 From New York Times bestselling author of POET X comes a story of a girl with talent, pride and a little bit of magic that keeps her fire burning bright. Ever since she got pregnant during freshman year, Emoni Santiago's life has been about making the tough decisions, doing what has to be done for her daughter and her abuela. The one place she can let all that go is in the kitchen. There, she lets her hands tell her what to cook, listening to her intuition and adding a little something magical every time, turning her food into straight-up goodness. Even though she's always dreamed of working in a kitchen after she graduates, Emoni knows that it's not worth her time to pursue the impossible. But then an opportunity presents itself to not only enrol in a culinary arts class in her high school, but also to travel abroad to Spain for an immersion program. Emoni knows that her decisions post high school have to be practical ones, but despite the rules she's made for her life — and everyone else's rules that

she refuses to play by — once Emoni starts cooking, her only choice is to let her talent break free.

The Harry Potter series may be named after the Boy Who Lived, but if you want to know the story, keep your eyes fixed on Severus Snape. This hook-nosed, greasy-haired, grumpy character is one of J.K. Rowling's enduring gifts to English literature. He's the archetypal ill-tempered teacher: acerbic, yet horribly, deliciously funny. When he's in a scene, you can't take your eyes off him. Snape is always the story. - From the Introduction In this examination of J.K. Rowling's most enigmatic character, Lorrie Kim shows us how to sort through the illusions and lies to the man who dared to spy on Voldemort. In his final moments, he asks Harry, and the reader, to "Look at me." This book does just that.
