PlayGirls Will Be Boys

A massive collection of never-before-collected pre-Comics Code horror comics of the 1950s. Yet before the watchdog groups and Congress could intercede, horror books were flying off the newsstands. During its peak period (1951-54) over fifty titles appeared each month. Apparently there was something perversely irresistible about these graphic excursions into our dark side, and Four Color Fear collects the finest of these into a single robust volume.
