AIDAN WEST

Small Great Things HarperCollins

Progressive Racism is about the transformation of the civil rights movement from a cause opposing racism—the denigration of individuals on the basis of their skin color - into a movement endorsing race preferences and privileges for select groups based on their skin color. It describes the tragic changes of this cause under the leadership of racial extortionists like Al Sharpton, who took a movement in support of American pluralism and turned it into a movement governed by a lynch mob mentality in which white Americans are regarded as guilty before the fact and African Americans are regarded as innocent even when the facts prove them guilty, even when their crimes are committed against other African Americans. The author of Progressive Racism, David Horowitz, is a witness to these events and betrayals. Horowitz was a participant in the civil rights movement of the 1960s, and in 2001 led a national campaign against a proposal for “slavery reparations” that would have required Hispanic, Asian and other Americans who had no role in slavery to pay reparations to African Americans who were never slaves. Progressive Racism examines how the term “racism” has been drained of its original meaning and is now used as a weapon to bludgeon opponents into silence. It describes how the so-called civil rights movement has become an oppressor of African Americans by supporting a failed school system that blights the lives of millions of African American children and a welfare system that has destroyed the black family and created a “underclass” dependent on government charity. It is an indictment of the hypocrisy that today governs discourse on race issues, so that a lynch mob in Ferguson, Missouri seeking to hang a police officer because he was white can be described as a civil rights protest and be supported by the first African American president of the United States.

Progressive Racism Zondervan

A tale of forbidden romance, adventure, and unprecedented

betrayal awaits you in *The Royal Rogue*. Let your heart pound to the rhythm of clashing swords and thundering hooves in this adrenaline fueled adventure. Set within the fabled city of Nevaharday, the story begins with Jaycent Connor, a reluctant prince who refuses to assume his father's title after a mysterious illness took his parents lives. The lords of the land couldn't sway the prince to ascend the throne and assume his rightful place as ruler. The harder they tried, the farther the prince seemed to drift into a realm of apathy and solitude. Then the nightmares began. Terrible, brutal dreams that crossed the threshold into reality as the prince found himself waking up to the wounds he had sustained in his sleep. Rest became impossible as the life of Nevaharday's only heir teetered in the balance. Healers were baffled, their remedies useless. So Prince Connor took matters into his own hands. He sought the help of an outlawed band of horse folk known as “the gypsies.” Particularly, a green eyed beauty named Levee Tensley. Together they unravel the truth. The prince was never ill. Neither were his parents. It all led back to the magic and lies of an illusionist bent on seizing his kingdom and extinguishing the Connor line. However, the more they uncover, the more they wonder: can they stop him? Or are their efforts too little, too late? Whether you're a fantasy connoisseur, horse lover, or casual reader, Carlton's debut novel will have you enchanted from the first paragraph to the very last page. Her race of “horse folk” are original, charming, and so believable, they will pull you right into the story.

Nice Racism Harper Collins

Shapiro, the author of "Black Wealth/White Wealth," blends personal stories, interviews, empirical data, and analysis to illuminate how family assets produce dramatic consequences in the everyday lives of ordinary citizens.

The White Tiger R&L Education

Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.

Me and White Supremacy Bloomsbury Publishing

NEW YORK TIMES BESTSELLER Building on the groundwork laid in the New York Times bestseller *White Fragility*, Robin DiAngelo explores how a culture of niceness inadvertently promotes racism. In *White Fragility*, Robin DiAngelo explained how racism is a system into which all white people are socialized and challenged the belief that racism is a simple matter of good people versus bad. DiAngelo also made a provocative claim: white progressives cause the most daily harm to people of color. In *Nice Racism*, her follow-up work, she explains how they do so. Drawing on her background as a sociologist and over 25 years working as an anti-racist educator, she picks up where *White Fragility* left off and moves the conversation forward. Writing directly to white people as a white person, DiAngelo identifies many common white racial patterns and breaks down how well-intentioned white people unknowingly perpetuate racial harm. These patterns include: • rushing to prove that we are “not racist” • downplaying white advantage • romanticizing Black, Indigenous and other peoples of color (BIPOC) • pretending white segregation “just happens” • expecting BIPOC people to teach us about racism • careflessness • and feeling immobilized by shame. DiAngelo explains how spiritual white progressives seeking community by co-opting Indigenous and other groups’ rituals create separation, not connection. She challenges the ideology of individualism and explains why it is OK to generalize about white people, and she demonstrates how white people who experience other oppressions still benefit from systemic racism. Writing candidly about her own missteps and struggles, she models a path forward, encouraging white readers to continually face their complicity and embrace courage, lifelong commitment, and accountability. *Nice Racism* is an essential work for any white person who recognizes the existence of systemic racism and white supremacy and wants to take steps to align their values with their actual practice. BIPOC readers may also find the “insiders” perspective useful for navigating whiteness. Includes a study guide.

When Your DNA Speaks The Truth InterVarsity Press

From the acclaimed Booker Prize-winning author comes a dazzling novel of family, love and love's disappointments Anna's aged mother is dying. Condemned by her children's pity to living,

subjected to increasingly desperate medical interventions, she turns her focus to her hospital window, through which she escapes into visions of horror and delight. When Anna's finger vanishes and a few months later her knee disappears, Anna too feels the pull of the window. She begins to see that all around her, others are similarly vanishing, yet no one else notices. All Anna can do is keep her mother alive. But the window keeps opening wider, taking Anna and the reader ever deeper into an eerily beautiful story of grief and possibility, of loss and love and orange-bellied parrots. Hailed on publication in Australia as Richard Flanagan's greatest novel yet, *The Living Sea of Waking Dreams* is a rising ember storm illuminating what remains when the inferno beckons: one part elegy, one part dream, one part hope.

The Book of Waking Up Aegypan

With a foreword by Tim Wise, *Raising White Kids* is for families, churches, educators, and communities who want to equip their children to be active and able participants in a society that is becoming one of the most racially diverse in the world while remaining full of racial tensions. For white people who are committed to equity and justice, living in a nation that remains racially unjust and deeply segregated creates unique conundrums. These conundrums begin early in life and impact the racial development of white children in powerful ways. What can we do within our homes, communities and schools? Should we teach our children to be "colorblind"? Or, should we teach them to notice race? What roles do we want to equip them to play in addressing racism when they encounter it? What strategies will help our children learn to function well in a diverse nation? Talking about race means naming the reality of white privilege and hierarchy. How do we talk about race honestly, then, without making our children feel bad about being white? Most importantly, how do we do any of this in age-appropriate ways? While a great deal of public discussion exists in regard to the impact of race and racism on children of color, meaningful dialogue about and resources for understanding the impact of race on white children are woefully absent. *Raising White Kids* steps into that void.

[Experiencing the Divine Love That Reorders a Life](#) Grove/Atlantic, Inc.

The Book of Waking Up invites you to wake to your coping

mechanisms, find the why behind your pain, and walk into the Divine Love of God. The inevitable pain of life gives us many reasons to check out--and many ways to do it. Alcohol, entertainment, pills, shopping, porn, chasing success, cashing checks, and collecting social media "likes"--these and so many other things anesthetize us from the wounds of everyday living. As Seth Haines wrote in his award-winning book, *Coming Clean*, "We're all drunk on something." In his compelling follow-up, *The Book of Waking Up*, Seth invites you into the story of healing. He invites you to see your coping mechanisms for what they are-- lesser lovers, which cannot bring the peace, freedom, and wholeness you crave. Through guided reflections, sustainable soul practices, and stories from Seth's life and others, *The Book of Waking Up* points you toward the Divine Love of God that has the power to transform your life. As Seth writes, "Addiction is misplaced adoration." Now, join him on a journey toward the only Love worth adoring, the only Love that cures a soul. Join him on the journey to waking up.

The Help Encounter Books

NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • From a leading voice on racial justice, an eye-opening account of growing up Black, Christian, and female that exposes how white America's love affair with "diversity" so often falls short of its ideals. "Austin Channing Brown introduces herself as a master memoirist. This book will break open hearts and minds."—Glennon Doyle, #1 New York Times bestselling author of *Untamed* Austin Channing Brown's first encounter with a racialized America came at age seven, when she discovered her parents named her Austin to deceive future employers into thinking she was a white man. Growing up in majority-white schools and churches, Austin writes, "I had to learn what it means to love blackness," a journey that led to a lifetime spent navigating America's racial divide as a writer, speaker, and expert helping organizations practice genuine inclusion. In a time when nearly every institution (schools, churches, universities, businesses) claims to value diversity in its mission statement, Austin writes in breathtaking detail about her journey to self-worth and the pitfalls that kill our attempts at racial justice. Her stories bear witness to the complexity of America's social fabric—from Black Cleveland neighborhoods to private schools in the middle-class suburbs, from prison walls to the boardrooms at

majority-white organizations. For readers who have engaged with America's legacy on race through the writing of Ta-Nehisi Coates and Michael Eric Dyson, *I'm Still Here* is an illuminating look at how white, middle-class, Evangelicalism has participated in an era of rising racial hostility, inviting the reader to confront apathy, recognize God's ongoing work in the world, and discover how blackness—if we let it—can save us all.

Combat Racism, Change the World, and Become a Good Ancestor Simon and Schuster

In this tenth anniversary, new edition of an award-winning, best selling classic, Russell updates his brilliant manifesto for awakening to the mounting planetary crisis while deepening our connection to inner peace and transformation. Amid visions of doom in the wake of ecological catastrophe, this book by renowned visionary scientist Peter Russell stands out for its sanity, hopefulness, and relevance.

How Progressive White People Perpetuate Racial Harm Beacon Press

"Dear white women: please do us all a favor and buy this book....Then READ IT." —Kate Schatz, New York Times bestselling author *WHAT CAN I DO TO HELP?* This is a question that many seemingly well intentioned White people ask people of color. Yet, it places the responsibility to educate on their peers, friends, colleagues, and even strangers, rather than themselves. If you've ever asked or been asked "What can I do to help combat racism?" then *Dear White Women: Let's Get (Un)comfortable Talking About Racism* is the answer you're looking for. From the creators of the award winning podcast *Dear White Women*, this book breaks down the psychology and barriers to meaningful race discussions for White people, contextualizing racism throughout American history in short, targeted chapters. Sara Blanchard and Misasha Suzuki Graham bring their insights to the page with: Personal narratives Historical context Practical tips *Dear White Women* challenges readers to encounter the hard questions about race (and racism) in order to push the needle of change in a positive direction. PRAISE FOR DEAR WHITE WOMEN: "Dear White Women: Let's Get (Un)comfortable Talking About Racism is a book that needs to be read by all people." —Shanicia Boswell, Author and Founder of Black Moms Blog "This gentle but firm guide will appeal to readers interested in putting the concept of anti-racism into action." —Publishers Weekly "Smart, insightful....Sara

Blanchard and Misasha Suzuki Graham provide a blueprint for thinking through the hard questions, recognizing that crossing identity lines requires intentional and continuous practice." —Ji Seon Song, Acting Professor of Law, University of California at Irvine "The invisibility of Native Americans from U.S. society must be a part of our racial reckoning, something Sara Blanchard and Misasha Suzuki Graham have taken care to address in this thoughtful look at race in America." —Crystal Echo Hawk (Pawnee Nation of Oklahoma), Founder and Executive Director of IllumiNative

Through the Looking-Glass Candlewick Press

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

Between the World and Me The Collective Book Studio
'Every voice raised against racism chips away at its power. We can't afford to stay silent. This book is an attempt to speak' The book that sparked a national conversation. Exploring everything from eradicated black history to the inextricable link between class and race, *Why I'm No Longer Talking to White People About Race* is the essential handbook for anyone who wants to understand race relations in Britain today. Bullshit Jobs Vintage

In the mid-1950s, a fifteen-year-old African American teenager named Mary White (now Mary Norman) traveled north from Virginia to work for twelve-year-old Wendy Sanford's family as a live-in domestic for their summer vacation by a remote New England beach. Over the years, Wendy's family came to depend on Mary's skilled service—and each summer, Mary endured the extreme loneliness of their elite white beachside retreat in order to support her family. As the Black "help" and the privileged white daughter, Mary and Wendy were not slated for friendship. But years later—each divorced, each a single parent, Mary now a rising officer in corrections and Wendy a feminist health activist—they began to walk the beach together after dark, talking about their children and their work, and a friendship began to grow. Based on decades' worth of visits, phone calls, letters, and texts between Mary and Wendy, *These Walls Between Us* chronicles the two women's friendship, with a focus on what Wendy characterizes as her "oft-stumbling efforts, as a white woman, to see Mary more fully and to become a more dependable friend." The book examines obstacles created by Wendy's upbringing in a narrow, white, upper-class world; reveals realities of domestic service rarely acknowledged by white employers; and draws on classic works by the African American writers whose work informed and challenged Wendy along the way. Though Wendy is the work's primary author, Mary read and commented on every draft—and together, the two friends hope their story will incite and support white readers to become more informed and accountable friends across the racial divides created by white supremacy and to become active in the ongoing movement for racial justice.

The Living Sea of Waking Dreams R&L Education

Famously known as the text that Martin Luther King Jr. sought inspiration from in the days leading up to the Montgomery bus boycott, Howard Thurman's *Jesus and the Disinherited* helped shape the civil rights movement and changed our nation's history forever. In this classic theological treatise, the acclaimed theologian and religious leader Howard Thurman (1900-1981) demonstrates how the gospel may be read as a manual of resistance for the poor and disenfranchised. Jesus is a partner in the pain of the oppressed and the example of His life offers a

solution to ending the descent into moral nihilism. Hatred does not empower--it decays. Only through self-love and love of one another can God's justice prevail.

Rip Van Winkle and The Legend of Sleepy Hollow Frances Lincoln Children's Books

"Tom is not prepared for what is about to happen when he hears the grandfather clock strike thirteen. Outside the back door is a garden, which everyone tells him does not exist."--Page 4 de la couverture.

Black Dignity in a World Made for Whiteness Beacon Press
Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. *Everything, Everything* will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

Waking Up in Time Basic Books

The classic, bestselling book on the psychology of racism -- now fully revised and updated *Walk into any racially mixed high school and you will see Black, White, and Latino youth clustered in their own groups. Is this self-segregation a problem to address or a coping strategy? Beverly Daniel Tatum, a renowned authority on the psychology of racism, argues that straight talk about our*

racial identities is essential if we are serious about enabling communication across racial and ethnic divides. These topics have only become more urgent as the national conversation about race is increasingly acrimonious. This fully revised edition is essential reading for anyone seeking to understand the dynamics of race in America.

A Memoir of Friendship Across Race and Class Annika Martin
New York Times Notable Book: "An exceptional, assured debut [that] captures the zeitgeist of confused adolescents and a sick culture post-Columbine."—Hartford Courant A national bestseller that inspired a major motion picture, this chilling novel follows prep school dropout White Mike through the week between Christmas and New Year's 1999, as he deals an alluring new drug to his privileged peers on Manhattan's Upper East Side. The kids of Twelve have it all; Chris and Claude and Hunter and Laura have the best, and most, of everything, but are constantly looking for something more exotic, and more dangerous. But Twelve is not a coming-of-age story, because these kids never had a childhood—their parents are off on holiday in Bali or business in Brussels, leaving hired help to look the other way as the kids stay home alone in their multimillion-dollar town houses, partying, surrounded by drugs and sex—and, in the end, much worse. "Renders Manhattan's cosseted Upper East Side with both the

casual authority of an insider and the wry distance of an observer...impressive."—Jennifer Egan, *The New York Times Book Review* "Riveting in its no-holds-barred depiction of teenage nihilism."—Jon Land, *Providence Journal*

Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.
