Incorporated
 Describes the events leading up to the Declaration of Independence as well as the personalities and politics behind its framing. By the author of the Newbery Honor book, *The Wright Brothers: How They Invented the Airplane*. Reprint. *Give Me Liberty* Houghton Mifflin Harcourt
Give Me Liberty, Not Marxism examines what current American leaders like President Joe Biden and his globalist allies intend for America and

the world, an outcome that may well usher in the prophetic end times. The evidence for this possible result comes from an objective review of the histories of past Marxist-regimes, accounts that are juxtaposed with the contemporary political proposals by those who seek a global "Great Reset" that could produce a radically different America which becomes subordinate to a godless, totalitarian one-world government ruled by the Chinese Communist Party. *Give Me Liberty Or Give*

Me Mad Libs Defender
 A noted attorney gives detailed instructions on winning arguments, emphasizing such points as learning to speak with the body, avoiding being blinding by brilliance, and recognizing the power of words as a weapon. Reprint. Brief Edition W. W. Norton
 An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents Nationalism is inevitable: It supplies feelings of belonging,

identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many a dirty word. In *Give Me Liberty*, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has

evolved over four hundred years. He examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the fulfillment of old hopes and promises. This is our nationalism, and we should be proud of it.

America in the Age of

The leading text, in a compact, value edition.
Patrick Henry *Give Me Liberty Or Give Me Death (Annotated)*"Give me Liberty, or give me Death!" is a famous quotation attributed to

Patrick Henry from a speech he made to the Virginia Convention. It was given March 23, 1775, at St. John's Church in Richmond, Virginia, ..Give Me Liberty! An American HistoryFifth Edition, One Volume, Seagull
 In the spirit of The Known World and The Underground Railroad, "a miraculous debut" (Washington Post) and "a towering achievement of imagination" (CBS This Morning) about the unlikely bond between two freedmen who are

brothers and the Georgia farmer whose alliance will alter their lives, and his, forever. In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save

money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men, recently returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle

who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor and sympathy, debut novelist Nathan Harris creates an unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, *The Sweetness of Water* is an epic whose grandeur locates humanity and love amid the most harrowing

circumstances. An Instant New York Times bestseller / An Oprah's Book Club Pick One of President Obama's Favorite Books of 2021 Winner of the Ernest J.  Assesses the impact of the Civil War
Give Me Liberty! An American History
 Cumberland House Publishing
 The year is 1775. America is a grand experiment. Colonists are writing anonymous pamphlets about their hopes for this new country. British redcoats walk the streets. Enslaved African American women and men work on tobacco and sugar plantations. A young lawyer named

Patrick Henry sings out in a courthouse, "Give Me Liberty or Give Me Death." Henry's words become the rally cry for the American Revolution. This poetic speech will ignite a country to fight for its freedom and rebel against oppressive King George. Militias are formed and shots are fired at Lexington. Readers will view the events of the war that began America.
