The Management of Criminal Justice

Council of Europe

Introduces students to legalistic, theoretical, empirical, comparative and cross-disciplinary research methods, grounded in working examples New for this edition New chapter on inter- and cross-disciplinary research essential reading for international students and students with a non-law first degree undertaking research in the areas of law, criminology, psychology and sociology Research ethics has been

expanded to a full chapter that includes current plagiarism and imperfect disclosure Brings existing chapters up to date with the newest thinking in legal research Drawing on actual research projects, *Research Methods for Law* discusses how legal research as process impacts on research as product. The author team has a broad range of teaching and research experience in law, criminal justice and socio-legal studies, and give examples from real-life research products to illustrate the theory.

Applied Law for Police Officials South Western Educational Publishing Hall, Jerome. *General Principles of*

Criminal Law. Second Edition. Indianapolis: The Bobbs Merrill Company, [1960]. xii, 642 pp. Reprint available January, 2005 by the Lawbook Exchange, Ltd. ISBN 1-58477-498-3. Cloth. \$125. \* The standard one-volume treatise based on classic legal-realist principles. As its title suggests, Hall provides more than a thorough overview of the subject; he analyzes the principles that comprise its foundations with an emphasis on their creation and definition by officials. This process is explored in its chapters on legality, mens rea, harm, causation, punishment, strict liability, ignorance and mistake, necessity and coercion, mental disease, intoxication and criminal attempt, as well as its general chapters on criminology, criminal theory and penal theory.

Acclaimed when its first edition appeared in 1947, it has been cited regularly ever since.

**Research Methods for Law** Random House

This text provides the most rigorous analysis of business law to students taking business and finance related courses. Building on the 30 year success of Card & James: Law for Accountancy Students, Lee Roach has taken this classic text and developed it to create a new textbook suited to today's business student.

Perspectives on Multilingual Scholars' Approaches to Writing Universal Law Publishing

This works adopts a multidisciplinary approach to corporate communication, including management communication,

public relations, organizational behavior and change, marketing communication, and advertising. The many-faceted approach adopts the perspective of a practicing communications professional, emphasizes corporate branding, and focuses on an integrated approach to communication.

Media and Society Juta Academic

*Criminal obsessions* is a critique of conventional criminological approaches to social issues. The contributors show how social harm relates to social and economic inequalities that are at the heart of the liberal state. This second edition of *Criminal obsessions* includes an additional essay by Simon Pemberton in which he develops theoretically the concept of social harm and discusses the future of the social harm perspective.

*Contemporary Management Principles*

University of Ottawa Press

*Contemporary Criminological Issues*

tackles some of today's most pressing social issues, from the criminalization of Indigenous peoples to interpersonal violence, border control, and armed conflicts. This book advances cutting-edge theories and methods, with the aim of moving beyond the scholarship that reproduces insecurity and exclusion. The breadth of approaches encompasses much of the current critical criminological scholarship, serving as a counterpoint to the growth of managerial and administrative criminologies and the rise of explicitly exclusionary and punitive state policies and practices with respect to 'crime' and 'security.' This edited collection featuring two books,

one in English and one in French, includes important contributions to knowledge and public policy by eminent experts and emerging scholars. This book is published in English.

*Q&A Medical Law 2013-2014* The Lawbook Exchange, Ltd.

Media and Society explores the relationship between the media, their institutions and the world we live in, examining how they are connected and how society and the media affect each other. The book analyses representations of the world found in films, television, advertisements, news and online to understand the impact of the media in the contemporary world. The sixth edition explores several themes throughout the text, including the contradictory nature of the media

and the psychological concerns of the media, to provide clear explanations of complex theories and ideas. New to this edition: New author, Sarah Casey brings experience in digital technologies and social media... New chapter 17 on Digital Television and Interactive Narratives exploring emerging and evolving narrative forms including streamed television and interactive gaming. New and updated case studies including: Self-representation in photographs- 'selfies' Television, algorithmic culture and surveillance University and students - media, law and humour Banksy - street art, anonymity and culture jamming UnREAL and reality TV Celebrity "activism": philanthropy, the Half the Sky movement, and the need to be seen to "care" Star-celebrity profile: George and

Amal Clooney, and the transmission of culture values Updated examples to encourage students to reflect further on the issues discussed in each chapter, including: Gigi Hadid and Kendall Jenner at the Victoria's Secret runway show. Bruce Jenner coming out as transgender woman, Caitlyn Jenner. Jonathan Thurston sharing a moment of parental intimacy with his daughter during the celebration of the NRL grand final win. Kanye West and his Twitter appeal to Mark Zuckerberg to help him financially by investing a billion dollars in his novel business plans.

Organized topically rather than historically, this book provides an excellent introduction to the subject of African Philosophy. Samuel Oluoch Imbo synthesizes the ideas of key African philosophers into an accessible narrative. The author focuses on five central questions: What are the definitions of African philosophy? Is ethno-philosophy really philosophy? What are the dangers of an African philosophy that claims to be 'unique'? Can African philosophy be done in foreign languages such as English and French? Are there useful ways to make connections between African philosophy, African American philosophy, and

women's studies? By making cross-disciplinary and transnational connections, Imbo stakes out an important place for African philosophy. Imbo's book is an invaluable introduction to this dynamic and growing area of study.

Timesnatch Oxford University Press

In this haunting tale of love and learning, the existential chaos of a life ravaged by circumstance takes on a rhythm of its own, one bound by loss and loneliness, but also an intelligent awareness of self. Sometimes melancholy, sometimes brutal, occasionally funny and infuriating, a journalist-comrade-lover caught up in the shade and shadow of politics and social injustice faces treachery and betrayal on every level. Set against the backdrop of a cityscape that taunts and tantalises, this is where love fails and passion wanes, "where

suffering has no meaning", where an individual escapes death only to find himself confronted with choices wrought by remorse and retribution, by conscience and character. And yet, with all trauma, there is a distinct musicality to the lyrical unpacking that follows a string of small things ...

This fifth edition of *International Law: A South African Perspective* is now titled *Dugard's International Law: A South African Perspective*, in recognition of the fact that this work is a continuation of the earlier editions written by John Dugard. The substance of the work has undergone major changes to take account of new developments both on the international legal scene and in South Africa. *Dugard's International Law: A South African Perspective* presents a South African perspective of

international law. The basic principles of international law are described and examined with reference to the principal sources of international law. This examination, however, takes place within the context of South African law. South African state practice, judicial decisions and legislation on international law receive equal treatment with international law as it is practised and taught abroad. The present work is designed to assist judicial officers and practitioners, educate students, and guide diplomats in the intricacies of international law both at home in South Africa and abroad.

This edited book brings together an international cast of contributors to examine how academic literacy is learned and mastered in different tertiary education settings around the world. Bringing to the fore the value of qualitative enquiry through ethnographic methods, the authors illustrate in-depth descriptions of genre knowledge and academic literacy development in first and second language writing. All of the data presented in the chapters are original, as well as innovative in the field in terms of content and scope, and thought-provoking regarding theoretical, methodological and educational approaches. The contributions are also representative of both novice and advanced academic writing experiences, providing further insights into different

stages of academic literacy development throughout the career-span of a researcher. Set against the backdrop of internationalisation trends in Higher Education and the pressure on multilingual academics to publish their research outcomes in English, this volume will be of use to academics and practitioners interested in the fields of Languages for Academic Purposes, Applied Linguistics, Literacy Skills, Genre Analysis and Acquisition and Language Education.
