The Sword For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. (Heb. 4:12) In defining a sword we know that it is a bladed weapon, used primarily for cutting or thrusting. The sword consists of a straight blade with two edges, usually extremely sharp. The objective of a sword in battle was to maim or inflict painful and severe wounds to the body of their enemy, by means of mangling, mutilating, and injuring to render the opponent helpless, and if these methods were unsuccessful, the last resort was to take the life of their opponent by killing. Just as the natural sword had its uses, even so the spiritual sword?

The natural sword may maim or kill physically, while the spiritual sword renders the demonic host helpless through its destroying power. We must always keep in mind as believers that we have authority through the word of God which is symbolized by the sword. In history, the sword is said to be the emblem of military honor, such as in the medieval times when someone was honored as a knight by a monarch or political leader for service to their country. This was carried out by touching the shoulders of the honored person with the sword. Though there are many types of swords, the main concept was the same throughout history, to protect and defend. In the above mentioned scripture, the sword was used as a symbol of the word of God! A proper sword in its making was tempered very carefully, meaning that it was heated at a certain temperature, beaten into form by a sword-smith on an anvil and cooled at a predetermined degree to ensure its effectiveness. The reason for fashioning the sword in this manner was to ensure that when the combatant entered into battle, the sword would be able to withstand all the attacks of their adversary by absorbing the shock of their weapons without shattering. Even so when we're engaged in spiritual warfare, we cannot afford to have our emotions interfere with the operation of the spiritual weaponry. It is not the Word of God that ever falters, but when one deals in unrighteousness, such as forgiveness and bitterness, these character flaws causes the word to become ineffective in our hands. Just as the natural sword has to be tempered for effectiveness in battle, in like manner, we too must be tempered by bringing our bodies into subjection to the will of God. Not being tempered enough in our selves, gives the illusion that the sword is not pliable; however it is we that are unstable and when the word is not activated in our lives this causes us to break as well. Often times when dealing with conflict it may be difficult to discern who is telling the truth because the parties having the conflict are both liked in their circle of associates. Before there were lie detectors, there was God, giving the discerning of spirits and the word of knowledge to help bring about truth. The sword is also a discerner of the thoughts and intentions of the heart. Let me share a story with you about a boy who said to a girl friend of his, "I will give you all of my marbles, if you give me all of your candy." So the night before the exchange, the boy took out some of his favorite marbles. The next morning the exchange was made, but the young man was unsettled all day. The question is why was he unsettled? The reason was, the boy had taken out some of his favorite marbles, and was wondering, if the girl had taken out some of her favorite candy. The truth is, if the girl had asked the boy if he had given her all the marbles and he said yes, he would have lied. The Sword of Solomon will teach you how the Word enables you to become more sensitive in the Spirit to rightly divide who is dealing with

truth and who is dealing in deceit. The sword as a discerner of truth, is able to pinpoint whether something is proceeding out *Church Administration and Management* Servants House of Prayer, Publishing, and Proclamation
 Following her popular *Breaking the Threefold Demonic Cord*, Sandie Freed offers groundbreaking insight on the spiritual aspect of money, exposing the demonic strongholds behind it. *Discerning of Spirits* Christian Faith Publishing, Inc.
 Victory and Discernment Through the Fruit of the Spirit""this reality can be our hope and encouragement for living with a winning strategy in our lives if we repent and accept God's forgiveness in our hearts. As individuals now, in the past, and in the future, we are involved in a spiritual battle of good versus evil. Satan and his cohorts are our enemy. Jesus is our Savior and Provider who loves us unconditionally. As we battle daily against false beliefs and philosophies promoted by false Christs, teachers, and those who are uninformed regarding the truth of God's Word, we can have victory in our lives. We do not need to be deceived or led astray. Understanding the fruit of the Spirit prevents us from being confused or deceived and enables us to defeat our enemies spiritually. Victory is winning a battle, struggle, or contest. It is being successful in defeating an enemy.
 Discernment is being able to see or recognize. With discernment and victory, we can have good judgement and understanding of God's Word and will for us. The purpose of this book is to help those who read it to distinguish the difference between true believers in Christ and false believers in Christ and to recognize the difference between true and false apostles regarding their teachings. There is clarification of how the fruit of the Spirit operates in a person's life. This clarification is accomplished by the discernment given to us by the Holy Spirit. When you look at the opposite fruit of each of the good fruit (love vs. hate), you will see the truth that "by their fruits you will know them." The knowledge here is geared to those who have accepted Christ and to those who have not accepted Christ as their Lord and Savior.
Temptation and Discernment Xlibris Corporation
 In his Olivet Discourse, Jesus forewarns of certain events that would close out the church age: natural cataclysms, wars, civil strife, and perplexing problems. However, the most serious warning concerns deception. This warning is not to the world, but to the church. Jesus described this as so serious that if it were possible even those written in the book of life might be deceived. Even now, there are many distorted sounds coming forth from the pulpit, and it is with this concern that we set forth this manuscript. It is our earnest desire to impart some valid keys of discernment and hopefully save many from eternal ruin.

 We live in a day where people are searching for supernatural

experiences. This has led to a lot of deception, both in the World as well as within the Church. Not only did Jesus warn His disciples concerning false prophets, but the first century Apostles also warned the Church of these prophets and teachers who went about deceiving sincere Christians. The need of the hour is to be spiritually alert so that we don't fall victim to deception. This book is written for this very reason - to equip the Body of Christ to discern the disruptive ways of the enemy. We trust that this book will help you to understand how the gift of discerning of spirits operates concerning false prophets, prophecies, angelic visitations and the spirit of Jezebel.

The necessary things of God are simple and freely given. These things are taught by His Spirit, and we can see these things in His Word by comparing spiritual things (His Word) with spiritual things (His Word). So let's approach the question, how can we know the difference between the Spirit of God and spirit of man or the spirits of this world? It is not that hard!

There have been a multitude of books and sermons preached about the different "spirits" affecting people in this day: Jezebel, Python, Athaliah, and Delilah are just some of the spirits Scripture reveals are at work in our midst in the 21st century church. A multitude of ministers and churches are feeling the pressure to buy into programs and ideas the Holy Spirit never told them to be a part of. And when that happens, an Absalom is born in their lives and ministries. In this book, David reveals the characteristics of an Absalom, how it gains a hold in our lives, and the reason we must break its authority over us so we can walk in the individual anointing God has called us all to carry.

Is It of God? Charisma Media

There exist the forces of good and evil, which are both actively interfering in the affairs of men and operate by dynamics not explicitly understood by mortals. It appears that man's actions and inactions are engineered by unseen forces that manipulate him to accomplish a specific purpose. It also appears that in the fulfillment of prophecy, Satan is an unpaid worker in the kingdom of God. This treatise, *Cracking the Ancient Codes*, captures vividly the intrigues behind the Bible stories from the spiritual dimension. It narrates the story of the Seed and the Serpent, manifesting in different forms as they engaged in unabated contention throughout the ages. The intentions of Satan are clear: to frustrate the manifestation of the Seed, by either defiling or destroying the Seed's ancestors. In this plot, Israel and Jerusalem are the sacred sites; the Jews and later the church are the principal actors. Without ambiguity, the Light shines with an outstanding luminance and Darkness cannot decipher the mystery behind it. Mortals have to make the constant choice between life and death. Events surrounding the state of Israel and the existence of the church remain the most valid markers for fulfillment of spiritual prophecy. The world must be conscious of the warfare that exists and must not be engulfed in the deception of a no-devil secularism.

The author describes the nature of Christian spiritual discernment, drawing on the teachings of the Spanish saints and mystics: Ignatius of Loyola, John of the Cross and Teresa of Avila.

He then applies their insights in a series of brief chapters on the major temptations in the two principal areas of our Christian life: ministry and prayer. In wise and practical terms, he discusses activism, entrenchment, pastoral envy, discouragement in prayer, misuse of prayer methods, and many similar problems, showing us throughout how to distinguish good spirits from evil. He closes with a short reflection on the connection between Christian self-renunciation and our natural desire for happiness. For both individuals and groups, this book offers indispensable guidance for a review of life and authentic spiritual discernment.
