Practices for Healing, Spiritual Growth, and Accessing the Universal Mind Courier Corporation
 Unlike other millennials who made it big in the tech world, Joshua Jones, aka J.J., sold his lucrative software business at age thirty, electing instead to tackle his bucket list while he was still able. An impromptu twilight sail to a quaint island fishing

village in Swedish waters led to his chance meeting with Lucas—an Adonis-like LA lawyer visiting his maternal grandparents. After sharing a whirlwind forty-eight passionate hours together before Lucas's return to the states, they both knew they wanted more. An unfortunate experience white water rafting on the Zambezi River robbed J.J. of his burner phone—his only link to Lucas, a continent away. Years passed, but J.J. never stopped looking. He'd find Lucas no matter what,

even if he had to go around the world to do it. **My Fallen Saint** Book Nook Press The Wanderer's Hávamál features Jackson Crawford's complete, carefully revised English translation of the Old Norse poem Hávamál, newly annotated for this volume, together with facing original Old Norse text sourced directly from the Codex Regius manuscript. Rounding out the volume are Crawford's classic Cowboy Hávamál and translations of other related texts central to

understanding the character, wisdom, and mysteries of Óðinn (Odin). Portable and reader-friendly, it makes an ideal companion for both lovers of Old Norse mythology and those new to the wisdom of this central Eddic poem wherever they may find themselves. [Tales of Odin, Thor and Loki](#) Llewellyn Worldwide His touch is her sin. Her love is his salvation. "J. Kenner knows how to deliver a tortured alpha that everyone will fall for hard. Saint is exactly the sinner I want in my bed."

Laurelin Paige, NYT bestselling author "I went into this story thinking that J. Kenner could not create a better place than Stark World. ... But boy was I wrong. From the very first interaction with Devlin the reader becomes instantly aware of the character's power and grace. With a plot that kept on changing and an awesome connection between Ellie and Devlin, J. Kenner has once again proved her writing skills with masterful story telling."-The Overflowing Bookcase Charismatic.

Confident. Powerful. Controlling. A brilliant investor with a Midas touch, Devlin Saint turned a modest inherited fortune into billions, and now operates one of the world's foremost international philanthropic organizations. He's a man determined to help the underprivileged, to fight injustice, and to make the world a better place. And that, at least is true. It's not, however, the full truth. Because Devlin Saint is a man with a dangerous secret. One he'll do whatever it takes

to protect. And when investigative reporter Ellie Holmes turns her attention to an unsolved murder, she finds herself caught in a web of intrigue and passion as Devlin draws her closer and closer. But as the intensity and sensuality of their relationship grows, so do Ellie's suspicions. Until she is no longer certain if the heat between her and Devlin is real, or only a facade he constructed to hide his dark and twisted secrets. Don't miss this provocative first book in a

brand-new trilogy...

Making dreams come true

is her business at Sunshine Bridal, which she runs with her two sisters. When her best friend announces her engagement, Avery is thrilled to take charge of the giddy bride-to-be's big day. Less thrilling? Her best friend's arrogant and demanding brother, who just so happens to be the man of honor. Carter Ross's first instinct: call 911. He promised to always take care of his impulsive little sister, and he honors that vow. Even if it means taking over her wedding, where he is sure

Avery will fail. At best, Avery is unpredictable. At worst, if she's anything like the spitfire of a college girl he remembers, the main event could run wild. With Avery and Carter wrestling for control, tempers heat up. So does the spark of attraction they're fighting with every kiss. As the wedding draws near, it's time to reconcile a rocky past and make a decision that could change everyone's lives. Because what they're rebelling against looks a lot like love.

What Taffeta doesn’t realize is that Mr. Dribble can magically turn her back into Ernestine. The

 A guide to ecstatic trance for spiritual and emotional development, spirit journeying, and connection to the collective unconscious • Describes more than 20 ecstatic trance postures for healing, divination, spirit journeys, shape-shifting, past-life

recovery, and connecting to the Akashic field • Explores the physiology and psychology of ecstatic trance journeying • Provides guidance for those with little or no experience as well as methods to deepen practice Over the millennia shamanic trance journeying has been used as a way of healing, of providing answers to questions, and of offering solutions to individual, family, and community problems. Though traditionally it was the shaman of the community

who went on such journeys, the revolutionary work of the late anthropologist Felicitas Goodman shows that we all have these shamanic powers. Her research on the body postures found in ancient primitive art and in the practices of contemporary shamans offers each of us the ability to experience ecstatic trance journeys firsthand. A student of Felicitas Goodman and Belinda Gore, psychologist Nicholas Brink examines more than 20 traditional trance postures for

divination, decision making, letting go of guilt and grief, healing of illness and emotional pain, spirit journeys, shape-shifting, interacting with animal spirits and the dead, and discovering past lives. Exploring the physiology and psychology of ecstatic journeying, he offers guidance for those with little or no experience as well as methods for longtime practitioners to deepen their practice and reclaim the extrasensory power of our ancient ancestors. Offering solid

theories of how ecstatic trance triggers healing and spiritual development, Brink explains how trance journeying allows us to tap in to the collective unconscious, or Universal Mind, and access the information matrix of the Akashic field.
