Paw Prints

Oh dear, it seems I was reincarnated into a modern otome game from a fantasy world! All I ever wanted was to be free of my responsibilities as a countess and I finally got my wish when I was reborn as a commoner in modern Japan.

Everything was going perfect, except it turns out this is the world of an otome game and some crazy girl who goes around calling herself the “heroine” is upset at me for stealing all her “events” with the “love interests”... Now she wants me to team up with her against the “villainess”. I’m supposedly just a random NPC, so why am I being dragged into this?!

NEW URBAN FANTASY. What Would You Give to be a Hero? Stephen Russ is a normal guy who finds himself caught up in a strange world of talking rats and elder gods—and the fate of the world rests on his shoulders! What Would You Give to be a Hero? Stephen Russ never expected to have to answer that question; he went to work, he stayed in his apartment, sometimes had friends over, and the worst thing he'd had to face was looking for a new job after losing his old one. But that was before a child's desperate scream led him into an alley filled with faceless winged things that almost killed him, before the strange white rat spoke to him, calling itself Silvertail Heartseeker and telling him that this was but the beginning, that the Stars were almost Right and the

forces of Azathoth Nine-Armed would soon be unleashed against the world... before Silvertail said that his courage and willingness to risk himself made him the perfect choice to be one of the defenders of the world against this evil. A defender named Princess Holy Aura, the first of the five Apocalypse Maidens. Now Steve understands the choice: not whether he is willing to die, but whether he is willing to live... by giving up "Stephen Russ" to become the one chance that the world has against the monstrous forces that wait on the other side of forever.
