The Quotable Intellectual Simon and Schuster

Huge businesses spend millions of dollars planning and executing their Internet marketing strategy. What these big corporations don't understand is that they could achieve similar results without breaking the bank. The secrets of making a big Internet marketing splash without spending more than \$500 a year are revealed in this book. For entrepreneurs and small businesses alike, this book explains how to plan and execute a complete online marketing strategy for just a couple of dollars a day.

The Book of Viking Myths Simon and Schuster

HOW IS THIS TOEFL BOOK DIFFERENT? This TOEFL book is different because it uses an integrated vocabulary learning system called recycling. Recycling is simple. Each exercise is divided into four quizzes. Quiz 1, a multiple-choice vocabulary quiz, introduces ten new words. Next, you will do Quiz 2, which is a sentence-completion quiz based on the ten words in Quiz 1. Next, you will do Quiz 3, a spelling quiz. The speaker in the audio will say the same ten words in turn. You will then have ten seconds to spell each word by saying it and typing it. Finally, you will do Quiz 4, which is a 60-word typing test based on the ten new words you have been recycling through Quizzes 1, 2 and 3, plus words, phrases and idioms recycled from previous exercises. BONUS MATERIAL Learn essential rhetorical strategies and a test-proven way to develop opinion-based and fact-based TOEFL essays.

English as a Global Language AuthorHouse

Collins COBUILD Key Words for Finance is a brand-new vocabulary book aimed at anyone who wants to study or work in the finance

industry. The title contains the 500 most important words and phrases you will need to succeed and includes practice material to make sure you really learn them. This title has been specially created for foreign learners of English who want to improve their career prospects in finance by learning English. The title covers the most common words found in this area, and will give learners a solid grounding in the key words and phrases that they will need as they start their studies or career in the finance industry. Collins COBUILD Key Words for Finance is unique in that the vocabulary items are organized alphabetically, in a dictionary style, and words are clearly labelled according to topic. Vocabulary-building features, synonyms, and collocations help learners to enrich their vocabulary and increase their accuracy and fluency. Vocabulary items are explained using simple language and are presented in a clear and easy-to-use format. Example sentences for every entry show how the word is really used in English and have been taken from subject-specific corpora from the 4.5-billion-word Collins Corpus. To help users consolidate what they have learnt, the title also contains a thematic word list section, organized according to topic. There is a self-study section which includes practice material, which will ensure that users really learn these fundamental words and phrases. The title also includes an audio CD, which contains audio of all 500 headwords and example sentences. Communication for work and study is crucial, so this additional help with pronunciation will help to build the learner's confidence when speaking English.

Learn German With These 500 Phrases Simon and Schuster Have you ever wanted to be an intellectual, without all that tedious work of getting an advanced college degree? Here's your shortcut to the world of the well read. Just open this collection of 1,417 quotations from the mouths of the wildly famous to the painfully obscure, and voila!--instant erudition. It doesn't take much to sound as if you know what you're talking about. Just toss off some time-tested wisdom from Henry James or Plotinus . . . or, if you're feeling daring, a line or two of poetry from Byron. In no time at all you'll be sipping a glass of Madeira, sampling imported Gouda, and bragging about your collection of first edition Vonneguts. Just like an intellectual.

Add hundreds of foreign phrases to your daily lexicon and learn about their quirky, fascinating origins! Some foreign phrases are so good they become a sort of lingua franca. They capture the true zeitgeist, where the English translation is just *comme ci, comme ca*. If you're a linguistics geek or language lover with a curiosity about the origins of the foreign phrases, you need this book on your shelf. Savoir Faire is a beautifully designed reference book that includes approximately 1,000 foreign phrases in languages that run the gamut from French to German to Japanese and more. Entries for each phrase offer precise

translations, the surprising origins of expressions, and commonly used terms you didn't even know were foreign. It's possible you'll find a phrase or two that you've been using incorrectly! Savoir Faire will save you from the embarrassment of misusing a foreign phrase and promises to up the ante on your everyday lexicon with hundreds of new phrases. This book also includes phonetic pronunciations for each phrase (you'll be surprised what you've been mispronouncing!) and sidebars that explore the quirks of some favorite expressions. Don't suffer one more trip to the museum asking yourself, "What the heck is trompe l'oeil?" Don't put down yet another Umberto Eco novel out of sheer confusion. And avoid tumbling into the camp of declassé--instead become one of the intelligentsia! This handy pocket guide will make you a true cognoscente of culture.

German Simon and Schuster

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages

other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.
