*Parking Lots  
I've Eaten in  
Crown*  
How do some  
of soccer's  
smartest and  
most  
accomplished  
figures master  
the craft of  
the game?  
This in-depth  
analysis of  
modern  
soccer reveals  
how elite

players and  
coaches  
strategize on  
and off the  
field to  
execute in  
high-pressure  
situations. "A  
worthy  
addition to  
any soccer  
fan's  
shelf."—The  
Wall Street  
Journal In  
Masters of  
Modern  
Soccer,  
America's  
premier

soccer  
journalist,  
Grant Wahl,  
reveals what  
players and  
managers are  
thinking  
before, during,  
and after  
games and  
delivers a true  
behind-the-  
scenes  
perspective on  
the inner  
workings of  
the sport's  
brightest  
minds. Wahl  
follows world-

class players from across the globe, examining how they do their jobs and gaining deep insight from the players on how goalkeepers, defenders, midfielders, and forwards function individually and as a unit to excel and win. He also shadows a manager and director of soccer as they juggle the challenges of coaching, preparation, and the short- and long-term strategies of how to identify and

acquire talent and deploy it on the field. These central figures share the little details that matter, position by position: • Attacking midfielder Christian Pulisic explains why he wears his soccer cleats a size too small to make his first touch even better. • Forward Javier “Chicharito” Hernández reveals the Mexican national team’s secret synchronized patterns that create space for him in

front of the goal. • Defender Vincent Kompany tells you why his teammates’ pressure on the ball means he can defend his man more tightly in the penalty box. • Defensive midfielder Xabi Alonso describes his disdain for slide tackles and the tendency among even the best professional midfielders to play too closely to one another. • Goalkeeper Manuel Neuer tells the origin story of his

sweeper-keeper role, which has allowed him to redefine the position for the modern game. • Head coach Roberto Martínez explains the differences between coaching clubs and national teams and why one of the first things he looks for in any game situation is numerical

advantage. • Director of football Michael Zorc discusses what he looks for when it comes to identifying players he can buy low and sell high, Moneyball-style, while still competing to win trophies. The definitive analysis of the craft of soccer, Masters of

Modern Soccer will change the way any fan, player, coach, or sideline enthusiast experiences the game.
