In a world where the night sky holds more than just its twinkling beauty, "The Language of Stars" weaves a captivating tale of destiny, love, and the power of belief. Here, the alignment of stars is not

a mere spectacle but a profound force that determines the course of one's life. In this extraordinary realm, an astronomy enthusiast and a skeptical astrologer find themselves entangled in a web of fate, drawn together by a connection they cannot explain. Meet our protagonist, an ardent lover of celestial wonders, who spends nights gazing at the stars and decoding their secrets. This astronomy enthusiast cherishes the knowledge of the universe and revels in the scientific precision it offers, finding solace in the laws that govern the cosmos. On the other side of the celestial spectrum stands the skeptical astrologer, a person who scoffs at the idea of destiny being dictated by the positioning of the stars. This individual relies on reason, dismissing the notion that the universe can dictate human connections and affection. Despite their opposing beliefs, a chance encounter brings these two souls together, and as if guided by some cosmic force, they feel an unexplainable pull toward each other. As they embark on a journey to uncover the truth behind the stars and the ancient belief of soulmates, they are thrust into a world of enchantment and mystery. Their quest takes them through hidden observatories, ancient legends, and practitioners of celestial magic. Along the way, they find themselves questioning their beliefs and embracing the possibility that there may be more to the universe than they ever imagined. "The Language of Stars" is a tale of exploration, not only of the night sky but also of the depths of the human heart. As they stargaze together, sharing dreams and fears, their friendship blossoms into something extraordinary,

defying the boundaries of their opposing ideologies. But their path is not without obstacles, for there are those who seek to protect the status quo, keeping the truth about the stars hidden from the world. As they push forward, they must confront their own doubts, face adversaries, and challenge the very foundations of the belief system that has shaped their society for generations. In this extraordinary journey of self-discovery, friendship, and love, our protagonists will unlock the secrets of an ancient prophecy and rewrite the very fabric of their destinies. As they dare to question the stars themselves, they discover a love that transcends the limits of the heavens, proving that sometimes, the true language of stars is written not in their positions but in the beating of two hearts drawn together by an inexplicable cosmic force. Join them on this remarkable odyssey and immerse yourself in a world where the skies hold more than just wonder, they hold the key to rewriting their own tale of love and destiny.

One of today's leading ministers, Suzan Johnson Cook epitomizes the positive attitudes and self-help spirit that make a profound difference in the way we live. *Live Like You're Blessed* illuminates her winning formula in an engaging combination of autobiographical anecdotes and lessons drawn from her pastoral work. Using the letters in the word "blessed" as her starting point, Cook illustrates the spiritual concepts that will help readers cope with life's difficult challenges. B represents balance: maintaining emotional equilibrium and finding the time for work, play, and worship L stands for love: accepting the love that flows from

God and extending it to family, friends, and colleagues E is for energy: developing the physical stamina that nurtures emotional well-being and our dreams S is the spirit of God within: finding the inner strength and faith that allow us to serve as His hands on earth S represents success: achieving financial goals while living in alignment with our convictions and values E stands for encouragement: sharing the courage and hope at the heart of Jesus' teachings D is for devotion to God: exploring difficult questions, rather than accepting pat answers Filled with simple exercises and helpful suggestions, *Live Like You're Blessed* is a realistic and inspirational plan for serving God and living life to the fullest.

From the author of the bestselling *Anam Cara* comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O'Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In *To Bless the Space Between Us*, his compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O'Donohue looks at life's thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O'Donohue explains "blessing" as a way of life, as a lens through which the whole world is transformed. O'Donohue awakens readers to timeless truths and

shows the power they have to answer contemporary dilemmas and ease us through periods of change.

The Power of Spoken Blessings

We can see from the floods, earthquakes, tsunamis, volcanic eruptions and pollution disasters that our earth is disturbed. Not to mention the political upheaval that blights the planet. However, the Earth herself has given us tools that assist in stabilizing the situation and which teach us how to turn our thoughts and actions towards positive healing for the planet rather than envisaging her destruction. Crystals offer us creative solutions. Some amazing high-vibration crystals have made themselves known at this time to assist with Earth healing and with personal consciousness-raising. Other Earth healing crystals have been around for millennia but still do a sterling job of restoring the environment and the earth beneath our feet to optimum energetic functioning.

God doesn't bless us to raise our standard of living. God blesses us to raise our standard of giving, and that's where true joy is found. The New York Times bestselling author of *Chase the Lion* challenges us not to settle for half of what God offers when it comes to blessings—we are BLESSED to BLESS. His discovery started with a simple experiment. Whenever Batterson received a blessing, he would give a similar blessing away. If someone paid him a compliment or gave him a gift or went out of their way to help him, he would return the favor by doing something similar for someone else. We flip the blessing by blessing others in the way God has blessed us. That's how the blessing becomes a double blessing. It turns giving into a game—one we can't win because God will always outgive us! It's an ancient truth found within the Abrahamic covenant: "I will bless you . . . and you will be a blessing." In other words, we are blessed to bless. The first blessing is receiving, but it doesn't end there. The second blessing is giving it away! That's the double blessing. And that's where double joy is found. In a day and age where the idea of blessing has been reduced to a hashtag (#blessed),

Batterson challenges readers to pursue true, God-glorifying blessing and experience an exponential impact by participating in the double blessing. Don't settle for half of what God offers. Discover how you can both get it and give it . . . in Double Blessing.

A compassionate guidebook to the energetic stages of dying and how to offer practical support at each stage of the transition back to spirit • Explains the nine energetic levels of dying and what is happening during each stage, including how belief systems and energy blocks can affect the death process • Reveals what the dying person may see and experience, what to watch for in each stage, and specific ways to support your loved one during each phase • Explores the grieving process and offers helpful strategies for moving through it

Written by a highly skilled intuitive energy worker, this compassionate guide reveals what is happening energetically during the transition back to spirit and details how to provide support in any phase of losing a loved one: before death, during the dying process, and afterward. Taking readers step-by-step through the nine energetic levels of dying, author Suzanne Worthley explains what is happening at each level or dimension energetically, what to watch for in each stage, and specific ways in which we can support our loved ones through their transition back to spirit. For each of the nine stages, she describes what the dying person may see and experience, including the stages of transition at which people undergo the familiar elements of near-death experiences, such as entering a tunnel, conducting a life review, or encountering angels, guides, loved ones in spirit, or a bright light. She explores what family

members and friends may see and experience, such as spirit energy, and what they can do to offer practical support and emotional solace to their loved one. Examining how life force energy works as well as what Akashic records and soul contracts are, Worthley shares hospice case studies for each level of transition, so caregivers can see how belief systems and energy blocks in specific chakras affect the death process and why it is important to clear energy blocks like fear, anger, or guilt during life if possible. She explores the grieving process and offers helpful strategies for moving through it as well as "at-a-glance" reference tables of the nine stages and related healing strategies designed to be referred to by those holding vigil. Shedding light on one of the great mysteries of existence, *An Energy Healer's Book of Dying* offers a compact yet comforting guide to support you through this emotional, grief-filled, and exhausting time and help you bring solace to your loved one during the transition back to spirit.

Integrating astrology, mythology and spirituality, this book is a reflection on the themes of the astrological ages across the past 13,000 years and is an exploration of what astrology has to tell us about the meaning of the changes happening globally and culturally in this time. We are currently on the cusp of the Age of Aquarius, at the end of a 26,000 year precessional cycle and, according to ancient prophecies, at the close of a world era. With the recent discovery of the planetoids Sedna and Eris, new forms of consciousness are entering our awareness. Through listening to the messages of the stars and planets, we find guidance for our lives in this intense

time of change. We live in a sentient universe, which is calling us back into relationship with the cosmos and with the Earth. In remembering our source (the galactic center), reconnecting with the spirit in all of life and in becoming centered within ourselves, we gain meaning and wisdom for who we are and who we are becoming and find a path for the healing and evolution of ourselves and our Earth.

This book explores how verbal blessings can change and restore difficult relationships, highlighting the great power of the living God to work in our daily lives. The spoken blessing is a powerful spiritual weapon with enduring impact. By giving spoken blessings, we can see healing brought to aching souls and restoration brought to bruised relationships. Such wonders are accomplished by the power of God's Spirit through the agency of spoken

blessings, just as Scripture affirms: "Death and life are in the power of the tongue." Our words have the power to crush or to heal, to break bones or to plant a tree of life where none has grown before. And these dynamics of the spoken blessing may be truer today than ever. Mr. Gothard's timely message brings this awareness to us in a helpful and encouraging way. "Death and life are in the power of the tongue." Proverbs 18:21 What if spoken blessings could grant freedom from years of bitter hurts? What if they could break down the walls that divide husband from wife, parent from child, and friend from friend? Our words have lasting impact not only for harm, but also for great good. By speaking blessings, we can help bring healing to aching souls and restoration to bruised relationships. Let Bill Gothard share with you the secret of spoken blessings, and embark on a rich family tradition that brings harmony and closeness beyond anything you've previously experienced. Story Behind the Book While dealing with layer after layer of hurts, fears, and barriers that teenagers experience with their parents and God, I often heard cruel statements by a parent during a time of anger. Statements like "I wish you were never born" or "You'll never amount to anything" were like deadly poison affecting everything in that teenager's life. Such is the power of a verbal curse. However, more powerful have been the verbal blessings of a parent to a son or daughter. They have been like sources of refreshment and energy that have guided the goals and decisions of those who received them. With such lasting results from the life-and-death power of the tongue, it was essential to me that this book be written.

We are children of the stars. This is our legacy and our heritage. In the history of the cosmos, Earth is a young planet. Our souls, on the other hand, have been around forever and will continue to be around forever. Thus Earth is not our only home. We have lived many lives in unusual environments before deciding to journey here and learn the lessons of Earth. After our schooling is completed on this planet, we will journey onward to discover new worlds to explore. The memories of these soul journeys are recorded in our subconscious, and in *Legacy from the Stars* hypnotherapist Dolores Cannon shows that they can be retrieved through regressive hypnosis. She reports dramatic cases where the subjects relived other lifetimes in strange environments -- inhabitants of other planets. After reading her latest book, you may agree that "we are all extraterrestrials," and Earth is merely a stop-over in our long adventure.
