Inner Traditions
The first and only Druidic book of spells, rituals, and practice. The *Druid Magic Handbook* is the first manual of magical practice in Druidry, one of the fastest growing

branches of the Pagan movement. The book breaks new ground, teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition. What sets *The Druid Magic Handbook* apart is that it does not require the reader to use a particular pantheon or set of symbols. Although it presents one drawn

from Welsh Druid tradition, it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them. This cutting edge system of ritual magic can be used by Druids, Pagans, Christians, and Thelemites alike! This is the first manual of Druidic magical practice ever, replete with spell work and rituals.

The movement that rose out of this effort played a central role in struggles for cultural identity in most of the Celtic nations of Europe, provided

inspiration to such world-class creative talents as William Blake and Frank Lloyd Wright, and inspired an innovative tradition of Western nature spirituality that remains active to this day. The *Druid Revival Reader* provides the first collection of original writings from that movement. Its selections, beginning with William Stukeley's survey of Druid theology from 1743 and ending with Ross Nichols' 1947 essay "An Examination of Creative Myth," cover two

centuries in the life of an evolving tradition. Edited and introduced by contemporary Druid John Michael Greer, *The Druid Revival Reader* is essential for understanding the sources of modern Druid and Pagan traditions, and offers a wealth of insights relevant to the ecological and spiritual crises of our own time.

Weiser Books
 Acclaimed author and Archdruid John Michael Greer provides an in-depth beginner's guide to Druidry--a modern tradition of nature spirituality with ancient roots in Celtic traditions. Although we know little about the ancient Druids, their reputation for wisdom and harmony with nature lives on. Today, Druidry is a vibrant, diverse movement with

groups and practitioners on every continent but Antarctica. Spiritual rather than religious--more an attitude than an ideology--it can be embraced by people from different faiths and backgrounds. Archdruid John Michael Greer explores the history and basics of Druidry; how to perform Druidic rituals, meditation, and divination; elements of the lifestyle; and advice for placing less of a burden on the Earth. Includes a simple self-initiation ritual for starting on the Druid path, as well

as exercises to help you tap into the elements and learn to pay attention to the natural world.

A Complete Guide for the Solitary Seeker

Citadel Press

This book sets out to examine the wider concept of magic and mythology being utilised as an early form of social psychoanalysis by the druids, and how magic theory and occult symbolism developed from this. How this evolution of ritual magic eventually made its way into folklore, witchcraft

and freemasonry. From the proto-shamanic world of the megalith builders, to the lost civilisations of the Atlantic fringe, along with the continual changes and challenges to the human experience in the face of traumatic cultural upheaval, the druids and their legacy have played a far more influential role than has been previously acknowledged. The *Druid Code: Magic, Megaliths and Mythology* utilises folklore connected to sacred sites, developing a bidirectional conduit back

through time, to reveal what took place in 2500BC. A shift in human consciousness that made humans what we are today. From Atlantis to alchemy, you will never see history and mythology in the same way again.

Now you can get the collection of rituals and wisdom that has helped start thousands of people on a Pagan path for over thirty-five years? *Magical Rites from the Crystal Well* by Ed Fitch. "The

Crystal Well" was a small magazine that was published at a time when little information was available on Wicca, Witchcraft, and Paganism. Because of this, the rituals from that magazine circulated far and wide. Today, decades later, they are still popular. Why? Because they're some of the most beautiful, magical, and lyrical rituals ever written. These wonderful rituals have been collected in a beautifully illustrated book. Among the many rituals and techniques

you'll find in Magical Rites from the Crystal Well are:

- Rites for all of the seasons, including Midsummer, Lammas, Winter, and more.
- The Rite of Calling Down the Moon
- The Ceremony of Cakes and Wine
- The Feast of the Full Moon
- Storm Magic
- Magical Dance
- Building an Astral Temple
- Pathworking
- A Handfasting Rite
- Rite of Dedication and Protection for an Infant

Each rite includes complete instructions, with every word and every action clearly explained. The

book also includes Pagan lore, such as the Rede of Chivalry, tips on forming a Pagan training group, how to tell if your pet is also your familiar, and much more. Almost every page has an elegant illustration. This book is not just filled with important ideas and rites that you can use, it's also beautiful to behold.

The authentic teachings of the mystery schools offer a profoundly

different way of making sense of the universe and our place in it. In *Mystery Teachings from the Living Earth*, ecologist and Druid initiate John Michael Greer offers an introduction to the core teachings of the mysteries through the mirror of the natural world. Using examples from nature as a touchstone, Greer takes readers on a journey into the seven laws of the mystery traditions: the Law of Wholeness, the Law of Flow, the Law of Balance, the Law of Limits, the Law of Cause

and Effect, the Law of Planes, the Law of Evolution. Greer explains each law, offering meditation, an affirmation, and a theme for reflection, to show how the seven laws can bring meaning and power into our everyday lives. *Mystery Teachings from the Living Earth* reveals one of the great secrets of the mysteries—that the laws of nature are also the laws of spirit. *An Introduction to Spiritual Ecology* Llewellyn Worldwide Limited Here is a complete guide

to the lost art of geomancy - one of the major divination systems that are a part of the Western magical tradition. Geomancy is simple, quick, and direct - anyone can get answers to a question in a matter of moments by learning how to read the patterns revealed by the 16 symbolic figures formed of single and double points. During the Middle Ages and Renaissance, geomancy was used by everyone from popes to peasants because it provided practical, useful

results. Often mistaken for feng shui or ley lines, or hidden within poorly explained tables and charts, geomancy has become something of a lost art - until now. *Earth Divination, Earth Magic* provides a fascinating look into the history, theory, and practice of geomancy, including a thorough set of instructions for both casting and interpreting a chart for yourself or a friend.

Ancient Magick for a New Age Llewellyn Worldwide
A century ago, Celtic

groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago, and their teachings were lost. But today, their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on

the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom, including training in ceremonial magic, meditation, pathworking, divination, geomancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long-lost correspondence course, *The Celtic Golden Dawn* presents a series of knowledge lectures, meditations, and rituals leading to mastery of the

most important magical techniques.

Druidry is primarily a reconstructed ethnic religion derived from what is known about the beliefs of the ancient Celts.

Those who follow it may be drawing on anthropology, folklore, archaeology, history and even academic research; others may hear the 'Druidic Call' to celebrate Earth and Sky but may not know where to learn

more. These are the seekers whom The Solitary Druid is dedicated to. An essential first step in Paganism and a necessary one for those new to the Druid's path, focusing on the core teachings of modern Druidry.
