It Endures* Penguin UK

The Baby Party (+Biography and Bibliography) (6X9po Glossy Cover Finish): When John Andros felt old he found solace in the thought of life continuing through his child. The dark trumpets of oblivion were less loud at the patter of his child's feet or at the sound of his child's voice babbling mad non sequiturs to him over the telephone. The latter incident occurred every afternoon at three when his wife called the office from the country, and he came to look forward to it as one of the vivid minutes of his day. He was not physically old, but his life had been a series of struggles up a series of rugged hills, and here at thirty-eight having won his battles against ill-health and poverty he cherished less than the usual number of illusions. Even his feeling about his little girl was qualified. She had interrupted his rather intense love-affair with his wife, and she was the reason for their living in a suburban town, where they paid for country air with endless servant troubles and the weary merry-goround of the commuting train. It was little Ede as a definite piece of youth that chiefly interested him. He liked to take her on his lap and examine minutely her fragrant, downy scalp and her eyes with their irises of morning blue. Having paid this homage John was content that

the nurse should take her away. After ten minutes the very vitality of the child irritated him; he was inclined to lose his temper when things were broken, and one Sunday afternoon when she had disrupted a bridge game by permanently hiding up the ace of spades, he had made a scene that had reduced his wife to tears

This Side of Paradise Illustrated BoD E-Short

Discusses the life of F. Scott Fitzgerald and the historical context, plot, themes and character analysis of *The Great Gatsby*.

Winter Dreams Illustrated Simon and Schuster

"Profoundly thoughtful...An intimate portrait of female friendship laced with literal and metaphorical magic." —Kirkus Reviews "A laugh-out-loud, exciting ride...a darkly comedic coming-of-age story." —School Library Journal A moving, darkly funny novel about six teens whose magic goes wildly awry from Magic for Liars author Sarah Gailey, who Chuck Wendig calls an "author to watch." Keeping your magic a secret is hard. Being in love with your best friend is harder. Alexis has always been able to rely on two things: her best friends, and the magic powers they all share. Their secret is what brought them together, and their love for each other is unshakeable—even when that love is complicated. Complicated by problems like jealousy, or insecurity, or lust. Or love. That unshakeable, complicated love is one of the only things that doesn't change on prom night. When accidental magic goes sideways and a boy winds up dead, Alexis and her friends come together to try to right a terrible wrong. Their first attempt fails—and their second attempt fails even harder. Left with the remains of their failed spells and more consequences than anyone could have predicted, each of them must find a way to live with their part of the story.

A Thousand Splendid Suns BookCaps Study Guides

The "Fresh Air" book critic investigates the enduring power of *The Great Gatsby* -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, *Gatsby* lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes *Gatsby* great—and utterly unusual—So We Read On takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include *Gatsby*'s surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of *Gatsby* and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

Tales of the Jazz Age Total Class Notes

A critically acclaimed novelist pulls Nick Carraway out of the shadows and into the spotlight in this "masterful" look into his life before *Gatsby* (Richard Russo, Pulitzer Prize-winning author of

Empire Falls and *Chances Are*). Before Nick Carraway moved to West Egg and into *Gatsby*'s periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World War I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance—doomed from the very beginning—to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know but few have pondered deeply. Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribes, Nick reveals the man behind the narrator who has captivated readers for decades.

[The Rosie Project](#) Independently Published

The Rich Boy - Francis Scott Fitzgerald - Fitzgerald's short story "The Rich Boy" (like his novel *The Great Gatsby*) utilizes an outside narrator to tell the story of a wealthy protagonist in a sympathetic but still somewhat distanced way. Here the protagonist is Anson Hunter, a well-to-do young New Yorker, who would seem to have the whole world ahead of him and the streets paved in gold. By his early twenties, he has found his ideal woman as well: the exquisite -- and very rich -- Paula Legendre. On the surface, Paula would not seem to be the type of girl that would exert such a pull on Anson. Anson seems to have a lot of oats to sow, and Fitzgerald describes Paula as being "conservative and rather proper." But he is, nonetheless, obsessed by her, not because she represents the money he wants -- after all, he already has enough of his own -- but because she represents the social system that justifies his existence. In his world, responsible older men (like his uncle Robert) hold the reins of government and business; chaste and proper women (like Paula and her mother) maintain the rules of propriety and etiquette; and, until they get old enough to assume the mantle of responsible older manhood, playboys like Anson play. That is all Anson thinks he is doing right now. Just as he sees in himself the undeveloped kernel of a future leader, he sees in Paula the kernel of a future society matron. He thinks they would make a good pair. What he doesn't realize, however, is that his virtually unlimited wealth has within it the power to corrupt him, and it's already doing a good job. His first problem is that he sees himself as superior. He carries himself that way; Fitzgerald says that ". . . He had a confident charm and a certain brusque style, and the upper-class men who passed him on the street knew without being told that he was a rich boy and had gone to one of the best schools. . . . Anson accepted without reservation the world of high finance and high extravagance, of divorce and dissipation, of snobbery and of privilege."

The Great Gatsby: A Graphic Novel Adaptation New York Review of Books

Tales of the Jazz Age (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either *Metropolitan Magazine* (New York), *Saturday Evening Post*, *Smart Set*, *Collier's*, *Chicago Sunday Tribune*, or *Vanity Fair*.

[Nick Little](#), Brown

Soon to be a major motion picture from Academy Award-winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. *Nightmare Alley* begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd's gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carny, and he wonders how a man could fall so low. There's no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he's going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs

of the rich and gullible in their well-upholstered homes. It looks like the world is Stan's for the taking. At least for now.

The Great Gatsby (Study Guide) Pearson South Africa

Enable students to achieve their best grade in AS/A-level English Literature with this year-round course companion; designed to instil in-depth textual understanding as students read, analyse and revise *The Great Gatsby* throughout the course. BookCaps lesson plans cover five days worth of material. It includes a suggested reading schedule, discussion questions, essay topics, homework assignments, and suggested web resources. This book also includes a study guide to the book, which includes chapter summaries, overview of characters, plot summary, and overview of themes. Both the study guide and the lesson plan may be purchased individually; buy as a combo, however, and save.

F. Scott Fitzgerald's The Great Gatsby Reaktion Books

I saw a monster rising from the waves.' **Winner of the Man Booker Prize 1978** Charles Arrowby has determined to spend the rest of his days in hermit-like contemplation. He buys a mysteriously damp house on the coast, far from the heady world of the theatre where he made his name, and there he swims in the sea, eats revolting meals and writes his memoirs. But then he meets his childhood sweetheart Hartley, and memories of her lovely, younger self crowd in - along with more recent lovers and friends - to disrupt his self-imposed exile. So instead of 'learning to be good', Charles proceeds to demonstrate how very bad he can be. WITH AN INTRODUCTION BY DAISY JOHNSON VINTAGE CLASSICS MURDOCH: Funny, subversive, fearless and fiercely intelligent, Iris Murdoch was one of the great writers of the twentieth century. To celebrate her centenary Vintage Classics presents special editions of her greatest and most timeless novels.

The Beadle [by] Pauline Smith Penguin

A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in K. Woodman-Maynard's exquisite graphic novel—among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes *Gatsby* across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, *The Great Gatsby* Graphic Novel captures the energy of an era and the enduring resonance of one of the world's most beloved books.
