A new adult romance from Entangled's Embrace imprint... Sometimes all a girl needs is a little practice... It's been twelve months, three days, and eleven hours since accounting student Scarlett Logan made it past a second date. A pitcher of mojitos in hand, she employs her supreme graphing skills to narrow things down to one horrifying explanation. Kissing. Clearly someone needs to teach her how to kiss properly. Like, say, her best friend and

roomie, Finn Mackenzie. He's safe, he's convenient, and yeah, maybe just a little gorgeous. Finn knows exactly why Scarlett's boyfriends are disappearing quickly. Him. Not a single guy she's brought home is nearly good enough. And he'll be damned if he lets some loser give her "kissing lessons." No. He'll do the honors, thank you very much. The moment their lips touch, though, everything turns upside down. But Scarlett deserves the one thing Finn can't give her. And if he doesn't put an end to the sexy little shenanigans, he'll teach Scarlett the hardest lesson of all...heartbreak. *Chinese Narrative*

Digging for peat in the mountain with his Uncle Tally, Fergus finds the body of a child, and it looks like she's been murdered. As Fergus tries to make sense of the mad world around him - his brother on hunger-strike in prison, his growing feelings for Cora, his parents arguing over the Troubles, and him in it up to the neck, blackmailed into acting as courier to God knows what, a little voice comes to him in his

dreams, and the mystery of the bog child unfurls. *Bog Child* is an astonishing novel exploring the sacrifices made in the name of peace, and the unflinching strength of the human spirit.

When the papal apartments are burgled in 1901, Sherlock Holmes is summoned to Rome by Pope Leo XII. After learning from the pontiff that several priceless cameos that could prove compromising to the church, and perhaps determine the future of the newly unified Italy, have been stolen, Holmes is asked to recover them. In a parallel story, Michelangelo, the toast of Rome in 1501 after the unveiling of his *Pieta*, is commissioned by Pope Alexander VI, the last of the Borgia pontiffs, with creating the cameos that will bedevil Holmes and the papacy four centuries later. For fans of Conan Doyle's immortal detective, the game is always afoot. However, the great detective has never encountered an adversary quite like the one with whom he crosses swords in "The Vatican Cameos."

This collection of 14 critical essays examines short comedic tales from the 13th and 14th centuries, commonly

known as the medieval French *fabliaux*. Each essay focuses on a different aspect of common *fabliaux* humor, as illustrated by a scholarly analysis of one or several original texts. Topics covered include the frequent use of bacon as humorous symbolism (in *Barat et Haimet*, *Aloul*, and *Le Sacristain II*), the use of comedic rhyme (in *Le Prestre comporte* and *Le Prestre et le chevalier*), and the common "virgin miracle" tale (in *La Nonete*). Throughout the work, contributors attempt to provide a serious analysis of the *fabliaux* without losing sight of the tales' original comedic content and appeal.

Uncover the deadly secrets hidden behind impenetrable walls in *A Carol for the Dead*, the first Illaun Bowe crime thriller by bestselling master of Irish crime fiction Patrick Dunne December 16, dead midwinter. A light dusting of snow is falling over Newgrange, an innocent white to cover the dark soil. A small group is huddled around a shallow grave, dug out of the earth, one of them reaching out to touch what lies inside ... When an ancient female body is discovered in a peat bog close to the megalithic tomb of Newgrange, archaeologist Illaun Bowe hopes it is the career-

boosting find she's been searching for. But the body she finds is like none she's encountered before - its eyes have been gouged out, its throat slashed and there is a sprinkling of holly berries in the earth beside it. Who could have subjected it to such a grotesque and violent end? Hoping the brutalised body will provide much-needed scientific data on the rituals of the pre-Celtic people who built the famous Boyne Valley necropolis, Illaun begins her research in an area full of supernatural history and ghost stories, encountering shady property developers, mysterious locals and, most interestingly of all, a secluded convent that doesn't appear on any maps. And then the murders begin. One by one, those who were with Illaun at the site are picked off: eyes gouged out, mouths stuffed with holly. It would seem that there are more than bodies buried in the ancient soil ... and someone is prepared to go to any lengths to safeguard them ... Gripping, clever and unpredictable, *A Carol for the Dead* is a captivating and suspense-filled thriller by internationally

renowned crime writer Patrick Dunne. Contemporary murders are intertwined with ancient Celtic mysteries in an intoxicating web of spine-tingling conspiracies. You won't be able to put it down! The past always comes back to haunt us ... Praise for Patrick Dunne Dunne may be the next big thing in the thriller field out of Ireland. Irish Independent [Patrick Dunne], in his multi-layered novels, explores the darker recesses of the human psyche where his plots are powered by the mysterious and the macabre and include strange happenings in such places as 'plague pits' and cemeteries. The Crime House Archaeologist Illaun Bowe is the character charged with uncovering a complicated and many-layered plot which takes so many turns that it leaves the reader's head spinning. The Irish Emigrant ... attractively-drawn heroine Illaun Bowe neatly combines archaeology, medieval

history and current sociological tensions in Ireland in an absorbing read. Irish Independent **The Italian's One-Night Baby** Wildside Press LLC The portrayal of clergy, saints, missionaries, monks, and other spiritual leaders dates back to the very beginnings of motion pictures and television. Over the years, filmmakers have portrayed religious figures as heroes and villains, sinners and saints, and nearly everything in between. Through their works, filmmakers have influenced how society viewed these religious figures and, by extension, religion itself. This work details over 900 films and television series made from the 1890s through 2003 in which a religious figure plays a prominent or recurring role, or in which a character poses as a religious figure. For each motion picture, full filmographic data are provided--including title, studio, running time, year of release, director, producer, writer, and cast--along with a synopsis focusing on the role of the religious figure. Television series are covered in a separate section. For each show, the entry includes the title under which the show was commonly

known; the original broadcast network; the years the show ran, running time, and cast; and a brief discussion of the religious character's role in the overall series. Extensively indexed. **The Mother's Day Murder** McFarland Why do accomplished writers (and grown-ups) like Ron Carlson, Rick Bass, and Michael Chabon (to name but a few of those represented here) still obsess over their baseball days? What is it about this green game of suspense that not only moves us but can also move us to flights of lyrical writing? In Scoring from Second: Writers on Baseball some of the literary lights of our day answer these questions with essays, reminiscences, and meditations on the sport that is America's game but also a deeply personal experience for player, observer, and fan alike. Here writers as different as Andre Dubus and Leslie Epstein, Chabon and Floyd Skloot, Michael Martone and William Least Heat-Moon reflect on the game they grew up with, the players who thrilled them, and the lessons that baseball holds for us all. From the one-season wonder to the long-haul

heroes to the hall of fame, the game that has framed so many American summers-and lives-comes to quirky, instructive, and always entertaining life in these pages. Philip F. The Forgotten Prophecy McFarland Exploring Shakespeare's intellectual interest in placing both characters and audiences in a state of uncertainty, mystery, and doubt, this book interrogates the use of paradox in Shakespeare's plays and in performance. By adopting this discourse-one in which opposites can co-exist and perspectives can be altered, and one that asks accepted opinions, beliefs, and truths to be reconsidered-Shakespeare used paradox to question love,

gender, knowledge, and truth from multiple perspectives. Committed to situating literature within the larger culture, Peter Platt begins by examining the Renaissance culture of paradox in both the classical and Christian traditions. He then looks at selected plays in terms of paradox, including the geographical site of Venice in *Othello* and *The Merchant of Venice*, and equity law in *The Comedy of Errors*, *Merchant*, and *Measure for Measure*. Platt also considers the paradoxes of theater and live performance that were central to Shakespearean drama, such as the duality of the player, the boy-actor and gender, and the play/audience relationship in the *Henriad*, *Hamlet*, *As You Like It*, *Twelfth Night*, *Antony and Cleopatra*, *The Winter's Tale*, and *The Tempest*. In showing that Shakespeare's plays create and are created by a culture of paradox, Platt offers an exciting and innovative investigation of Shakespeare's cognitive and affective power over his audience. *The Authorized Ender Companion* Fawcett This historical epic begins in prewar Poland, and leads the reader to the

United States through a span of four generations. *Bad Habits* Macmillan

David Rush takes beginning playwrights through the first draft of a play and deep into the revision process. Drawing on examples from such classics as Othello and The Glass Menagerie, Rush provides detailed models for writers to evaluate their work for weaknesses and focus on the in-depth development of their plays. Rush encourages writers to make sure their plays are clear and focused. He shows how to keep plays dramatically compelling and offers ways to avoid common mistakes that make them dull, confusing, or ineffective. He then distills the essence of traditional

revision into key
questions and discusses

frequently overlooked
