How to Fall in Love with Anyone Simon and Schuster

Take a Moment to Listen: Come gentle child, come rest in my heart—for I am here deep within your own. If you can still yourself just for a moment, you can hear me whisper your name. You can hear me whisper the depth of my eternal love for you, in this moment and always. Let me quiet your frightened mind, and hold your

unsettled heart—for I will give you peace, the very moment you ask. Let me fill your heart with my love, and wrap my arms around you in absolute tenderness and grace. In that moment you will know with certainty that I am forever with you. Love, God This book is an invitation to God's loving presence. It is an invitation to deepen your relationship with God. It includes a quote from a spiritual leader, commentary, a Bible quote, and a guided meditation. It also includes a moment to fully imagine God speaking directly to your own heart. This gives you an invitation to

learn to turn to his love and presence throughout the day and into the evening. As you open your heart you will learn again and again that God is there with you. You are never alone.

The Greatest Historical Romance Novels of All Time Turtleback

The most ambitious work of fiction by a writer widely considered the most important novelist working in China today In this darkly comic novel, a group of women inhabits a world of constant surveillance, where informants lurk in the flowerbeds and false reports fly.

Conspiracies abound in a community that normalizes paranoia and suspicion. Some try to flee—whether to a mysterious gambling bordello or to ancestral homes that can only be reached underground through muddy caves, sewers, and tunnels. Others seek out the refuge of Nest County, where traditional Chinese herbal medicines can reshape or psychologically transport the self. Each life is circumscribed by buried secrets and transcendent delusions. Can Xue's masterful love stories for the new millennium trace love's many guises—satirical, tragic, transient, lasting, nebulous, and fulfilling—against a kaleidoscopic backdrop drawn from East and West of commerce and industry, fraud and exploitation, sex and romance.

I Love You, However! e-artnow

New York Times bestselling author Karen Rose delivers her latest pulse-pounding suspense novel, where the line between the virtual world and everyday reality blurs when it comes to murder. Eve Wilson's face was once scarred by a vicious assault. Terrified and ashamed, she escaped to the online realm, where she could choose the face she allowed

people to see. Years later, her outer scars faded and inner scars buried, Eve has fought her way back to the real world and is determined to help others do the same. Now a graduate student moonlighting as a bartender, Eve researches the addictive powers of online communities. When her test subjects begin turning up dead as a result of apparent suicides, she doesn't know where to turn. Homicide detective Noah Webster is one of the few people who believe the victims are connected murders. Eve becomes Noah's online guide and realizes that the handsome detective may have secret scars as painful as her own. As Eve and Noah chase a killer who is always one step ahead of them, together they try to overcome the tragedies of their pasts and learn to trust again, but they soon discover that danger is much closer than they think.

[MacLarens of Fire Mountain Historical Western Romance Series Books 1 - 3](#)
Simon and Schuster

A time long ago, on the planet of Boldly, a race was on the verge of extinction with little hope left to find a way to stop it. The leader and his scientist tried taking DNA from other species on the planet to create

a new life form. A new life they did create, yet it was not acceptable. The scientist told the leader, A female we must have. This statement brought many questions as to how or where. The only females on the planet were infertile. As they sat and pondered as to how they would come about such females, an idea occurred. Lets build a ship, said the scientist, to carry us to other worlds in search of a female.

Tougher than the Rest - Book One
MacLarens of Fire Mountain Historical Western Romance Series "A passionate, fast-paced story set in the untamed western frontier by an exciting new voice in historical romance." Niall MacLaren is the oldest of four brothers, and the undisputed leader of the family. A widower, and single father, his focus is on building the MacLaren ranch into the largest and most successful in northern Arizona. He is serious about two things—his responsibility to the family and his future marriage to the wealthy, well-connected widow who will secure his place in the territory's destiny. Katherine is determined to live the life she's dreamed about. With a job waiting for her in the

growing town of Los Angeles, California, the young teacher from Philadelphia begins a journey across the United States with only a couple of trunks and her spinster companion. Life is perfect for this adventurous, beautiful young woman, until an accident throws her into the arms of the one man who can destroy it all. Fighting his growing attraction and strong desire for the beautiful stranger, Niall is more determined than ever to push emotions aside to focus on his goals of wealth and political gain. But looking into the clear, blue eyes of the woman who could ruin everything, Niall discovers he will have to harden his heart and be tougher than he's ever been in his life...Tougher than the Rest. Faster than the Rest - Book Two MacLarens of Fire Mountain Historical Western Romance Series "Headstrong, brash, confident, and complex, the MacLarens of Fire Mountain will captivate you with strong characters set in the wild and rugged western frontier." Handsome, ruthless, young U.S. Marshal Jamie MacLaren had lost everything—his parents, his family connections, and his childhood sweetheart—but now he's back in Fire

Mountain and ready for another chance. Just as he successfully reconnects with his family and starts to rebuild his life, he gets the unexpected and unwanted assignment of rescuing the woman who broke his heart. Beautiful, wealthy Victoria Wicklin chose money and power over love, but is now fighting for her life—or is she? Who has she become in the seven years since she left Fire Mountain to take up her life in San Francisco? Is she really as innocent as she says? Marshal MacLaren struggles to learn the truth and do his job, but the past and present lead him in different directions as his heart and brain wage battle. Is Victoria a victim or a villain? Is life offering him another chance, or just another heartbreak? As Jamie and Victoria struggle to uncover past secrets and come to grips with their shared passion, another danger arises. A life-altering danger that is out of their control and threatens to destroy any chance for a shared future. Harder than the Rest - Book Three MacLarens of Fire Mountain Historical Western Romance Series "They are men you want on your side. Hard, confident, and loyal, the MacLarens of Fire Mountain will seize your attention from the first

page." Will MacLaren is a hardened, plain-speaking bounty hunter. His life centers on finding men guilty of horrendous crimes and making sure justice is done. There is no place in his world for the carefree attitude he carried years before when a tragic event destroyed his dreams. Amanda is the daughter of a successful Colorado rancher. Determined and proud, she works hard to prove she is as capable as any man and worthy to be her father's heir. When a stranger arrives, her independent nature collides with the strong pull toward the handsome ranch hand. But is he what he seems and could his secrets endanger her as well as her family? The last thing Will needs is to feel passion for another woman. But Amanda elicits feelings he thought were long buried. Can Will's desire for her change him? Or will the vengeance he seeks against the one man he wants to destroy—a dangerous opponent without a conscience—continue to control his life? Letters to My Wife, A WWII Love Story

Simon & Schuster Books for Young Readers

A chance encounter between two lonely women leads to a passionate romance in this lesbian cult classic. Therese, a struggling young sales clerk, and Carol, a homemaker in the midst of a bitter divorce, abandon their oppressive daily routines for the freedom of the open road, where their love can blossom. But their newly discovered bliss is shattered when Carol is forced to choose between her child and her lover. Author Patricia Highsmith is best known for her psychological thrillers *Strangers on a Train* and *The Talented Mr. Ripley*. Originally published in 1952 under a pseudonym, *The Price of Salt* was heralded as "the novel of a love society forbids." Highsmith's sensitive treatment of fully realized characters who defy stereotypes about homosexuality marks a departure from previous lesbian pulp fiction. Erotic, eloquent, and suspenseful, this story offers an honest look at the necessity of being true to one's nature. The book is also the basis of the acclaimed 2015 film

Carol, starring Cate Blanchett and Rooney Mara.

"Good night. See you tomorrow. I love you." My five-year-old son would get out of bed several times a night and say this to us. My husband and I started saying it to each other up until the night he passed away. I had the quote put on his grave stone. It was also read at the funeral. It is like going to sleep and one day seeing your loved ones again.

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more

unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

See You Yesterday FriesenPress

See Me, See Me Not is a gripping romantic thriller where childhood crush turns into a poignant teenage love story, all the while grappling with the haunting legacy of a

cult and the search for the long-lost Mellie. One-click the second standalone novel in the hit YA romantic suspense "Fear and Love in Gavert City" series and immerse yourself in a thrilling book involving a mysterious cult, a missing person, and two teens grappling with their pasts while danger closes in around them. Six years ago, Tessa Gardner's sister, Mellie, disappeared. Despite lingering guilt and the never ending desire to find her, seventeen-year-old Tessa works hard to keep it together. She's managing—just barely—to keep her grades up, and her part-time job helps with the bills. But when her childhood crush, Luke Simon, comes back to their small Texan town, Tessa's precariously balanced life threatens to shatter. Luke Simon, a shadow from her past, carries dark secrets of his own. Despite the warnings of a dubious psychic who insists Mellie is alive, Tessa is drawn to him. He offers understanding, shared smiles, and a connection she can't resist. Haunted by guilt and desperate to escape his past, Luke finds fleeting solace in meaningless flings. But Tessa isn't just another girl. Her kindness, resilience, and captivating smile make her the only girl

who's ever truly mattered to him. Yet, Luke fears the truth of his past might send Tessa running—or worse. As Tessa and Luke struggle to live in the present, their pasts lurk in the shadows—more intertwined than they ever realized. They must confront their shared history before it's too late to save Mellie and themselves. Embark on this captivating journey of "Love and Fear in Gavert City," perfect for fans of engrossing mysteries and powerful romances. With secrets that are more dangerous than present threats, this suspenseful romance explores the depths of guilt, the desperation of hope, and the relentless grip of the past. Don't miss the gripping second installment of the "Love and Fear in Gavert City" series—a tale of overcoming trauma in a small-town mystery setting. A note from the author, Elodie Nowodazkij: This book, oh this book, broke my heart in more ways than one. Researching cults, reading about ways cults operate and the devastation they cause, really opened my eyes to a world I hadn't fully understood before. It added an unexpected depth to "See Me, See Me Not," and it allowed me to delve into characters who had endured profound

hardship. Tessa and Luke, ah, these characters. I fell head over heels for their resilient spirits and their captivating stories. The intricate childhood bond they shared, one that blossomed into a complex and intense teenage love, was fascinating to write. I was invested in their struggles, their triumphs, and most importantly, their unwavering support for each other in the face of overwhelming adversity. As they unravel the web of secrets surrounding Mellie's disappearance and navigate their feelings for each other, they grapple with the shadows of their past—a past marked by trauma, guilt, and the lingering effects of the cult. I wanted to capture not just the suspense of the unfolding mystery, but also the resilience of the human spirit, the complexities of small-town life, and the enduring power of love. I sincerely hope that as you dive into "See Me, See Me Not" and explore Tessa and Luke's journey, you'll find yourself as invested in their story as I was writing them. This YA romantic suspense novel is much more than a gripping cult mystery—it's a testament to the strength of love and friendship in the face of unthinkable

adversity. For fans of thrilling YA romantic suspense, tales of overcoming trauma, captivating childhood crush stories, and engaging small-town mysteries, "See Me, See Me Not" holds a special place. Enjoy the emotional rollercoaster, uncover the hidden secrets, and lose yourself in a world where love and fear intermingle, shaping the lives of Tessa, Luke, and everyone in Gavert City. Remember, each story we share and each book we read brings us a little closer to understanding the world and each other. Enjoy the ride. With all my love, Elodie Nowodazkij. How hard can love be? Random House New York Times Bestseller "There is no writer quite like Dolly Alderton working today and very soon the world will know it." —Lisa Taddeo, author of #1 New York Times bestseller *Three Women* "Dolly Alderton has always been a sparkling Roman candle of talent. She is funny, smart, and explosively engaged in the wonders and weirdness of the world. But what makes this memoir more than mere entertainment is the mature and sophisticated evolution that Alderton describes in these pages. It's a beautifully told journey and a thoughtful, important book. I loved it." —Elizabeth Gilbert, New York Times bestselling author of *Eat, Pray, Love* and *City of Girls* The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate friendships, jobs, loss, and love along the ride When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly

Alderton has seen and tried it all. In her memoir, she vividly recounts falling in love, finding a job, getting drunk, getting dumped, realizing that Ivan from the corner shop might just be the only reliable man in her life, and that absolutely no one can ever compare to her best girlfriends. *Everything I Know About Love* is about bad dates, good friends and—above all else—realizing that you are enough. Glittering with wit and insight, heart and humor, Dolly Alderton's unforgettable debut weaves together personal stories, satirical observations, a series of lists, recipes, and other vignettes that will strike a chord of recognition with women of every age—making you want to pick up the phone and tell your best friends all about it. Like *Bridget Jones' Diary* but all true, *Everything I Know About Love* is about the struggles of early adulthood in all its terrifying and hopeful uncertainty.

Dangerous Liaisons is the story of the Marquise de Merteuil and the Vicomte de Valmont, two narcissistic rivals (and ex-lovers) who use seduction as a weapon to

socially control and exploit others, all the while enjoying their cruel games and boasting about their manipulative talents. It has been seen as depicting the decadence of the French aristocracy shortly before the French Revolution, thereby exposing the perversions of the so-called Ancien Régime.
