A Novel Penguin

The ties between women can run as deep as the ocean--but so can the secrets. For 20 years, Kayla, Antoinette and Val have performed their own special summer ritual. Once a year, the old friends put aside their daily, separate lives to drink champagne, swap stories and swim naked under the Nantucket stars. But on one of those bonding nights, one of their trio swims out from the shore and doesn't return. After the surviving friends emerge from their grief, they realize that the repercussions of their loss go far beyond their little circle, and they begin to uncover layers of secrets--and their connections to each other--that were never revealed on the beach. What has

made their friendship strong now has the power to destroy--their marriages, families, even themselves, in Elin Hilderbrand's Nantucket Nights.

So she travels home to fix up the house and sell it . . . never suspecting that Landon Reed still lives two doors down. As their long-dormant romance begins to bud again, Samantha must face a past that separated her from the God of her childhood. And she must tell Landon why she fled the island in the first place—a secret that could tear them apart. Is Landon's love really as unconditional as he claims? And will Samantha finally realize that the God she found all those years ago never abandoned her? A heart-tugging tale of shattered trust, growing faith, and love that endures . . . all in a romantic seaside setting.

"This is the 'redeemed' version of Redeeming Love, published by Bantam Books in 1991. The original edition is no longer available."--Title page verso.

Surrender Bay, The Convenient Groom, Seaside Letters Little, Brown

This book is a love letter to the artists, scenes, and sounds defining North Carolina's extraordinary contributions to American popular music. David Menconi spent three decades immersed in the state's music, where traditions run deep but the energy expands in countless directions. Menconi shows how working-class roots and rebellion tie North Carolina's Piedmont blues, jazz, and bluegrass to beach music, rock, hip-hop, and more. From mill towns and mountain coves to college-town clubs and the stage of American Idol, Blind Boy Fuller and Doc Watson to Nina Simone and Superchunk, Step It Up and Go celebrates homegrown music just as essential to the state as barbecue and basketball. Spanning a century of history from the dawn of recorded music to the present, and with sidebars and photos that help reveal the many-splendored glory of North Carolina's sonic landscape, this is a must-read for every music lover.

Since she'd been raising four children and hadn't worked in years, she had no employable skills. Her only option if she wanted to stay on the island near her loved ones, was to rent out her second floor rooms. And she's loving it so far. Lisa's first guest, restaurant owner Rhet Byrne quickly became a close friend and then something more. In her early fifties, it sounds strange to her to call him her boyfriend, but that's what he is. Her daughter Kristen, finally ended things with Sean, the separated man that no one in the family was excited about. It wasn't until she was beginning to move on, that he filed for divorce, and then begged her for another chance. So she gave him one, much to everyone's dismay. But then the cottage next door is sold, and she discovers who her new neighbor is. Chase, the only boy in the family, has never been serious about anyone before. But he's suddenly withdrawn and has been secretive about who he's seeing, which only makes everyone that much more curious. When they learn who it is, the concern grows as no one wants to see Chase hurt, again. Lisa's best friend, Paige, has a new neighbor too and it's one she is most decidedly not enthused about. Violet was one of the women who stood up at town meeting and protested against Lisa's inn being approved by the selectman. Because the house is right next door, Paige can't help but notice the steady stream of traffic. Violet seems to be very popular with a lot of people. The inn is doing well and bookings are up, but then one Friday night, a guest that prepaid for the weekend never shows up. And quite a few people, including the police, come asking questions.
