Making Innovation Work “This is the book I wish I had read thirty years ago. Making Innovation Work is an important resource for leaders who are trying to improve

innovation in their organizations. It’s crammed with examples and practical ideas that can trigger improvements in innovation, starting tomorrow!”

Trying to make innovation work with the same old planning, budgeting and review approaches usually does not do the job. Instead, adding explorative flexibility to planning and control systems by creating a new emerging

business unit and providing special funds for unexpected innovation opportunities can help to drive innovation more effectively.
