For use in schools and libraries only. On the run from a powerful enemy in the wake of a monstrous betrayal, Marlow, Pan and the other Hellraisers are forced to consider terrible choices in order to prevent the annihilation of their world.

Execution Farrar, Straus and Giroux (BYR)
Furnace Penitentiary: the world's most secure prison for young offenders, buried a mile beneath the earth's surface. Convicted of a murder he didn't commit, sentenced to life without parole, "new fish" Alex Sawyer knows he has two choices: find a way out, or resign himself to a death behind bars, in the darkness at the bottom of the world. Except in

Furnace, death is the least of his worries. Soon Alex discovers that the prison is a place of pure evil, where inhuman creatures in gas masks stalk the corridors at night, where giants in black suits drag screaming inmates into the shadows, where deformed beasts can be heard howling from the blood-drenched tunnels below. And behind everything is the mysterious, all-powerful

warden, a man as cruel and dangerous as the devil himself, whose unthinkable acts have consequences that stretch far beyond the walls of the prison. Together with a bunch of inmates—some innocent kids who have been framed, others cold-blooded killers—Alex plans an escape. But as he starts to uncover the truth about Furnace's deeper, darker purpose, Alex's actions grow ever more dangerous, and he must risk everything to expose this nightmare that's hidden from the

eyes of the world.

Alan Wake Farrar, Straus and Giroux (BYR)

X-Men meets Marissa Meyer's *Renegades* when

New York Times bestselling author of the Uglies series Scott Westerfeld teams up with award-winning authors Margo Lanagan and Deborah Biancotti for this explosive trilogy filled with “cinematic nonstop action,” (Booklist) about six teens with unique abilities. Don’t call them heroes. But these six California teens have powers that set them apart. Take Ethan, a.k.a. Scam. He’s got a voice inside him that’ll say whatever you want to hear, whether it’s true or

not. Which is handy, except when it isn’t—like when the voice starts gabbing in the middle of a bank robbery. The only people who can help are the other Zeroes, who aren’t exactly best friends these days. Enter Nate, a.k.a. Bellwether, the group’s “glorious leader.” After Scam’s SOS, he pulls the scattered Zeroes back together. But when the rescue blows up in their faces, the Zeroes find themselves propelled into whirlwind encounters with ever more dangerous criminals. At the heart of

the chaos they find Kelsie, who can take a crowd in the palm of her hand and tame it or let it loose as she pleases. Filled with high-stakes action and drama, Zeroes unites three powerhouse authors for the opening installment of a thrilling new series.

S.A. Bodeen's The Compound is a 2009 Bank Street - Best Children's Book of the Year. Eli and his family have lived in the Compound for six years. The world they knew is gone. Eli's father built the Compound to keep them safe. Now, they can't get out. He won't let them.

Escape from Furnace 5
Tor Books

It is December 1944 and Europe is still gripped by war. In the densely forested mountains of Belgium one of the conflict's most brutal

battles is raging. Cut off from the front, a ragtag group of young British and American soldiers finds itself being hunted by a patrol of elite German Special Forces, including a newly commissioned officer called Kreuz—a teenage boy who will grow up to become Warden Cross (the fearsome prison director who will one day rule Furnace Penitentiary, the terrifying underground prison specially built for teen offenders). As both sides fight for their lives in the unforgiving terrain,

however, they start to realize that there are worse things hiding in the snow than soldiers. There are creatures out there with gas masks and piggy eyes (ancestors of Furnace prison's "wheezers")—demonic entities that cannot be killed by guns and grenades, monsters who do not care what uniforms their victims are wearing so long as they bleed, and so long as they scream . . . In the Woods HarperCollins Alex Sawyer has escaped his underground nightmare to discover that the whole world has become a horrible prison run by his nemesis, Alfred Furnace, and only Alex

can stop him, even if that makes him the executioner. *The Fury* Turtleback Books In this terrifying prequel novel to the New York Times bestselling Asylum series, a teen is wrongfully committed to the Brookline psychiatric hospital and must find a way out—before he becomes the next victim of the evil warden's experiments. With the page-turning suspense and unsettling found photographs from real asylums that led Publishers Weekly to call

Asylum “a strong YA debut,” *Escape from Asylum* is perfect for fans of *Miss Peregrine's Home for Peculiar Children*. The nightmare is just beginning. Ricky Desmond has been through this all before. If he could just get through to his mother, he could convince her that he doesn't belong at Brookline. From the man who thinks he can fly to the woman who killed her husband, the other patients are nothing like him; all he did was lose his temper just a little bit,

just the once. But when Ricky is selected by the sinister Warden Crawford for a very special program—a program that the warden claims will not cure him but perfect him—Ricky realizes that he may not be able to wait for his mom a second longer. With the help of a sympathetic nurse and a fellow patient, Ricky needs to escape now. Set long before Dan, Abby, and Jordan ever walked the hallways of the Brookline asylum—back when it was still a functioning psych ward

and not a dorm—*Escape from Asylum* is a mind-bending and scary installment in the *Asylum* series that can stand on its own for new readers or provide missing puzzle pieces for series fans. Don't miss Madeleine Roux's all-new gothic horror novel, *House of Furies*.

Ferals is the first book in a dark, action-packed trilogy that's part The Graveyard Book, part Batman, and all high-octane adventure. Blackstone was once a thriving metropolis. But that was before the Dark Summer—a wave of violence and crime that swept through the city eight years ago, orchestrated by the fearsome Spinning Man. Now the Spinning Man is on the move again, and a

boy named Caw is about to be caught in his web. Caw has never questioned his ability to communicate with crows. But as the threat of a new Dark Summer looms, Caw discovers the underground world of Blackstone's ferals—those with the power to control animals. Caw is one of them. And to save his city, he must quickly master abilities he never knew he had . . . and prepare to defeat a darkness he never could have imagined. Solitary Farrar, Straus and

Brown Books for Young
Readers

In this New York Times
bestselling sequel to Kerri
Maniscalco's haunting #1
debut *Stalking Jack the
Ripper*, bizarre murders
are discovered in the
castle of Prince Vlad the
Impaler, otherwise known
as Dracula. Could it be a
copycat killer . . . or has
the depraved prince been
brought back to life?
Following the grief and
horror of her discovery of

Jack the Ripper's true identity, Audrey Rose Wadsworth has no choice but to flee London and its memories. Together with the arrogant yet charming Thomas Cresswell, she journeys to the dark heart of Romania, home to one of Europe's best schools of forensic medicine . . . and to another notorious killer, Vlad the Impaler, whose thirst for blood became legend. But her life's dream is soon tainted by blood-soaked discoveries in the halls of the school's forbidding castle, and Audrey Rose is

compelled to investigate the strangely familiar murders. What she finds brings all her terrifying fears to life once again. **White Savage** Faber & Faber
From the author of *Fury*, *The Devil's Engine: Hellwalkers* concludes an explosive trilogy about the secret battle for control of an all-powerful ancient machine which can grant you anything you wish for, in exchange for your soul. In the third and final book of Alexander Gordon Smith's *Devil's Engine* series,

Marlow and Pan are in hell. Literally in hell. Faced with the awful truth of being trapped in the underworld for an eternity—of Pan being trapped—Marlow makes a final deal with the Devil, a deal to go home. But he should have known: there is no real escape from a fight with the ultimate enemy. And when all hell breaks loose, it will be a war to end all wars—with demonic creatures spilling into the streets, monsters emerging from the shadows. Only the Hellraisers stand in their

way, and they're not sure this is a battle they can win. They have no powers, they have no weapons. But they have each other, and they have hope, and they know how to kick ass.

Death Sentence Square Fish
New York Times
bestselling author Carrie Jones teams up with acclaimed cowriter Steven Wedel in the supernatural mystery, *In the Woods...* It should have been just another quiet night on the farm when Logan witnessed the attack, but

it wasn't. Something is in the woods. Something unexplainable. Something deadly. Hundreds of miles away, Chrystal's plans for summer in Manhattan are abruptly upended when her dad reads tabloid coverage of some kind of grisly incident in Oklahoma. When they arrive to investigate, they find a witness: a surprisingly good-looking farm boy. As townsfolk start disappearing and the attacks get ever closer, Logan and Chrystal will have to find out the truth about whatever's hiding

in the woods...before they become targets themselves. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
The Devil's Engine: Hellfighters Farrar, Straus and Giroux (BYR)
When a sixteen-year-old troublemaker named Marlow Green is trapped in a surreal firefight against nightmarish creatures in the middle of his New York City neighborhood, he unwittingly finds himself

amid a squad of secret soldiers dedicated to battling the legions of the devil himself. Powering this army of young misfits is an ancient machine from the darkest parts of history. Known as the devil's engine, it can make any wish come true- as long as you are willing

to put your life on the line. Promised powers beyond belief, and facing monstrous apparitions straight out of the netherworld, Marlow must decide if he's going to submit to a demonic deal with the infernal machine that will enable him to join

the crusade-if it doesn't kill him first. From the author of the Escape from Furnace series, here is the opening salvo in an explosive new horror trilogy about an ordinary American kid caught up in an invisible war against the very worst enemy imaginable.
