## MUHAMMAD BUCKLEY

---

*The Official Autobiography* Little, Brown  
 Iconic bassist and co-founder of the immortal Red Hot Chili Peppers finally tells his fascinating life story, complete with all the dizzying highs and the gutter lows you'd expect from an LA street rat turned world-famous rock star.

*Losing It* HarperCollins

For the first time, rock music icon Gregg Allman, one of the founding members of The Allman Brothers Band, tells the full story of his life and career in *My Cross to Bear*. No subject is taboo, as one of the true giants of rock 'n' roll opens up about his Georgia youth, his long struggle with substance abuse, his string of bad marriages (including his brief union with superstar Cher), the tragic death of

brother Duane Allman, and life on the road in one of rock's most legendary bands.

*Anne Frank* HarperCollins

The first definitive biography of the ultimate American rock band How did a pair of little Dutch boys trained in classical music grow up to become the nucleus of the most popular heavy metal band of all time? What's the secret behind Eddie Van Halen's incredible fast and furious guitar solos? What makes David Lee Roth and Sammy Hagar so wacky? And, are all those stories about groupies, booze bashes, and contract riders true? The naked truth is laid bare in *Everybody Wants Some--the real-life story of a rock 'n' roll fantasy come true*.

*And Finally Satisfying My Hunger for Life* Bloomsbury Publishing

A New York Times bestseller from the yoga instructor who inspires more than one million followers on Instagram every day.

Whether she's practicing handstands on her stand-up paddleboard or teaching Downward-Facing Dog to the masses, Rachel Brathen—Instagram's @Yoga\_Girl—has made it her mission to share inspirational messages with people from all corners of the world. In *Yoga Girl*, Brathen takes readers beyond her Instagram feed and shares her journey like never before—from her self-destructive teenage years in her hometown in Sweden to her adventures in the jungles of Costa Rica, and finally to the beautiful and bohemian life she's built through yoga and meditation in Aruba today. Featuring spectacular photos of Brathen practicing yoga with breathtaking tropical backdrops, along with step-by-step yoga sequences and simple recipes for a healthy, happy, and fearless lifestyle—*Yoga Girl* is like an armchair vacation to a Caribbean spa. *My Life* Simon and Schuster

What will your 100-year life look like? Does the thought of working for 60 or 70 years fill you with dread? Or can you see the potential for a more stimulating future as a result of having so much extra time? Many of us have been raised on the traditional notion of a three-stage approach to our working lives: education, followed by work and then retirement. But this well-established pathway is already beginning to collapse – life expectancy is rising, final-salary pensions are vanishing, and increasing numbers of people are juggling multiple careers. Whether you are 18, 45 or 60, you will need to do things very differently from previous generations and learn to structure your life in completely new ways. The 100-Year Life is here to help. Drawing on the unique pairing of their experience in psychology and economics, Lynda Gratton and Andrew Scott offer a broad-ranging analysis as well as a raft of solutions, showing how to rethink your finances, your education, your career and your relationships and create a fulfilling 100-year life. · How can you fashion a career and life path that defines you and your values and creates a shifting balance between work and leisure? · What are the most effective ways of boosting your physical and mental health over a longer and more dynamic lifespan? · How can you make the most of your intangible assets – such as family and friends – as you build a productive, longer life? · In a multiple-stage life how can you learn to make the transitions that will be so crucial and experiment with new ways of living, working and learning? Shortlisted for the FT/McKinsey Business Book of the Year Award, *The 100-Year Life* is a wake-up call that describes what to expect and considers the choices and options that you will face. It is also fundamentally a call to action for individuals, politicians, firms and governments and offers the clearest demonstration that a 100-year life can be a wonderful and inspiring one.

*Red Roulette* Vintage/Ebury (a Division of Random

Abridged version of a Jewish girl's record of how her family hid from Nazi occupiers in World War II Holland.

Chronicle Books

A lifetime of letters, collected for the first time, from the legendary musician and songwriter. John Lennon was one of the greatest songwriters the world has ever known, creator of "Help!", "Come Together", "Lucy in the Sky with Diamonds", "Strawberry Fields Forever", "Imagine", and dozens more. But it was in his correspondences that he let his personality and poetry flow unguarded. Now, gathered for the first time in book

form, are his letters to family, friends, strangers, and lovers from every point in his life. Funny, informative, wise, poetic, and sometimes heartbreaking, his letters illuminate a never-before-seen intimate side of the private genius. This groundbreaking collection of almost 300 letters and postcards has been edited and annotated by Hunter Davies, whose authorized biography *The Beatles* (1968) was published to great acclaim. With unparalleled knowledge of Lennon and his contemporaries, Davies reads between the lines of the artist's words, contextualizing them in Lennon's life and using them to reveal the man himself.

*My Uncensored Life in Rock* Hachette Books

'I was saying things in songs that female singers didn't really say back then. I wasn't submissive or begging him to come back, I was kicking his ass, kicking him out, kicking my own ass too. My Blondie character was an inflatable doll but with a dark, provocative, aggressive side. I was playing it up, yet I was very serious.'

*BRAVE, BEAUTIFUL AND BORN TO BE PUNK* DEBBIE HARRY is a musician, actor, activist and the iconic face of New York City cool. As the front-woman of Blondie, she and the band forged a new sound that brought together the worlds of rock, punk, disco, reggae and hip-hop to create some of the most beloved pop songs of all time. As a muse, she collaborated with some of the boldest artists of the past four decades. The scope of Debbie Harry's impact on our culture has been matched only by her reticence to reveal her rich inner life - until now. In an arresting mix of visceral, soulful storytelling and stunning visuals that includes never-before-seen photographs, bespoke illustrations and fan art installations, *Face It* upends the standard music memoir while delivering a truly prismatic portrait. With all the grit, grime, and glory recounted in intimate detail, *Face It* recreates the downtown scene of 1970s New York City, where Blondie played alongside the Ramones, Television, Talking Heads, Iggy Pop and David Bowie. Following her path from glorious commercial success to heroin addiction, the near-death of partner Chris Stein, a heart-wrenching bankruptcy, and Blondie's break-up as a band to her multifaceted acting career in more than thirty films, a stunning solo career and the triumphant return of her band, and her tireless advocacy for the environment and LGBTQ rights, *Face It* is a cinematic story of a woman who made her own path, and set the standard for a generation of artists who followed in her footsteps - a memoir as dynamic as its subject. g mix of

*A Visual History: 1978 - 1984* Hachette Books

A tell-all memoir from the lead singer of the 1980s hair-metal band Ratt reveals all the aspects of rock star excess, including the groupies, the trashed hotel rooms, and the drugs.

*Anger is an Energy: My Life Uncensored* Wiley

The manager who shepherded Van Halen from obscurity to rock stardom goes behind the scenes to tell the complete, unadulterated story of David Lee Roth, Eddie Van Halen, and the legendary band that changed rock music. Van Halen's rise in the 1980s was one of the most thrilling the music world had ever seen—their mythos an epic party, a sweaty, sexy, never-ending rock extravaganza. During this unparalleled run of success, debauchery, and drama, no one was closer to the band than Noel Monk. A man who'd worked with some of rock's biggest and most notorious names, Monk spent seven years with Van Halen, serving first as their tour manager then as their personal manager until 1985, when both he and David Lee Roth exited as controversy, backstabbing, and disappointment consumed the band. Throughout Van Halen's meteoric rise and abrupt halt, this confidant, fixer, friend, and promoter saw it all and lived to tell. Now, for the first time, he shares the most outrageous escapades—from their coming of age to their most shocking behavior on the road; from Eddie's courtship and high profile wedding to Valerie Bertinelli to the incredible drug use which would ultimately

lead to everyone's demise. Sharing never-before-told stories, Monk paints a compelling portrait of Eddie Van Halen, bringing into focus the unique combination of talent, vision, hardship, and naiveté that shaped one of the greatest rock guitarists of all time—and made him and his brother vulnerable to the trappings and failings of fame. Illustrated with dozens of rare photographs from Monk's vaults, *Runnin' with the Devil* is manna from rock heaven no Van Halen fan can miss.

#### **No Regrets** Simon and Schuster

A vivid and energetic history of Van Halen's legendary early years After years of playing gigs everywhere from suburban backyards to dive bars, Van Halen — led by frontman extraordinaire David Lee Roth and guitar virtuoso Edward Van Halen — had the songs, the swagger, and the talent to turn the rock world on its ear. The quartet's classic 1978 debut, *Van Halen*, sold more than a million copies within months of release and rocketed the band to the stratosphere of rock success. On tour, Van Halen's high-energy show wowed audiences and prompted headlining acts like Black Sabbath to concede that they'd been blown off the stage. By the year's end, Van Halen had established themselves as superstars and reinvigorated heavy metal in the process. Based on more than 230 original interviews — including with former Van Halen bassist Michael Anthony and power players like Pete Angelus, Marshall Berle, Donn Landee, Ted Templeman, and Neil Zlozower — *Van Halen Rising* reveals the untold story of how these rock legends made the unlikely journey from Pasadena, California, to the worldwide stage.

#### **Are We Having Any Fun Yet?** Flatiron Books

New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. When Jewel's first album, *Pieces of You*, topped the charts in 1995, her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic

talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In *Never Broken* she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs.

#### **A Hippie Dream** Constable

'I WAS THERE WITH THESE TWO GIRLS ONCE; THEY WERE STRIPPERS. THEY SAID 'DAVE, WE'D LIKE YOU TO GO UPSTAIRS, THE TWO OF US, WITH YOU. ' SO I SAID, 'OKAY'. IT WAS ANGUS, AND IT WAS HOT AND SWEATY AND HUMID, AND WE COMMENCED TO DELIVER THE GROCERIES AT 138 BEATS PER MINUTE OR MORE. ONE OF THE GIRLS HAD \$1500 IN SINGLES AND FIVES AND TENS, HER END-OF-THE-WEEK TIPS AND PAY AND EVERYTHING IN HER G-STRING. NOBODY NOTICED, YOU KNOW, WHEN THE G-STRING CAME UNDONE -- WELL, I NOTICED -- NOBODY NOTICED THE MONEY, LIKE, FLOATING AROUND. I WOKE UP AT SOME POINT AROUND DAWN, THE TWO OF THEM WERE ASLEEP, AND ALL THREE OF US WERE COVERED WITH MONEY, EVERY SQUARE INCH OF SKIN HAD A DOLLAR BILL PASTED TO IT -- THERE WAS NOTHING BUT. THE WHOLE BED WAS COVERED WITH BILLS. OUR BODIES WERE COVERED WITH BILLS. THERE WAS BILLS IN MY UNDERWEAR. TAKE A LITTLE PICTURE OF THAT. ' So begins perhaps the ultimate rock autobiography. Throughout the late-seventies and eighties Van Halen were the archetypal American rock group. Whats

more they were also the highest paid band in the history of show business, taking a cool \$1 million for a night's work at a festival in 1983 and making the Guinness Book of Records.

#### **Born to Run** Simon and Schuster

Souta Takatsuki and his neighbor Rikka Amanome have been like brother and sister since they were kids, but his feelings for her run much deeper. With her birthday coming up, he wants to find the perfect gift, which presents itself in the form of a book from a mysterious shop he happens across. The owner doesn't even charge him, saying he'll return to pay eventually...Souta is wholly unprepared for the insatiable passion the book inspires in Rikka, and it seems the ultimate price of this gift may be hefty indeed...

#### **Waging Heavy Peace** Penguin

From their eponymous 1978 debut through their colossal 1984 album (they've sold over 75 million albums worldwide), Van Halen rewrote all the rules. Nobody rockedor partiedharder. Photographer Neil Zlozower first met the band in 1978, worked with them again on *Van Halen II*, and soon became their friend, hanging out in L.A. and hitting the road on tour with them. *Van Halen* collects more than 250 backstage, candid, and full rock-out photos of the all-powerful, spandexed, high-kicking, guitar blazing, stadium-shaking, original Van Halen lineup. Accompanying Zlozower's amazing photos are an introduction about his wild ride with VH, a foreword by David Lee Roth, and testimony from the rock pantheon paying homage to the band, including members of Led Zeppelin, Guns N' Roses, Def Leppard, Judas Priest, KISS, Motley Cre, and more. Turn it up!

#### **Too Fat to Fish** Da Capo Press

Born into a regular Bronx family, and inspired by the likes of Hendrix, Led Zepellin, and the Kinks, Ace Frehley first picked up his brother's guitar at the age of 12. He had already performed in a number of bands when, in January 1973, he auditioned for an ad that read: "Guitarist wanted with flash and balls." Within a week he was invited to join - the band was KISS. Frehley explains how the band developed their style in the early days, making their own clothes, wearing make-up and platform shoes. Ace himself even designed the band's double lightning bolt logo. Before long his persona "the Spaceman" was born and the familiar KISS look established - almost overnight they left behind 1,500 seater theatres in the Midwest and were playing sold-out stadiums around the world. Life in KISS was a whirlwind of accidents, overdoses and excess. Ace partied with the likes of

John Belushi and Nic Nolte and enjoyed the seemingly endless supply of fringe benefits that came from being in one of the most successful bands in the history of rock 'n' roll. But soon problems with substance abuse would lead to his leaving the band in 1982, before returning for a second tenure in 1996. *Ace in the Hole* is the story of KISS but much more than that - it's the story of a kid from the Bronx who found purpose and salvation through music and rose to the top. It's the story of a guy who lived life to the fullest and almost forfeited his life as a result. And ultimately it's a survival story - Ace is alive and kicking, still making music and influencing a new generation of guitarists. [My Cross to Bear](#) Harper Collins Loud rock, fast cars, and Cabo. This is the life of Sammy Hagar. For almost forty years, Sammy Hagar has been a fixture in rock music. From breaking into the industry with the band Montrose to his multiplatinum solo career to his ride as the front man of Van Halen, Sammy's powerful and unforgettable voice has set the tone for some of the greatest rock anthems ever written—songs like "I Can't Drive 55," "Right Now," and "Why Can't This Be Love." In *Red*, Sammy tells the outrageous story of his tear through rock 'n' roll, detailing the backstage antics and nonstop touring that have made his voice instantly recognizable. Beginning with his musical coming-of-age in the blue-collar towns of California, Sammy traces his rough and determined rise to fame, working harder than anyone else out there and writing songs about the things he loved—fast cars, loud parties, and lots of good times. But solo success was just the start, a prelude to his raucous and notorious decade as the front man for Van Halen, one of the biggest-selling rock groups in history. Filled with behind-the-scenes stories from his time with the band, *Red* offers the Van Halen story as Sammy saw it, holding nothing back about the worldwide stadium tours, the tensions with Eddie, the messy parties, the divided friendships, and, of course, his controversial and widely disputed exit from the band. After Van Halen, Sammy changed directions again, throwing himself

headfirst into the tequila business and creating Cabo Wabo, one of the most successful tequila brands in the world. And all the while he continued to rock, touring the country with his bands the Waboritas and Chickenfoot, and eventually reuniting with Van Halen for a tour that became both a box-office smash and a personal catastrophe. From the decadence of being one of the world's biggest rock stars to the unfiltered story of being forced out of Van Halen, Sammy's account spares no one, least of all himself. His is a tale of a true rock 'n' roller—someone who's spent decades bringing the party with him wherever he goes but always headin' back to Cabo for mas tequila.

[My Life in Rock](#) Grand Central Publishing Now in paperback, the national bestselling biography of American musical icon Jimi Hendrix It has been more than thirty-five years since Jimi Hendrix died, but his music and spirit are still very much alive for his fans everywhere. Charles R. Cross vividly recounts the life of Hendrix, from his difficult childhood and adolescence in Seattle through his incredible rise to celebrity in London's swinging sixties. It is the story of an outrageous life—with legendary tales of sex, drugs, and excess—while it also reveals a man who struggled to accept his role as idol and who privately craved the kind of normal family life he never had. Using never-before-seen documents and private letters, and based on hundreds of interviews with those who knew Hendrix—many of whom had never before agreed to be interviewed—*Room Full of Mirrors* unlocks the vast mystery of one of music's most enduring legends.

**Red** Simon and Schuster

In 2008, Valerie Bertinelli's #1 bestseller, *Losing It*, connected with fans of multiple generations and spent a remarkable 8 weeks on the New York Times Bestseller list. Now in paperback *Finding It* shares Valerie's conflicted, humorous, and highly personal tale of her continuing search for answers to life's big questions. Welcome back to chez Bertinelli, where life is as crazy and comical as ever. In revealing talks with her longtime boyfriend, Tom, Valerie gets even more personal about her

inner worries: her maternal anxieties about her son, Wolfie (he's fallen in love and, as she writes, "getting your sex talk from Eddie Van Halen wasn't recommended in any of the parenting books I read"); the challenges of dealing with a blended family; her mother's own new diet adventure; and a craving for a deeper relationship with a Higher Power ("I have experienced days of inner peace and connectedness with a larger spirit—twice," she writes. "Why not more often?"). And as if these everyday challenges weren't enough, Valerie is working to maintain her own very public weight loss and approaching her fiftieth birthday. This is the story of what happens after you change your life. And it's not all peaches and cream, or even low-fat yogurt. This inspiring memoir, from the beloved actress and author of the bestseller *Losing It*, is an optimistic story for trying times. Warm and friendly, honest and self-aware—with the same winning wit and candor that touched a generation of fans in *Losing It—Finding It* is about working on all the reasons we gain weight in the first place so that it doesn't happen again. It's about becoming better, not just thinner. And it's about believing in love and happiness, having faith that both are possible, and finding out that God does want you to enjoy life's desserts—even when you're on a diet. [Finding It](#) Red My Uncensored Life in Rock "Steven Tyler is one of the giants of American music, who's been influential for a whole generation of Rock 'n' Roll fans around the world. Long May He Rock!" —Sir Paul McCartney *Does the Noise in My Head Bother You?* is the rock memoir to end all rock memoirs—the straight-up, no-holds-barred life of Grammy Award-winning, Rock 'n' Roll Hall of Fame inductee, and all around superstar legend Steven Tyler, lead singer of Aerosmith (and celebrity judge on *American Idol*). This is it—"the unbridled truth, the in-your-face, up-close and prodigious tale of Steven Tyler straight from the horse's lips"—as Tyler tells all, from the early years through the glory days, "All the unexpurgated, brain-jangling tales of debauchery, sex & drugs. and transcendence you will ever want to hear."
