Book one of the New York Times–bestselling All Souls trilogy—“a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight” (People). Look for the hit TV series “A Discovery of Witches,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness’s sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, *Ashmole 782*, deep in Oxford’s Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar’s depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

What if his tainted blood seeped deep into the earth, into burial caves, causing a counterfeit resurrection of the dead? Gina Lazarescu, a Romanian girl with a scarred past, has no idea she is being sought by the undead. The Collectors, those released from the Akeldama, feed on souls and human blood. But there are also the Nistarim, those who rose from their graves in the shadow of the Nazarene’s crucifixion—and they still walk among us, immortal, left to protect mankind. Gina realizes her future will depend on her understanding of the past, yet how can she protect herself from Collectors who have already died once but still live? The Jerusalem’s Undead Trilogy takes readers on a riveting journey, as imaginative fiction melds with biblical and archaeological history.

Anne Rice continues her astonishing Vampire Chronicles in a new novel that begins where Blackwood Farm left off — and tells the story of Lestat's quest for redemption, goodness, and the love of Rowan Mayfair. Welcome back to Blackwood Farm. Here are all of the brilliantly conceived characters that make up the two worlds of vampires and witches: Mona Mayfair, who's come to the farm to die and is brought into the realm of the undead; her uncle, Julian Mayfair, guardian of the family, determined to forever torment Lestat for what he has done to Mona; Rowan Mayfair, brilliant neurosurgeon and witch, who finds herself dangerously drawn to the all-powerful Lestat; her husband, Michael Curry, hero of the Mayfair Chronicles, who seeks Lestat's help with the temporary madness of his wife; Ash Templeton, a 5,000-year-old Taltos who has taken Mona's child; and Patsy, the country-western singer, who returns to avenge her death at the hands of her son, Quinn Blackwood. Delightfully, at the book's centre is the Vampire Lestat, once the epitome of evil, now pursuing the transformation set in motion with Memnoch the Devil. He struggles with his vampirism and yearns for goodness, purity and love, as he saves Patsy's ghost from the dark realm of the Earthbound, uncovers the mystery of the Taltos and unselfishly decides the fate of his beloved Rowan Mayfair. A story of love and loyalty, of the search for passion and promise, Blood Canticle is Anne Rice at her finest.
