CARNEY MCDOWELL

[Viking Raiders \(Time Hunters, Book 3\)](#) HarperCollins UK

Hunting and its imagery continued to play a significant role in archaic and classical Greece long after hunting had ceased being a necessity for survival in everyday life. Drawing on vase paintings, sculpture, inscriptions, and other literary evidence, Judith Barringer reexamines the theme of the hunt and shows how the tradition it depicts helped maintain the dominance of the ruling social groups. Along with athletics and battle, hunting was a defining activity of the masculine aristocracy and was crucial to the efforts of the Athenian elite to control the social agenda, even as their political power declined. The Hunt in Ancient Greece examines descriptions of hunting in initiation rituals as well as the ideals of masculinity and adulthood such rites of passage promoted. Barringer argues that depictions of the hunt in literature and art also served as striking metaphors for the intricacies of courtship, shedding light on sexuality and gender roles. Through an exploration of various representations of the hunt, Barringer provides extraordinary insight into Athenian society.

Shadows of the Clans JHU Press

A special hardcover release of the seventh book in the blockbuster Dark-Hunter series.

Truth for Life — Volume 1 St. Martin's Press

"A comprehensive look at WMD's antecedents, from flamethrowers of the Peloponnesian War to plague-bearing booby traps.... Rich and entertaining." -Newsweek Featuring a new introduction by the author. Flamethrowers, poison gases, incendiary bombs, the large-scale spreading of disease... are these terrifying agents and implements of warfare modern inventions? Not by a long shot.

Weapons of biological and chemical warfare have been in use for thousands of years, and Greek Fire, Poison Arrows & Scorpion Bombs, Adrienne Mayor's fascinating exploration of the origins of biological and unethical warfare draws extraordinary connections between the mythical worlds of Hercules and the Trojan War, the accounts of Herodotus and Thucydides, and modern methods of war and terrorism. Greek Fire, Poison Arrows & Scorpion Bombs will catapult readers into the dark and fascinating realm of ancient war and mythic treachery-and their devastating consequences.

Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The twelfth book in an action-packed, time-travelling series - perfect for fans of Beast Quest.

[Travelling Heroes](#) Penguin

NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest

military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

[Gladiator Clash \(Time Hunters, Book 1\)](#) HarperCollins UK

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess?

Egyptian Curse (Time Hunters, Book 6) Bloomsbury Publishing USA

As an ancient Sumerian god, Sin was one of the most powerful among his pantheon. . . Until the night Artemis brutally stole his godhood and left him for dead. For millennia, this ex-god turned Dark-Hunter has dreamed only of regaining his powers and seeking revenge on Artemis. If only life were that simple. Unfortunately he has bigger fish--or in Sin's case--demons, to fry. The lethal gallu that were buried by his pantheon are now stirring and they are hungry for human flesh. Their goal is to destroy mankind and anyone else who gets in their way. Sin is the only one who can stop them—that is if a certain woman doesn't kill him first. Unfortunately, Sin discovers that now he must rely on her or witness an annihilation of biblical proportions. Enemies have always made strange bedfellows, but never more so than when the fate of the world hangs in the balance. Now a man who knows only betrayal must trust the one person most likely to hand him to the demons. Artemis may have stolen his godhood, but this one has stolen his heart. The only question is will she keep it or feed it to the ones who want him dead?

The Origin of Consciousness in the Breakdown of the Bicameral Mind Black Irish Entertainment LLC
2023 Reprint of the 1927 edition. Here is the true story of the adventures of explorers in the fantastic world of the unseen. These explorers were like other men; they had curiosity; they groped, sometimes failed. They found truth, they fought death; a few were caught in ambush by the invisible assassins they were trying to trap. They were the pioneers in the struggle of mankind to conquer its worst enemies. An international bestseller, translated into eighteen languages, Paul de Kruif's classic

account of the first scientists to see and learn about the microscopic world continues to fascinate new readers. This is a timeless dramatization of the scientists, bacteriologists, doctors, and medical technicians who discovered the microbes and invented the vaccines to counter them. De Kruif writes about how seemingly simple but really fundamental discoveries of science—for instance, how a microbe was first viewed in a clear drop of rain water, and when, for the first time, Louis Pasteur discovered that a simple vaccine could save a man from the ravages of rabies by attacking the microbes that cause it. Contents: Leeuwenhoek -- Spallanzani -- Pasteur -- Koch -- Roux and Behring -- Metchnikoff -- Theobald Smith -- Bruce -- Ross vs. Grassi -- Walter Reed -- Paul Ehrlich.

Greek Warriors (Time Hunters, Book 4) HarperCollins UK

Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The sixth book in a new time-travelling series – perfect for fans of *Beast Quest*.

[The First Fossil Hunters](#) Turtleback Books

Today, girls and women seeking a strong role model can find one in an icon more than two thousand years old. She is the Greek goddess Pallas Athena. Born fully formed from the head of Zeus, Athena defied gender roles of the time by being the goddess of strategic war, intelligence, and household crafts. Today, she is a symbol of enduring persistence, determination, and resourcefulness. Through easily accessible text, vibrant images, and fun sidebars and fact boxes, this book introduces readers to the legends surrounding this powerful goddess and shows her continued relevance in the twenty-first century. Young readers will also gain an understanding of women's roles in ancient Greek society, see how Athena paved the way for greater equality, and explore how pop culture elevates her today.

Percy Jackson and the Olympians, Book Three: The Titan's Curse St. Martin's Press

Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The eleventh book in an action-packed, time-travelling series – perfect for fans of *Beast Quest*. Travel through time with Tom as he battles the mightiest warriors of the past. When Tom bangs on a drum in a museum he releases an ancient curse. Now he must go back in time and track down six golden coins... On this journey, Tom and his Mohican friends battle the mighty Mohawks. As tomahawks and arrows fly, can Tom fight his way to the golden coin?

[Sexy Greek God Kidnappers](#) Child's World

The real history of the Amazons in war and love—fierce warrior women dwelling on the fringes of the known world—were the mythic archenemies of the ancient Greeks. Heracles and Achilles displayed their valor in duels with Amazon queens, and the Athenians reveled in their victory over a powerful Amazon army. In historical times, Cyrus of Persia, Alexander the Great, and the Roman general Pompey tangled with Amazons. But just who were these bold barbarian archers on horseback who gloried in fighting, hunting, and sexual freedom? Were Amazons real? In this deeply researched, wide-ranging, and lavishly illustrated book, National Book Award finalist Adrienne Mayor presents the Amazons as they have never been seen before. This is the first comprehensive account of warrior women in myth and history across the ancient world, from the Mediterranean Sea to the Great Wall of China. Mayor tells how amazing new archaeological discoveries of battle-scarred female skeletons buried with their weapons prove that women warriors were not merely figments of the Greek imagination. Combining classical myth and art, nomad traditions, and scientific

archaeology, she reveals intimate, surprising details and original insights about the lives and legends of the women known as Amazons. Provocatively arguing that a timeless search for a balance between the sexes explains the allure of the Amazons, Mayor reminds us that there were as many Amazon love stories as there were war stories. The Greeks were not the only people enchanted by Amazons—Mayor shows that warlike women of nomadic cultures inspired exciting tales in ancient Egypt, Persia, India, Central Asia, and China. Driven by a detective's curiosity, Mayor unearths long-buried evidence and sifts fact from fiction to show how flesh-and-blood women of the Eurasian steppes were mythologized as Amazons, the equals of men. The result is likely to become a classic.

Stone Age Rampage (Time Hunters, Book 10) St. Martin's Press

Greek mythology is stranger than you might think. *Gods and the Dust* collects numerous stories from the ancient source material and strings them together into one fluid plot, fleshing out the sparse details into a dramatic fantasy novel. At the dawn of time, the Earth and Sky mated to populate the world. Their most powerful children are the gods and goddesses – living personifications of all things great and small, physical and conceptual. These powerful deities engage in an interconnected string of relationships and misadventures involving mortals and immortals, dispensing wrath and favor in equal measure, resulting in murders, love affairs, offspring, and wars.

Seize the Night Turtleback Books

In Harry Turtledove's *The Gladiator*, the Soviet Union won the Cold War. The Russians were a little smarter than they were in our own world, and the United States was a little dumber and a lot less resolute. Now, more than a century later, the world's gone Communist, and capitalism is a bad word. For Gianfranco and his friend Annarita, a couple of teenagers growing up in Milan, life in a heavily regimented, surveillance-rich command economy is just plain dreary. The eventual withering-away of the state doesn't look like it's going to happen anytime soon. Annarita's a hard-working student and a member of the Young Socialists' League. Gianfranco is a lot less motivated—but on the other hand, his father's a Party apparatchik. The biggest excitement in their lives is a wargame shop called *The Gladiator*, which runs tournaments, and stocks marvelous complex games you can't find anywhere else. Then, abruptly, the shop is shut down. Someone's figured out that *The Gladiator's* games are teaching counterrevolutionary capitalist principles. The Security Police are searching high and low for the shop's proprietors, who've not only vanished into thin air, but have left behind sets of fingerprints that aren't in the records of any government on earth. Only one staffer is left: Gianfranco and Annarita's friend Eduardo. He's on the run, and he comes to them in secret with an astonishing story: he's a time trader from our own timeline, accidentally left behind when the store was evacuated. The only way Eduardo can get home to his own timeline is if Gianfranco and Annarita can help him reach one of the other time trader sites in this world—and the Security Police will be on their tails all the way there. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Spartans Time Hunters

Harboring growing suspicions about the trustworthiness of SkyClan newcomer Sol, a wary Leafstar is challenged to protect her clanmates when Sol's actions threaten everyone with disaster.

The Hunt in Ancient Greece Farrar, Straus and Giroux

Condemned by the gods to live out his existence without emotions, Xypher chose the pursuit of sensations, to feel again in the dreams of humans, only to find himself condemned to death. But he is given one last chance at a reprieve. Made human for a month, he must redeem himself within that

time or Hades will return him to Tartarus and his torture. Simone Dubois is a coroner who isn't scared by much, especially since she's psychic and can see and hear the people she's working on. When they wheel in another victim, she doesn't think much about it, until he gets up from her table and starts to leave. Xypher doesn't have time to spend with this human woman and her questions. But it's not long before mysterious attempts on Simone's life force Xypher to stand between the woman who is beginning to touch the heart he thought had died a long time ago and the danger that is threatening her life.
