Tom Clancy's The Division: New York Collapse Heinemann

Written by a Newbery Honor-winning author, this is the story of a princess who longs for freedom.

Jahanara is the daughter of a rich emperor in India. While she is showered with many riches, she is also confined by her strict religion and the rules of the palace.

Tells the story of the victims, the accused witches, and the scheming officials that turned a mysterious illness into a witch hunt.

The Crucible Infobase Publishing

A darkly satirical novel of love, revenge, and 1950s haute couture—now a major motion picture starring Kate Winslet, Judy Davis, Liam Hemsworth, and Hugo Weaving After twenty years spent mastering the art of dressmaking at couture houses in Paris, Tilly Dunnage returns to the small Australian town she was banished from as a child. She plans only to check on her ailing mother and leave. But Tilly decides to stay, and though she is still an outcast, her lush, exquisite dresses prove irresistible to the prim women of Dungatar. Through her fashion business, her friendship with Sergeant Farrat—the town's only policeman, who harbors an unusual passion for fabrics—and

a budding romance with Teddy, the local football star whose family is almost as reviled as hers, she finds a measure of grudging acceptance. But as her dresses begin to arouse competition and envy in town, causing old resentments to surface, it becomes clear that Tilly's mind is set on a darker design: exacting revenge on those who wronged her, in the most spectacular fashion.

Immerse yourself into the fractured vision of the post-pandemic world from Tom Clancy's The Division® 2 through this new story. Months after the outbreak of a devastating global pandemic that started in New York City on Black Friday, traces of rebirth are spreading across the United States. Spring has come to the nation, and with it a glimmer of hope as civilians band together in settlements, trying to carve out a better life. Amidst a ruined government, a shattered infrastructure, and an eroding civilization, The Division – an autonomous unit of sleeper agents activated when all else fails – is all that protects the people from predators who would harm them, scavengers who would take from them, and oppressors who would exploit them. Aurelio Diaz is one of those agents. A man of great honor, he is on the hunt for one of his colleagues who

inexplicably abandoned his duty and caused the death of multiple civilians. This trail leads him to April Kelleher, a resourceful civilian who traveled out of New York into a troubled American Midwest. There, she hopes to understand why her husband was murdered and if an antiviral to the deadly disease exists. Together, Agent Diaz and April soon uncover an imminent threat to the future of the country. They must act to preserve civilization's last hope to stop a new virus and save itself from a final collapse.

The Field Trond Knutsen

Seminar paper from the year 2009 in the subject American Studies - Literature, grade: 1,3, Johannes Gutenberg University Mainz, language: English, abstract: One of the group members of an experimental theatre ensemble of the 1970s and 80s, called Wooster Group, commented on The Crucible that "the play was interesting to us because Arthur Miller wrote it as a moral play. He took responsibility, social responsibility. There was a hero." Since the hero is the most important character who has the task to convey this moral message, this paper will mainly concentrate on his role, his character development, his portrayal by Arthur Miller and how the author realized his moral concept in the character of John Proctor. When Arthur Miller wrote The Crucible, he envisioned the "concept of unity, in which positive and negative are attributes of the same force, in which good and evil are relative".

The Crucible Viking Adult

For some fifty years now, Arthur Miller has been not only America's premier playwright, but also one of our foremost public intellectuals and cultural critics. Echoes Down the Corridor gathers together a dazzling array of more than forty previously uncollected essays and works of reportage. Here is Arthur Miller, the brilliant social and political commentator-but here, too, Miller the private man behind the internationally renowned public figure. Witty and wise, rich in artistry and insight, Echoes Down the Corridor reaffirms Arthur Miller's standing as one of the greatest writers of our time.

A White Heron Penguin

What actions are justified when the fate of a nation hangs in the balance, and who can see the best path ahead? Julius Caesar has led Rome successfully in the war against Pompey and returns celebrated and beloved by the people. Yet in the senate fears intensify that his power may become supreme and threaten the welfare of the republic. A plot for his murder is hatched by Caius Cassius who persuades Marcus Brutus to support him. Though Brutus has doubts, he joins Cassius and helps organize a group of conspirators that assassinate Caesar on the Ides of March. But, what is the cost to a nation now erupting into civil war? A fascinating study of political power, the consequences of actions, the meaning of loyalty and the false motives that guide the actions of men, Julius Caesar is action packed theater at its finest.

The Man Who Had All the Luck Bloomsbury Publishing

A new Penguin Plays edition of the forgotten classic that launched the career of one of America's greatest playwrights It took more than fifty years for The Man Who Had All the Luck to be appreciated for what it truly is: the first stirrings of a genius that would go on to blossom in such masterpieces as Death of a Salesman and The Crucible. This striking new edition finally adds Miller's first major play to the Penguin Plays series—now in beautifully redesigned covers. Infused with the moral malaise of the Depression era, this parable-like drama centers on David Beeves, a man before whom every obstacle to personal and professional success seems to crumble with ease. But his good fortune merely serves to reveal the tragedies of those around him in greater relief, offering what David believes to be evidence of a capricious god or, worse, a godless, arbitrary universe. David's journey toward fulfillment becomes a nightmare of existential doubts, a desperate grasp for reason in a cosmos seemingly devoid of any, and a struggle that will take him

to the brink of madness.

The Crucible Penguin

THE STORIES: The first play, I CAN'T REMEMBER ANYTHING, is a gentle, poignant study of two old friends, an elderly man and woman, who live in nearby houses and often take their meals together. She is a wealthy widow whose life seems to have come to a stop

The Crucible Research & Education Assoc.

A haunting examination of groupthink and mass hysteria in a rural community A Penguin Classic "I believe that the reader will discover here the essential nature of one of the strangest and most awful chapters in human history," Arthur Miller wrote in an introduction to The Crucible, his classic play about the witch-hunts and trials in seventeenth-century Salem, Massachusetts. Based on historical people and real events, Miller's drama is a searing portrait of a community engulfed by hysteria. In the rigid theocracy of Salem, rumors that women are practicing witchcraft galvanize the town's most basic fears and suspicions; and when a young girl accuses Elizabeth Proctor of being a witch, self-righteous church leaders and townspeople insist that Elizabeth be brought to trial. The ruthlessness of the prosecutors and the eagerness of neighbor to testify against neighbor brilliantly illuminate the destructive power of socially sanctioned violence. Written in 1953, The Crucible is a mirror Miller uses to reflect the anti-communist hysteria inspired by Senator Joseph McCarthy's "witch-hunts" in the United States. Within the text itself, Miller contemplates the parallels, writing: "Political opposition...is given an inhumane overlay, which then justifies the abrogation of all normally applied customs of civilized behavior. A political policy is equated with moral right, and opposition to it with diabolical malevolence." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Crucible Perfection Learning

This powerful political drama set amidst the historical Salem Witch Trials is commonly understood as Miller's poignant response to McCarthyism.

The Crucible Penguin

'It's coming - the postponeless Creature' Electrifying poems of isolation, beauty, death and eternity from a reclusive genius and one of America's greatest writers. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

The Portable Arthur Miller Manchester University Press

Set during the Salem witch trials, this play has strong contemporary interest exploring guilt by association.

Een gescheiden echtpaar ontmoet elkaar weer na vijf jaar, terwijl zij beiden op huwelijksreis zijn met hun nieuwe partner.

My Life Had Stood a Loaded Gun Dramatists Play Service, Inc.

Traces the history of the Rastafarian movement, discussing the impact it has had on Jamaican society, its successful expansion to North America, the British Isles, and Africa, its role as a dominant cultural force in the world, and other related topics.

The Dressmaker Akasha Classics

Screen plays is a ground-breaking collection that chronicles the rich and surprising history of stage plays produced for the small screen between 1930 and the present. The volume opens with a substantial historical outline of how plays originally written for the theatre have been presented by the BBC and ITV, as well as independent producers and cultural organisations. Subsequent chapters utilise a variety of critical methodologies to analyse a wide range of outside broadcasts from theatres, screen adaptations of existing stage productions, along with original television productions of classic and contemporary drama. Making a compelling case for the centrality of the theatre to British television's past and present, Screen plays opens up new areas of research for all those engaged in theatre, media and adaptation studies.

Julius Caesar Penguin

"The 1953 premiere of The Crucible confirmed Arthur Miller's reputation as one of America's most important and serious playwrights as it underscored the earlier success of Miller's Pulitzer Prize winning drama, Death of a Salesman. While dealing with the 1692 witch trials in Salem, Massachusetts, The Crucible reveals Miller's concern with issues of individual conscience and guilt by association - issues that were manifest in the social and political problems of his own time. The drama is both a historical play of 17th-century colonial America and a parable about the communist witch-hunts in the United States of the 1950s. Miller uses the moral absolutism of Puritan Salem to parallel the infamous congressional hearings led by Senator Joseph McCarthy. The events which frame Miller's tragic drama are separated by some two hundred and sixty years, but are joined by circumstances where elements of disparate societies seek only evidence of guilt and ignore or suppress all evidence to suggest otherwise. With universal themes that transcend time and place, including national borders, The Crucible remains one of the most often produced American plays worldwide." "In The Crucible: Politics, Property, and Pretense, James J. Martine extends his analysis beyond the standard critical appraisals that compare the drama's setting only to the time in which it was written - the McCarthy era. Martine examines in detail Miller's historical sources and the ways in which he adapted this material to his contemporary audience. Martine suggests the play should be "read" within a variety of contexts, that is, as a product of and reaction to the McCarthy era, as a milestone in the development of Miller's work, as an exemplar of the genre of tragedy, as part of the tradition of American theatre, and as a basis for later adaptations. In his discussion, Martine considers both the written text and the play as public performance. He examines the play's settings, props, and exits and entrances, and draws attention to the various ways in which Miller built these directions about the play's performance into the written text. Martine argues convincingly that The Crucible should not be approached as a monochromatic written text as it often has been, but as a multifaceted performance text. His study includes photographs of a contemporary staged production, in addition to commentary on Robert Ward's Pulitzer prize-winning opera based on Miller's drama. Martine's multi-leveled exploration enables the reader to understand and thus appreciate The Crucible and Arthur Miller more fully."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
