*Witching Hour, Lasher, Taltos* Joanna Mazurkiewicz

From the day her first *Vampire Chronicle* was published, critics and readers--readers by the hundreds of thousands--have been mesmerized by the writings of Anne Rice. And with the publication of *The Witching Hour*, she created for us yet another world and legend, and both the chorus of praise and the multitudes of her readers once more increased. Now, Anne Rice brings us again--even more magically--into the midst of the dynasty of witches she introduced in *The Witching Hour*. At the center: the brilliant and beautiful Rowan Mayfair, queen of the coven, and Lasher, the darkly compelling demon whom she finds irresistible and from whose evil spell and vision she must now flee. She takes with her their terrifying and exquisite child, one of "a brood of children born knowing, able to stand and talk on the first day." Rowan’s attempt to escape Lasher and his pursuit of her and their child are at the heart of this extraordinary saga. It is a novel that moves around the globe, backward and forward through time, and between the human and demonic worlds. Its many voices--of women, of men, of demons and angels, present and past--haunt and enchant us. With a dreamlike power, the novel draws us through twilight paths, telling a chillingly hypnotic story of occult and spiritual aspirations and passion.

Nina Sadur, the playwright, occupies a prominent place in the Soviet/Russian drama pantheon of the 1980s and 1990s, a group that has with few exceptions been generally ignored by the Western literary establishment. The plays included in this volume offer some of Sadur’s most influential works for the theater to the English-speaking audience for the first time. The collection will appeal to readers interested in Russian literature and culture, Russian theater, as well as women’s literature. Sadur’s plays are inspired by symbolist drama, the theater of the absurd and Russian folklore, yet are also infused with contemporary reality and populated by contemporary characters. Her work is overtly gynocentric: the fictional world construes women’s traditionally downplayed concerns as narratively and existentially central and crucial. Sadur’s drama has exerted a tremendous influence on contemporary Russian literature. Working essentially in isolation, Sadur was able to combine the early twentieth century dramatic discourse with that of the late Soviet era. Having built a bridge between the two eras, Sadur prepared the rise of the new Russian drama of the 2000s.

A young woman living in a rigid, puritanical society discovers dark powers within herself in this stunning, feminist fantasy debut. In the lands of Bethel, where the Prophet’s word is law, Immanuelle Moore’s very existence is blasphemy. Her mother’s union with an outsider of a different race cast her once-proud family into disgrace, so Immanuelle does her best to worship the Father, follow Holy Protocol, and lead a life of submission, devotion, and absolute conformity, like all the other women in the settlement. But a mishap lures her into the forbidden Darkwood surrounding Bethel, where the first prophet once chased and killed four powerful witches. Their spirits are still lurking there, and they bestow a gift on Immanuelle: the journal of her dead mother, who Immanuelle is shocked to learn once sought sanctuary in the wood. Fascinated by the secrets in the diary, Immanuelle finds herself struggling to understand how her mother could have consorted with the witches. But when she begins to learn grim truths about the Church and its history, she realizes the true threat to Bethel is its own darkness. And she starts to understand that if Bethel is to change, it must begin with her.

*Witching Hour* Little, Brown Books for Young Readers

An enchanting, hypnotic trilogy of witchcraft, adventure, and romance from the beloved author of *Interview with the Vampire* and *The Vampire Lestat*, *The Mayfair Witches* is a wondrous journey through the centuries, across the globe, and between the human and demonic worlds. Now all three novels in Anne Rice’s spellbinding series have been collected for the first time in this stunning eBook bundle: *THE WITCHING HOUR LASHER TALTOS* On the screened porch of a great New Orleans house, now faded, a mute and fragile woman sits rocking. She belongs to a legendary dynasty of witches—a family that is itself haunted over the ages by a dangerous and seductive being named Lasher. Their story begins in our time, with a rescue at sea. Rowan Mayfair, a brilliant neurosurgeon aware of her abilities but oblivious to her ancient line, finds the drowned body of Michael Curry off the coast of California and brings him to life. In his brief interval of death, he has acquired a sensory power that mystifies and frightens him. Fiercely drawn to each other, Rowan and Michael set out to solve the mystery of her past and his unwelcome gift, and an intricate tale of evil unfolds: an evil unleashed in seventeenth-century Scotland, where the first “witch,” Suzanne of the Mayfair, conjures up the spirit that spells her own destruction and torments each of her descendants in turn. Praise for Anne Rice and *The Mayfair Witches* “Behind all the velvet drapes and the gossamer winding sheets, this is an old-fashioned family saga. . . . Rice’s descriptive writing is so opulent that it almost begs to be read [by] candlelight.”—The Washington Post Book World “[A] huge and sprawling tale of horror.”—The New York Times Book Review “Lush prose, dense atmosphere, steamy sex, Gothic tension . . . Rice stages her scenes in a wide variety of times and locales, tapping deeply into the richest veins of mythology and history.”—San Francisco Chronicle “Spellbinding . . . mythical . . . Rice is a pure storyteller.”—Cosmopolitan “Rice sees things on a grand scale. . . . There is a wide-screen historical sweep to the tale as it moves from one generation of witches to the other.”—The Boston Globe “An intricate, stunning imagination.”—Los Angeles Times Book Review “It is hard to praise sufficiently the originality of Miss Rice. . . . She has made a masterpiece of the morbid, worthy of Poe’s daughter.”—The Wall Street Journal

NEW YORK TIMES BEST SELLER • From the acclaimed author of *The Flight Attendant*: “Historical

fiction at its best.... The book is a thriller in structure, and a real page-turner, the ending both unexpected and satisfying” (Diana Gabaldon, bestselling author of the Outlander series, The Washington Post). A young Puritan woman—faithful, resourceful, but afraid of the demons that dog her soul—plots her escape from a violent marriage in this riveting and propulsive novel of historical suspense. Boston, 1662. Mary Deerfield is twenty-four-years-old. Her skin is porcelain, her eyes delft blue, and in England she might have had many suitors. But here in the New World, amid this

community of saints, Mary is the second wife of Thomas Deerfield, a man as cruel as he is powerful. When Thomas, prone to drunken rage, drives a three-tined fork into the back of Mary's hand, she resolves that she must divorce him to save her life. But in a world where every neighbor is watching for signs of the devil, a woman like Mary—a woman who harbors secret desires and finds it difficult to tolerate the brazen hypocrisy of so many men in the colony—soon becomes

herself the object of suspicion and rumor. When tainted objects are discovered buried in Mary's garden, when a boy she has treated with herbs and simples dies, and when their servant girl runs screaming in fright from her home, Mary must fight to not only escape her marriage, but also the gallows. A twisting, tightly plotted novel of historical suspense from one of our greatest storytellers, Hour of the Witch is a timely and terrifying story of socially sanctioned brutality and the original American witch hunt.
