and recommit to marriage

Healing After Being Cheated On And
Regaining Your Sense Of Worth

FriesenPress

You have been unfaithful, and you want
help-but moving forward is complicated.

Professional counselor Michael Gembola
provides daily guidance and
encouragement to help you make lasting
change. He offers reflection questions,
plus suggestions for practical actions, so
you can form new qualities and habits as
you move toward God in repentance and
toward your spouse in reconciliation. Book
jacket.

*Inside the Hearts & Minds of People in Two
Relationships* Macmillan

"Full of juicy, concrete advice to heal from
an affair." —Esther Perel, MA, LMFT, New
York Times bestselling author of *Mating in*

Captivity and The State of Affairs From a
clinical psychologist who served as a
clinical supervisor in the Department of
Psychology at Yale University, received the
CPA's award for Distinguished Contribution
to the Practice of Psychology, and has
treated couples and trained therapists for
over four decades, this newly updated,
award-winning book provides concrete,
proven strategies for those who seek to
survive their partner's infidelity and to
rebuild the relationship after an affair.
There is nothing quite like the devastation
caused when a partner has been

unfaithful. Hurt partners often experience a profound shattering of their familiar and valued sense of self and fall into a depression that can last for years. For the relationship, infidelity is often a death blow. This new third edition of *After the Affair*, with more than 600,000 copies sold, helps guide both hurt and unfaithful partners through three stages of healing: normalizing the crisis, deciding whether to recommit to their partner, and rekindling trust and sexual intimacy. It includes a new section in which patients ask questions not addressed in previous editions, and the author provides concrete strategies for earning trust and forgiveness.

Leave a Cheater, Gain a Life New Harbinger Publications

"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the

University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. *A Love You Can Trust* shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of -"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. *A Love You Can Trust* guides couples

through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--
Rethinking Infidelity Createspace Independent Publishing Platform
Infidelity hurts. Nothing you've ever been through hurts as bad as finding out you've been betrayed by your spouse. The intense feeling of rage, depression and jealousy can be almost too much to take. Your marriage (or relationship) can survive infidelity, but you've got to take control and lead the way. *Life After Infidelity* offers sage advice for those looking to reconcile a relationship battered by infidelity. You can save your marriage. It's going to take a lot of work, but it can be salvaged and maybe even turned into something stronger than what you had before. The following topics are covered in this helpful book: What infidelity is and how the definition differs from relationship to relationship. Why people cheat. Understanding what you're going through. Coping with infidelity and how you can better deal with your emotions. Can your relationship be fixed? The two pillars of a solid relationship. How to rebuild trust and

to learn to trust again. Why forgiveness is critical to reconciliation. How to set boundaries and enforce them. Making your marriage (or relationship) stronger after infidelity. Recognizing the warning signs of infidelity. How infidelity affects children and what you can do to minimize the impact it has on your kids. What to do if you're the one who was caught cheating and you want to salvage your relationship. The emotions associated with infidelity and why what you're feeling is probably normal. Revenge affairs and why they need to be avoided. Whether or not you should contact the other person and the other person's spouse (the answer might surprise you). Couples therapy. Should you tell your friends and family? How long it takes before you start feeling better. Why your partner has to agree not to contact the other person ever again. Your relationship can survive infidelity and come out the other end stronger and happier. Buy this book and learn how. [After an Affair](#) Independently Published One of the world's leading experts on infidelity provides a step-by-step guide through the process of infidelity—from suspicion and revelation to healing, and

provides profound, practical guidance to prevent infidelity and, if it happens, recover and heal from it. You're right to be cautious when you hear these words: "I'm telling you, we're just friends." Good people in good marriages are having affairs. The workplace and the Internet have become fertile breeding grounds for "friendships" that can slowly and insidiously turn into love affairs. Yet you can protect your relationship from emotional or sexual betrayal by recognizing the red flags that mark the stages of slipping into an improper, dangerous intimacy that can threaten your marriage.

[After the Affair, Third Edition](#) Random House

Iconic couples' therapist and bestselling author of *Mating in Captivity* Esther Perel returns with a provocative look at relationships through the lens of infidelity. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden yet universally practiced? Why do people

cheat—even those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us up for betrayal? Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want, and what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining

exploration of modern marriage in its many variations. Fiercely intelligent, *The State of Affairs* provides a daring framework for understanding the intricacies of love and desire. As Perel observes, "Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart."

Repairing Your Marriage After His Affair Baker Books

A world-renowned therapist, Mira Kirshenbaum has treated thousands of men and women caught in the powerful drama over what to do when an affair reaches into their emotional lives. Now, in *When Good People Have Affairs*, Kirshenbaum puts her unsurpassed experience into one clear, calming place. She gives readers everything they need to cut through the thickets of fear, hurt and confusion to find their ways to happier, more solid relationships with the person who's right for them. For example, Kirshenbaum identifies seventeen types of affairs, helping readers figure out which type they're in and what it means. Is it a: - "See-if" affair? --Ejector-seat affair? -- Distraction affair? --Unmet-needs affair? -- Panic affair? Kirshenbaum encourages

honest answers to such questions as: -- What am I missing in my marriage? --How do I decide between two people when it's like comparing an apple to an orange? -- How do I decide to end my marriage, end my affair, or end them both? She leads readers through six easy-to-navigate steps that will take anyone from anxiety to clarity. *When Good People Have Affairs* will be a lifeline to any man or woman who feels caught between two lovers, and its insights are indispensable to anyone else touched by an affair.

Getting Past the Affair Running Press Adult

How to prevent the infidelity from reoccurring or preventing it from happening in the first place. Skills to make your partner accountable to you to forestall reoccurrence. Ways to repair the damage caused by your partner's lies.

[Helping Couples Get Past the Affair](#)

Rebekah Clarke Books

Infidelity is common, occurring in over half of all marriages. And it is one of life's most painful experiences for everyone involved-

-the betrayed spouse, the children, the extended family members, and even the lover and wayward spouse. With all that sadness, why do people have affairs? And once trust is broken, how can a couple reconcile? In *Surviving an Affair*, Drs. Harley and Chalmers describe the most common types of affairs, the reasons they begin and end, the best way to end them, and the best way to restore a marriage after an affair. But most importantly, they help readers survive the ordeal by providing them with step-by-step guidance that minimizes suffering and offers hope for rebuilding a loving and trusting marital relationship.

How to Rebuild and Affair-Proof Your Marriage Guilford Publications

There are few things in life more traumatic than discovering that your partner is having an affair. You are not only coping with the pain and anger but also the sense that your partner is a stranger. How could someone you love, and thought that you knew, treat you like this? How can you ever trust your partner again? Don't panic. Millions of ordinary men and women have trodden the same path and come out the other end with not only their love restored

but a significantly stronger and better relationship. Whether you are the discoverer of the affair or whether you were discovered, Marshall offers guidance and support, and explains: The seven stages that couples move through from discovery to recovery. What makes people more vulnerable to affairs. The eight types of infidelity and how understanding your partner's affair is key to deciding whether you should stay or go. How to stop your imagination running wild and your brain from going into meltdown. Why some couples emerge stronger and why others get derailed from the recovery process. With over thirty years' experience as a marital therapist, Marshall draws on hundreds of case studies and provides practical, compassionate and sensible advice to keep your relationship alive. As he says, "It might sound strange, but you can turn this crisis from the worst thing that has happened to your relationship into one of the best.

Intimacy After Infidelity Harper Collins
 Infidelity does not have to be the end of your marriage. Your marriage can recover and thrive after an affair. But only when you get to the roots of the problem, solve

the issues, rebuild trust, and learn to move forward. Unfortunately, many marriages end needlessly after infidelity. Often, this is a result of not knowing there is another option. This is complicated by not having access to tools and understanding that can heal a marriage. In fact, those tools can help a marriage move toward greater health than was there before the affair. Dr. Lee Baucom provides a roadmap for dealing with physical or emotional infidelity. His book can provide guidance on how to confront an affair, how to understand the reasons behind the affair, and how to move forward through a healing process. His approach gives resources to both the person who had the affair and the spouse. Additionally, Dr. Baucom provides a special Question and Answer bonus to readers that covers common questions from other readers. Your marriage CAN survive an affair. In fact, it can be stronger than before the infidelity. You just need the tools and guidance to get there. Find those tools in this book.

Anatomy of an Affair Guilford Press
 Until now, we have been taught that forgiveness is good for us and that good

people forgive. Dr. Spring, a gifted therapist and the award-winning author of *After the Affair*, proposes a radical, life-affirming alternative that lets us overcome the corrosive effects of hate and get on with our lives—without forgiving. She also offers a powerful and unconventional model for genuine forgiveness—one that asks as much of the offender as it does of us. This bold and healing book offers step-by-step, concrete instructions that help us make peace with others and with ourselves, while answering such crucial questions as these: How do I forgive someone who is unremorseful or dead? When is forgiveness cheap? What is wrong with refusing to forgive? How can the offender earn forgiveness? How do we forgive ourselves for hurting another human being?

A Clinician's Guide Simon and Schuster "Little compares to the devastation people feel upon discovering their spouse has been unfaithful. Shocked, devastated and overwhelmed, couples often hit stalemates as they struggle to get past intense emotional pain, mistrust, resentment and never-ending arguments about the betrayal. Based on over three

decades of experience helping couples recover from betrayal and save their marriages, Weiner-Davis offers a step-by-step program to help readers: - Deal with traumatic feelings after the discovery - Respond to questions about the affair - Talk about intense emotions without arguing - End the affair - Offer apologies that are sincere and healing - Overcome flashbacks and painful memories - Rebuild trust and accountability - Make their marriage stronger than before the affair - Find forgiveness - Reconnect sexually This book is filled with case vignettes of couples whose lives were shattered by betrayal but have eventually recovered and thrived."--Publisher's description.
Healing from Infidelity CreateSpace For the 70 percent of couples who have been affected by extramarital affairs, this is the only book to offer proven strategies for surviving the crisis and rebuilding the relationship -- written by a nationally known therapist considered an expert on infidelity. When I was 15, I was raped. That was nothing compared to your affair. The rapist was a stranger; you, I thought, were my best friend. There is nothing quite like the pain and shock caused when a partner

has been unfaithful. The hurt partner often experiences a profound loss of self-respect and falls into a depression that can last for years. For the relationship, infidelity is often a death blow. *After the Affair* is the first book to help readers survive this crisis. Written by a clinical psychologist who has been treating distressed couples for 22 years, it guides both hurt and unfaithful partners through the three stages of healing: Normalizing feelings, deciding whether to recommit and revitalizing the relationship. It provides proven, practical advice to help the couple change their behavior toward each other, cultivate trust and forgiveness and build a healthier, more conscious intimate partnership.

Healing the Pain and Rebuilding Trust When a Partner Has Been Unfaithful

Macmillan Publishing Company The pain of being cheated on is an emotional trauma that's incredibly difficult to endure, let alone heal from. The shattering realization that your partner has strayed and given themselves to another is heartbreaking. You think your life is over, you doubt you'll ever be happy again and you just want things to go back

to how they were before. Perhaps you wish you could go back in time and do something - anything - to stop the affair ever taking place. Maybe you're praying that you'll wake up one day and this is all one big horrible nightmare. The dark, painful feelings that we have to endure after discovering we've been cheated on are some of the worst days we'll ever have to make it through. I know what you're going through because I've also suffered the heartbreak of infidelity - but I also know what it feels like to come out of the other side. From suffering a breakdown and neglecting myself and those around me to now thriving and able to trust again, I know you can bounce back from this traumatic time. This book won't offer judgement - I'm not here to tell you to leave the relationship nor am I an advocate for you to stay - but it will offer you the tools you need to heal. I'll offer you my thoughts and advice based on my experiences, and I'll give you a little glimpse of the pain I endured, too. Throughout this book, I'll cover the following: • Why did your spouse cheat? • The nasty effects a cheating spouse has on us. • Coping strategies after

discovering the infidelity. • Building up your sense of worth. • A non-judgemental commentary about the "should I leave the relationship or not" question you may be pondering. • How to trust a new partner. This book began as a little project for a website I was writing for, but as time went on I decided it served best as a series of books. I read a ton of books when recovering from the heartache of being cheated on, and to offer that same kind of comfort and actionable advice to someone who's in the same position as I was is amazing to me. I hope this book series serves its purpose - to help you heal and to inspire you to know your worth.

Unfaithful 31-Day Devotionals for Life
 What the latest science tells us about the brain's reward systems, love, and sex -- and how to prevent an affair from destroying your life
 How can I prevent an affair from destroying my life? Whether I am the cheater or the betrayed partner, how can I survive, even thrive, in the wake of an affair? Infidelity provides key insights to find your true sexual and romantic potential and advocates honesty, trust, and integrity--the fundamentals of love. People often cheat in a haze of delusion,

believing that it will bring them real love, help them have better sex, lift their spirits, and boost their sagging self-esteem; however, very often, cheating wrecks relationships and erodes self-esteem. In *Infidelity*, one of America's top doctors combines neuroscience, addiction theory, and common sense to explain the three types of cheating: emotional, virtual, and physical; why they're so prevalent; and how to live in accordance with our values when we are drawn to stray. Examining what the latest science tells us about the brain's reward systems, love, and sex, Dr. Kenneth Paul Rosenberg reveals what drives men and women to cheat and what they can do about it. At a time when America's pornography obsession rises to the level of a competing sexual interest, when is porn a problem, and when does it count as infidelity? And since it is not the act of infidelity alone that destroys a couple, how does any couple prevent growing apart? Through concrete rules addressing these and other vital questions, Dr. Rosenberg guides couples on how to prevent cheating, stop it from progressing, and repair the damage caused by an affair.

How to Build a Vibrant Marriage After an Affair Simon and Schuster

How Can I Forgive You? HarperCollins
A Guide to Rebuilding Trust and Intimacy
It's devastating to discover that the person you trust the most has betrayed you. You'll be facing some hard questions after learning of your partner's infidelity. You may choose to rebuild your relationship, or you may decide to move on. Whatever the right decision is for you, this book will help you figure out why your partner betrayed you and decide whether you can remain in your relationship. It will also show you new ways to relate that can help you and your partner become a lasting, loving, and committed couple. You'll start by taking a look at the phenomenon of infidelity and the three types of intimacy: self-intimacy, conflict intimacy, and affection intimacy. Then you'll learn about the three kinds of infidelity—those of fear, of loneliness, and of anger—and what each reveals about your relationship. Then it's on to practical exercises that can heal emotional wounds and enable you to recover your ability to trust. Even if you decide not to remain with your current partner, the book will help you make wise relationship choices to

"affair-proof" your future relationship.
