 DRAMA THERAPY WITH CHILDREN AND ADOLESCENTS
 DRAMATHERAPY WITH CHILDREN AND ADOLESCENTS
 Dramatherapy is a creative arts therapy method that integrates role play, stories, improvisation, and other techniques taken from the theater with the theories and methods of therapy. Children and adolescents -
 Dramatherapy Company "Because the

drama therapist is willing to meet the child at whatever space they are in, be it angry, frustrated, refusing to talk etc., and because drama therapy accesses the imagination, it is a safer, familiar method for young people," (Dramatherapy with children and adolescents, National Association of Drama Therapy (US)).
 Dramatherapy for Children & Adolescents -
 Dramatherapy Malta
 Drama Therapy for Children and Adolescents
 Drama therapy is

especially effective and widely employed in the treatment of children and adolescents, where the element of play helps children gain mastery over their anxieties and conflicts, broaden their range of expressiveness, process events, and more - in ways where verbal methods and traditional therapy either fail or are insufficient.
 Drama Therapy Explained: Techniques, Goals, and Benefits
 Children and adolescents are a large and important group of clients in dramatherapy,

which is a mode of treatment often particularly well suited to their needs. This book looks at the detailed application of dramatherapy, using a wide variety of dramatherapy and drama methods and processes. Dramatherapy with Children and Adolescents (1995) ...Drama plays a crucial role in healthy human development and dramatherapy can be particularly effective in helping troubled children or

adolescents. Dramatherapy with Children and Adolescents by Sue Jennings ...Talk therapy can potentially be intimidating for young children and adolescents, as they often don't know how they feel or are not sure how to process challenging experiences. Children naturally learn and process their hopes and fears through play and fantasy. Drama Therapy is a great option because it uses this familiar language. Drama Therapy for Kids & Adolescent | Exercises

...Drama can serve as a form of intervention in helping troubled children or adolescents. This book shows how this element can play a part in patterns of healthy and unhealthy development and offers practical ways of using dramatherapy to bring about creative growth or promote change.
