*A Novel* Simon and Schuster  
 From the #1 New York Times bestselling author of Beautiful Disaster comes a story of a fiercely independent widow who falls for a sexy firefighter in this gripping contemporary romance. *Maison Ikkoku, Vol. 6* Penguin  
 Tells the story of Josh and Avery's relationship, alternating between their individual points of view. Atria Books  
 When the world ends, can love survive? For Scarlet, raising her two daughters alone makes fighting for tomorrow an everyday battle. Nathan has a wife, but can't remember what it's like to be in love; only his young daughter Zoe makes coming home worthwhile. Miranda's biggest concern is whether her new VW Bug is big enough to carry her sister and their boyfriends on a weekend escape from college finals. When reports of a widespread, deadly "outbreak" begin to surface, these ordinary people face extraordinary circumstances and suddenly their fates are intertwined. Recognizing they can't outrun the danger, Scarlet, Nathan, and Miranda desperately seek shelter at the same secluded ranch, Red Hill. Emotions run high while old and new relationships are tested in the face of a terrifying enemy—an enemy who no longer remembers what it's like to be human. Set against the backdrop of a brilliantly realized apocalyptic world, love somehow finds a way to survive. But what happens when the one you'd die for becomes the one who could destroy you? Red Hill grabs you from page one and doesn't let go until its stunning

conclusion. This is number 1 New York Times bestselling author Jamie McGuire at her unforgettable best.

*Walking Disaster* Simon and Schuster

A New York Times and USA TODAY bestseller about a good girl dangerously drawn to the ultimate bad boy. The new Abby Abernathy is a good girl. She doesn't drink or swear, and she has the appropriate number of cardigans in her wardrobe. Abby believes she has enough distance from the darkness of her past, but when she arrives at college with her best friend, her path to a new beginning is quickly challenged by Eastern University's Walking One-Night Stand. Travis Maddox, lean, cut, and covered in tattoos, is exactly what Abby wants—and needs—to avoid. He spends his nights winning money in a floating fight ring, and his days as the ultimate college campus charmer. Intrigued by Abby's resistance to his appeal, Travis tricks her into his daily life with a simple bet. If he loses, he must remain abstinent for a month. If Abby loses, she must live in Travis's apartment for the same amount of time. Either way, Travis has no idea that he has met his match.

Not even when he finally meets the young woman who is destined to end his existence. A common bond is formed under the pressures they face from both sides, but their respective religious texts predict opposite outcomes. Either way, they must choose: war, death, or love.
