## HOOPER HARPER

**From Root to Mcnamara** Atlantic Books  
 Set in and around the dark, misty canals of Lichfield, Stephen Booth's incredible new novel is awash with mystery. When council officer Chris Buckley is approached by an odd old man demanding help in healing a decades-old family rift, he sends the stranger away. But then the old man is murdered, and the police arrive on the Chris's doorstep asking questions to which he has no answers. As Chris begins to look into the circumstances of the murder, he uncovers a deadly secret in the silt and mud of the local canals that he'll realise was better kept buried. PRAISE FOR STEPHEN BOOTH 'Makes high summer as

terrifying as midwinter' Val McDermid 'A modern master' Guardian 'Crime writing of the finest quality' Daily Mail 'Ingenious plotting and richly atmospheric' Reginald Hill 'A first-rate mystery' Sunday Telegraph  
*Doris Day* Mulholland Books  
 The police have a pretty big problem. Somebody has started shooting unsuspecting citizens dead as they go about their daily business in the north west of England. But it is a very specific type of person that the gun man is targeting. In order to keep the public calm, the police have no alternative but to explain to killer's motive. And that's when things start to get really tricky for the investigating officers. PLEASE NOTE: This book contains bad language.  
*Escape the Rooms* Open Road Media  
 Combining heart-wrenching emotion with edge-of-your-seat tension, New York Times

bestselling author Charles Martin explores the true power of sacrificial love. Murphy Shepherd has made a career of finding those no one else could—survivors of human trafficking. His life's mission is helping others find freedom . . . but then the nightmare strikes too close to home. When his new wife, her daughter, and two other teenage girls are stolen, Murphy is left questioning all he has thought to be true. With more dead ends than leads, he has no idea how to find his loved ones. After everything is stripped away, love is what remains. Hope feels lost, but Murphy is willing to expend his last breath trying to bring them home. Praise for *The Letter Keeper*: "A man broken by events beyond his control accepts the challenge to walk dark ways in order to bring the lost and helpless home, but he comes close to losing himself in the process. Despite the

hardship and heartache, Martin's story shines with the light of eternal hope." —Davis Bunn, writing for Christianity Today "It is unequivocally, hands down, a remarkable read. It's everything you want (and a whole lot more) from a sequel . . . Y'all better get ready. Like I said last time, clear your schedule. Then read this book . . . front to back. There will be more sweaty palms, fist pumps, tears, and laughter than the first one. I promise." —Charlie Martin, Charles Martin's son Full-length novel One of the Murphy Shepherd novels: Book One: The Water Keeper Book Two: The Letter Keeper Book Three: Coming June 2022! Includes discussion questions for book clubs Also by Charles Martin: The Mountain Between Us, Send Down the Rain, Long Way Gone, When Crickets Cry **Gone Too Far** Xlibris Corporation Soon there will be a killing. Close your eyes and breathe in the aroma. I can smell it right now, can't you? So powerful, so sweet. So irresistible. It's the scent of death.

*The Red Queen Dies* Atlantic Monthly Press

The new Logan McRae thriller set in gritty Aberdeen, from the bestselling author of *Cold Granite* and *Flesh House*.

Road to Nowhere The Race Is on to Find Sergeant Jason Knight Createspace Independent Publishing Platform

**Mounted Combat in Vietnam** Minotaur Books

A fast-paced crime thriller set in Dublin and blessed with a distinctly Irish acerbic wit. This book is book 2 in Caimh McDonnell's Dublin Trilogy.

**Llewellyn the Ghost - The Case of RR International** Oyez!Books

The Sister is a fast-paced epic story. Suspenseful, and thrilling, it is a mystery that unravels over time, following the lives of a group of seemingly unconnected people, as they struggle to bring an unusually talented serial killer to justice. CORNWALL, ENGLAND. In the summer of love, 1967, two children witness a murder. One, a seven-year old boy, views it from fifty yards - the other, a young Irish girl, from miles away... LONDON, 2006. With retirement looming, DCI John F Kennedy reopens the only unresolved case in his career, the disappearance of a young nurse, Kathy, twenty-three years earlier. The broadcast appeal for information on the missing teenage runaway, Eilise; is followed by a cold-case reconstruction of Kathy's last known movements. A new witness comes forward, and Kennedy - now set on the trail of a serial killer - unwittingly sparks a sequence of events

that lead back to himself, threatening his own, very private existence. As the investigation unfolds, it becomes apparent that the murderer is no ordinary adversary. Resourceful and cunning, he has been operating undetected for over forty years, and it seems that only the original witnesses from 1967 can stop him. But they have yet to meet... The Sister is much more than just an ordinary thriller. It is the story of a lifetime... The book is a two part pilot episode with resolution, but left open to a series of planned spin-off self-contained episodes involving a selection of characters from the original story, the first of which is due for release in late spring.

The Race Is on to Find Sergeant Jason Knight Cosimo, Inc.

I was happy my husband died, but I couldn't admit it, otherwise people might think I killed him. Before Olivia knows she is lucky. She has a loving husband, Frank, an adorable son, Jake, and a beautiful new home. It couldn't be more different from her childhood on the outskirts of Whitaker, dirt poor and dreaming of getting out. But at the end of long days with no one to talk to, always feeling like she's not quite good enough, she starts to wonder if there's a better life waiting... After Everyone in Whitaker knows who Olivia is. She's the woman who left her family for no-good Dane Miller - and the one who most likely shot him. Now, there's gossip about her everywhere she goes, she's too scared to leave the house most days, and she barely gets to see her beloved son. How can a perfect life fall apart so quickly? And, when you have nothing to lose, how far will you go to save yourself? An absolutely gripping, heart-pounding suspense novel about bad choices and second chances. Perfect for fans of *Gone Girl*, *Karin Slaughter* and *Lisa Gray*. What readers are saying about *Some Days Are Dark* 'I cannot believe this is a debut. I will gladly read all future books from this author. A great thriller that had me turning the pages.' Goodreads Reviewer, 'Really quick, enjoyable read. Started it on a Monday morning and finished it Tuesday morning before lunch!... I told myself "one more chapter" but then the chapter ended on a cliff hanger, I then had to read two more chapters to find out what happened.' Jenn Gregory Writes 'Keeps you on the edge of your seat from beginning till the very last page. Not an ending I saw coming, love being surprised.' Goodreads Reviewer 'Just wonderful! Thrilling and packed with twists. I read this addictive and wonderful book in one engrossed and heart-pounding sitting... I am so thrilled to have discovered this author and will be

recommending her and this book to everyone! Brilliant.' Renita D'Silva, 'I absolutely devoured this book... The characters are well developed and the storyline is so enthralling. Highly recommended!' Netgalley Reviewer, 'The DCI Reece Thrillers Books One to Three Government Printing Office Great Britain is going through austerity. Those affected worst are the poorest and most vulnerable people in society. People who have nothing, are having the tiny amount of money they receive in benefits taken away by a spiteful government hell bent on protecting the very wealthiest, and savagely attacking the very poorest. But the problem is being ignored, or overlooked by the British public, largely due to a corrupt system where most of the media is controlled by the same wealthy people that the government pander to. In Manchester, it seems that one man is determined to put this issue right in the spotlight. His methods are met with disgust and outrage by the population, as he attacks DWP staff from behind as they leave their work, causing them life-changing injuries which shock and upset the entire nation. The DWP workers refuse to show up for work, and the whole British welfare system is thrown into chaos. Pensions and benefit payments aren't being processed and this looks like the biggest crisis to hit the blundering, incompetent government, since the last one. DCI Andy Miller is handed an open cheque-book, and all the resources that he needs to bring this shocking crime-wave to a swift conclusion. The government announce that extra officers are being used. But in austerity Britain, there are no extra officers. Only tired, under-paid and frustrated ones who hate the government just as much as the attacker seems to. Miller and his team are going to have to dig deep and come up with something extra special in order to put a stop to this madness. THE FINAL CUT, the 5th DCI Miller adventure. Release date Monday 27th November 2017 Miller 1 is "One Man Crusade" Miller 2 is "Neighbours From Hell" Miller 3 is "Road To Nowhere" Miller 4 is "Gone Too Far" WARNING, Contains bad language, including the worst one a few times. Please do not purchase if offended by swearing. **The Clitheroe Prime Minister** Thomas & Mercer

This fresh edition of Satish Sekar's classic work brings events up to date as at 2017 and includes matters that the author was prevented from publishing sooner. Among other things it deals with the collapse of the 2011 trial of police officers and others concerning the original miscarriage of justice in this case and in a new Epilogue calls for a Truth and Justice Commission. The author shows how this extreme miscarriage of justice destroyed families, divided communities and undermined confidence in the criminal justice system. The book takes the reader from the sadistic killing of Lynette White in Cardiff in 1988, via the subsequent investigation and trial to the aftermath of the folding of the 2011 trial over 'lost' documents that later materialised. But above all it deals with the hard scientific facts of the first vindication case of the DNA-age.

**The 9/11 Commission Report** Road to Nowhere The Race Is on to Find Sergeant Jason Knight

A high-energy, laugh-out-loud, fully illustrated adventure story by much-loved actor Stephen Mangan and talented artist Anita Mangan. The last thing Jack expected when he bungee-jumped at the fairground was to go plummeting right through the ground into the weird, wonderful Rooms... There he must face a series of puzzles and traps alongside a mysterious girl called Cally, in order for them to find their way home. Throw in a murderous polar bear, hundreds of tiny yet ferocious lions, some mind-blowing riddles, and get ready for a hilarious, helter-skelter adventure like no other!

**The Chalk Pit** John Wiley & Sons

After David rescued Llewellyn the boy ghost from being trapped in the old castle, they become firm friends. Together with Detective Chief Inspector Catrin Johnson and their new friend, Jemma, they foiled the evil plot of a gang of criminals. Now David has been invited to spend Christmas in New York with Catrin and Jemma. Llewellyn decides to go too. He has a good time crashing parties and frightening people. But some New York people don't seem human to Llewellyn. They feel like machines. What are they? Their old enemy's evil plans are revealed at a Christmas concert in Central Park where he captures Catrin and Jemma. In the meantime, David is missing and the lives of important figures in New York are in danger. The Case of RR INTERNATIONAL is the second book of their adventures.

**The Cardiff Five** DIANE Publishing

Wealthy. Reclusive. Dangerous. Emerson LeBlanc doesn't enter society much. He only ventures out in pursuit of new art for his collection. It starts with a haunting painting. Then he meets the artist... Innocent Daphne Morelli is more exquisite than anything he's ever seen. He becomes obsessed with her. It doesn't matter that she's a living, breathing person with her own hopes and dreams. She'll be the perfect addition to his collection.

**Snap** John Wiley & Sons

In the year of her 80th birthday, Doris Day is still one of Hollywood's most beloved stars. At 16, she was already working as a singer, and by the 1950s, she was America's sweetheart. Nominated for an Oscar for Pillow Talk in 1959, she starred opposite Cary Grant, Rock Hudson, and James Garner in a now-classic series of bedroom farces. Always portrayed as the wholesome girl-next-door, Doris Day's squeaky-clean image kept her at the top for 24 years and 39 films. This affectionate biography, which features previously unreleased pictures by legendary Hollywood photographer Leo Fuchs, looks at the actress' childhood, her fame as a singer and actress, the near-fatal car crash that ended her career as a dancer, her four marriages, and the passionate campaigns for animal welfare that are now the focus of her life.

**Lean Architecture** Sphere

The greatest danger may come from inside his own home. Detective Duncan Riley has always worked hard to maintain order on the streets of Manchester. But when a series of incidents at home cause him to worry about his wife's behaviour, he finds himself pulled in too many directions at once. After a colleague Amanda Lacey asks for his help with a local drug epidemic, he never expected

the case would infiltrate his own family... If you like British crime dramas featuring ordinary people in extraordinary circumstances, then you'll love this suspenseful domestic tale of deadly deceit and divided loyalties. And a situation that spirals out of control. This is the fifth book in the DC Jack Rutherford and DS Amanda Lacey series and works as a standalone. The complete series: 1 The Controller 2 Hot to Kill 3 The Hunted 4 Dark Service 5 One Last Hit DC Jack Rutherford (solo) 1 Hey You, Pretty Face

**Drowned Lives** Bookouture

It has, improbably, been called uncommonly lucid, even riveting by The New York Times, and it was a finalist for the 2004 National Book Awards nonfiction honor. It is a literally chilling read, especially in its minute-by-minute description of the events of the morning of 9/11 inside the Twin Towers. It is The 9/11 Commission Report, which was, before its publication, perhaps one of the most anticipated government reports of all time, and has been since an unlikely bestseller. The official statement by the National Commission on Terrorist Attacks Upon the United States-which was instituted in late 2002 and chaired by former New Jersey Governor Thomas Kean-it details what went wrong on that day (such as intelligence failures), what went right (the heroic response of emergency services and self-organizing civilians), and how to avert similar future attacks. Highlighting evidence from the day, from airport surveillance footage of the terrorists to phone calls from the doomed flights, and offering details that have otherwise gone unheard, this is an astonishing firsthand document of contemporary history. While controversial in parts-it has been criticized for failing to include testimony from key individuals, and it completely omits any mention of the mysterious collapse of WTC 7-it is nevertheless an essential record of one of the most transformational events of modern times.

HH Tisevich, LLC

An analysis of the executive control exercised by the War Department over the men, money, and other resources required to raise, train, equip, and supply the United States Army.

**What Makes Us Stronger** CreateSpace

A comprehensive & authoritative history of the CIA's manned overhead reconnaissance program (MORP), which from 1954 to 1974 developed & operated 2 extraordinary aircraft, the U-2 & the A-12 OXCART. Describes not only the program's technological & bureaucratic aspects, but also its political & international context. The MORP, along

with other overhead systems that emerged from it, changed the CIA's work & structure in ways that were both revolutionary & permanent. The formation of the Directorate of S&T in the 1960s, principally to develop & direct reconnaissance programs, is the most obvious legacy of the events in this study. [Eyes of Artillery](#) Dangerous Press DISCOVER THE COMPLETE DCI REECE SERIES TODAY. There are three unmissable crime thrillers in this great value boxset: *The Other Her* A detective on the edge. A killer on the loose. When DCI Bran Reece is called to the bloody crime scene of a murdered woman, he thinks the case is his. But the new Chief Superintendent has other ideas. She sees the recently widowed Reece as a volatile risk-taker and puts him on leave, forcing him to watch from the sidelines. Or so she thinks. DS Elan Jenkins soon realises her boss's replacement is out of his depth and takes matters into her own hands. But

Elan unknowingly puts herself and others in grave danger. Can Reece and Jenkins overcome their personal issues and solve the case? The truth might be closer to home than either of them is willing to admit... She's Next He knows her name . . . Where she lives . . . And wants her dead. Dr Richard Wellman is a Consultant Anaesthetist at the University Hospital in Cardiff. He's also a disturbed serial killer with a grudge. Back at work after being shot, DCI Bran Reece is still struggling following his wife's murder nearly eighteen months earlier. As Reece and his team investigate a number of separate murders, he suspects they are linked, despite the evidence suggesting otherwise. With Reece fast closing in on the doctor, can he bring the man to justice without ending up in the firing line for a second time? Or will his preoccupation with an old foe blind him to the fact that a member of his own team might be in mortal danger? *Isla's Missing* Some secrets are best taken to the grave. Jailed thirty years ago for a murder he

didn't commit, Arvel Baines has been plotting his revenge ever since. He's going to ruin the lives of all those responsible for framing him. And one man, in particular, will be made to suffer more than the rest. When the son of the true killer wakes up on his kitchen floor to find his wife dead and teenage daughter missing, so begins a deadly game of cat and mouse. Soon the Murder Squad are tasked with finding the missing girl, drawing DCI Reece into the mix. Can Baines carry out his gruesome vendetta before he's caught? Will Reece outsmart another killer? And what happens to the missing Isla? Praise for the DCI Reece Thrillers "A great read, twists and turns and bodies galore." "This is what I call a top-notch crime thriller. Gritty, graphic and laced with one-liners" "This is an excellent, fast-paced, crime mystery that keeps you on your toes." "Gritty Welsh noir with a side order of dark humour." "Excellent, fast-paced gritty police procedural."
