WEST HOOD

The Fire of the Jaguar بيلومانيا للنشر والتوزيع
Collects three novels centered around three members of the Concannon family-- Maggie, who is hiding from her past, Brianna, a bed-and-breakfast owner, and Shannon, who finds true love after searching for her real father.
Born in Fire Univ. of Queensland Press
In a universe where assassins make the

law, everyone lives in fear—except for Syn. Born of an illicit scandal that once rocked a dynasty, he always knew how to survive on the bloodthirsty streets. But that was then, and the future is now... Syn was raised as a tech-thief until his livelihood uncovered a truth that could end his life. He tried to destroy the evidence, and has been on the run ever since. Now trained as an assassin, he allows no one to threaten him. Ever. He is the darkness that swallows his enemies whole. Shahara Dagan is the best bounty hunter in the universe. When Syn comes

back on the radar, she's the only one who can bring him to justice. There's only one problem: Syn is a close family friend who's helped out the Dagens countless times. But if she saves him, both of their lives will be on the line. Is Syn's protection worth the risk? The only hope Shahara has is to find the evidence he buried long ago. Now it's kill or be killed—and they, the predators, have just become the hunted...
Born of Fire is the second book in bestselling author Sherrilyn Kenyon's League series.

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma. Out of the Dust joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!"Dust piles up like snow across the prairie. . . ."A terrible accident has transformed Billie Jo's life, scarring her inside and out. Her mother is gone. Her father can't talk about it. And the one thing that might make her feel better -- playing the piano -- is impossible with her wounded hands. To make matters worse, dust storms are devastating the family farm and all the farms nearby. While others flee from the dust bowl, Billie Jo is left to find peace in the bleak landscape of Oklahoma -- and in the surprising landscape of her own heart.

The Percy Jackson and the Olympians, Book Three: Titan's Curse Penguin
Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the

beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Heir of Fire Simon and Schuster

The flame of love burns bright in the second book of Sharon M. Draper's award-winning Hazelwood High trilogy. When Gerald was a child he was fascinated by fire. But fire is dangerous and powerful, and tragedy strikes. His substance-addicted mother is taken from him. Then he loses the loving generosity of a favorite aunt, and a brutal stepfather with a flaming temper and an evil secret makes his life miserable. The one bright light in Gerald's life is his little half sister, Angel, whom he struggles to protect from her father, who is abusing her. Somehow Gerald manages to find success as a

member of the Hazelwood Tigers basketball team, and Angel develops her talents as a dancer, despite the trouble that still haunts them. And Gerald learns, painfully, that young friends can die and old enemies must be faced. In the end he must stand up to his stepfather alone in a blazing confrontation. In this second book of the Hazelwood High trilogy, Sharon M. Draper has woven characters and events from *Tears of a Tiger* in an unflinchingly realistic portrayal of poverty and child abuse. It is an inspiring story of a young man who rises above the tragic circumstances of his life by drawing on the love and strength of family and friends.

Fire in the Minds of Men St. Martin's Paperbacks

#1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling *Flesh and Fire* series—set in the beloved *Blood and Ash* world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been

hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

Born in Blood Bantam

"Buehlman...slips effortlessly into a different kind of literary sensibility, one that doesn't scrimp on earthy humor and

lyrical writing in the face of unspeakable horrors."* The year is 1348. Thomas, a disgraced knight, has found an orphan of the Black Death in a Norman village. An almost unnerving picture of innocence, she tells Thomas that the plague is only part of a larger cataclysm--that the fallen angels under Lucifer are rising in a second war on Heaven. But is it delirium or is it faith? She believes she has seen the angels of God. She believes the dead speak to her in dreams. And now she has convinced the faithless Thomas to shepherd her across an apocalyptic landscape to Avignon. There, she tells Thomas, she will fulfill her mission. There her true nature will be revealed. And there Thomas will confront an evil wrestling for the throne of Heaven, and which has poisoned his own soul. *Kirkus Reviews *Lawless* HarperCollins UK Vanafca. 14 jaar.

Sophie's World Workman Publishing

In her first book-length collection of nonfiction, Cliff interweaves reflections on her life in Jamaica, England, and the United States with a powerful and sustained critique of racism, homophobia, and social injustice. *If I Could Write This* in

Fire begins by tracing her transatlantic journey from Jamaica to England, coalescing around a graceful, elliptical account of her childhood friendship with Zoe, who is dark-skinned and from an impoverished, rural background; the divergent life courses that each is forced to take; and the class and color tensions that shape their lives as adults. In other essays and poems, Cliff writes about the discovery of her distinctive, diasporic literary voice, recalls her wild colonial girlhood and sexual awakening, and recounts traveling through an American landscape of racism, colonialism, and genocide - a history of violence embodied in seemingly innocuous souvenirs and tourist sites.

Harry Potter and the Goblet of Fire St. Martin's Paperbacks

DIV Baptized by Blazing Fire is the first in a series of volumes that share supernatural testimonies and accounts of divine visitations, demonic manifestations, healings, and being filled with the Holy Spirit./div

The Diving Bell and the Butterfly Penguin

The heir of ash and fire bows to no one. A new threat rises in the third book in the

#1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life-and her future-forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny-and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior. *Between Two Fires* Bloomsbury Publishing USA

A triumphant memoir by the former editor-in-chief of French Elle that reveals an indomitable spirit and celebrates the liberating power of consciousness. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the

end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died

two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life. [Born of Fire](#) Ddvn: Fire and Ice Trilogy A historical romance set in America's Old West, *Lawless* is "a novel by Jackie MacNamara," the book written by the character in #1 New York Times bestselling author Nora Roberts' *Loving Jack*. In the late 1800s, the Arizona Territory was an unsettled, wild frontier traversed by the likes of Jake Redman. Prejudiced against for his partial Apache parentage, the gunslinger had little patience for the civility practiced by Sarah Conway. Yet she brought more than polite manners from her east coast city society, possessing a strength of character needed to make the western town of Lone Bluff her home—and an enticing, fiery passion as dangerous to Jake as anything he ever faced with a six-gun.

The Giver Penguin

The second of six titles, set in a thrilling world of wild cat clans. *Firepaw*, the warrior brave, is now *Fireheart*, warrior cat. *Fireheart* finds new danger lurking in the woods as the chill of winter sets in. This new series will have particular appeal

for fans of Brian Jacques' Redwall series.

The Fire Next Time Profile Books

The death of high school basketball star Rob Washington in an automobile accident affects the lives of his close friend Andy, who was driving the car, and many others in the school.

The Book of Questions Disney-Hyperion

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON

Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious

circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

Amos Fortune, Free Man W. W. Norton

The phenomenon returns! Originally published in 1987, *The Book of Questions*, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships,

a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? *The Book of Questions* may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.

Born Reading U of Minnesota Press
Stunning Caledonia MacNeely fights an unfamiliar shiver when she is offered in marriage to the infamous 'Lord Sin'. Though Callie fears this mysterious knight—less for the dark whispers that damn him than for the burning desire he invokes—she is under order of the English King. And with the fate of her troubled clan

hanging in the balance, she has little recourse.
Nineteen eighty-four Simon and Schuster
The Giver, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless,

world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.
