**The Fall: Revelation and Dust** Simon and Schuster  
From “one of the most exciting breakout novelists” (USA TODAY) comes the first novel in an irresistible new series—a spin-off

of the bestselling Marriage to a Billionaire series—featuring a matchmaker who falls for a man who doesn’t believe in love. First in a sizzling new series from Jennifer Probst, the USA Today bestselling author adored for her “fresh, fun, and sexy” (Romancing the Book)

storytelling! In charming Verily, New York, Kate Seymour has a smashing success with Kinnections, the matchmaking service she owns with her two best girlfriends. But Kate's more than a savvy businesswoman: She's gifted with a secret power, a jolting touch that signals when love's magic is at work. It rocked her when she picked up a strange volume of love spells in the town's used bookstore . . . and it zapped her again when she encountered Slade Montgomery, the hot-tempered— and hot-bodied—divorce lawyer who storms into Kinnections demanding proof that playing Cupid won't destroy his vulnerable sister, Kate's newest client. The only way to

convince this cynic that she's no fraud, and that love is no mirage, is for Kate to meet his audacious challenge: find him his dream woman. Can Kate keep their relationship strictly business when her electrifying attraction nearly knocked her off her feet? Or has the matchmaker finally met her match?

**Demons of Air and Darkness** Simon and Schuster

An original novella set in the Star Trek: Deep Space Nine universe! With his Starfleet assignment temporarily on hold, Odo needs a distraction. He welcomes Chief O'Brien's offer to loan him some of the action-packed books that both men relish: tales about hard-boiled private eyes, threatening thugs, and duplicitous dames. Then Quark suddenly goes missing during a hastily planned trip to Ferenginar. His concerned friends on Deep Space Nine feel that Odo, as the

station's former chief of security, is uniquely suited to track Quark down. But once on Ferenginar, Odo learns that Quark is trapped in the seamy underbelly of a criminal enterprise that could have been ripped from the pages of one of O'Brien's novels. To find the bartender, Odo discovers that he must rely not only on his law enforcement background, but his knowledge of all things noir....

Enigma Tales Tor Books

After the disastrous events in the Bajoran system, Captain Benjamin Sisko must confront the consequences of the recent choices he has made in his life. At the same time, the United Federation of Planets and its Khitomer

Accords allies have come to the brink of war with the Typhon Pact. While factions within the Pact unsuccessfully used the recent gestures of goodwill—the opening of borders and a joint Federation-Romulan exploratory mission—to develop quantum-slipstream drive, they have not given up their goals. Employing a broad range of assets, from Romulus to Cardassia, from Ab-Tzenketh to Bajor, they embark on a dangerous new plan to acquire the technology they need to take control of the Alpha and Beta Quadrants. While UFP President Bacco and Romulan Praetor Kamemor work feverishly to reestablish peace, Captains Sisko, Jean-

Luc Picard, and Ro Laren stand on the front lines of the conflict . . . even as a new danger threatens the Bajoran wormhole as it once more becomes a flashpoint of galactic history.

Headlong Flight Simon and Schuster

From the former editor-in-chief of Nylon comes a provocative and intimate collection of personal and cultural essays featuring eye-opening explorations of hot button topics for modern women, including internet feminism, impossible beauty standards in social media, shifting ideals about sexuality, and much more.

Gabrielle Korn starts her professional life with all the right credentials. Prestigious college degree? Check. A loving, accepting

family? Check. Instagram-worthy offices and a tight-knit group of friends? Check, check.

Gabrielle's life seems to reach the crescendo of perfect when she gets named the youngest editor-in-chief in the history of one of fashion's most influential publication. Suddenly she's invited to the world's most epic parties, comped beautiful clothes and shoes from trendy designers, and asked to weigh in on everything from gay rights to lip gloss on one of the most influential digital platforms. But behind the scenes, things are far from perfect. In fact, just a few months before landing her dream job, Gabrielle's health and wellbeing are on the line, and her

promotion to editor-in-chief becomes the ultimate test of strength. In this collection of inspirational and searing essays, Gabrielle reveals exactly what it's truly like in the fashion world, trying to find love as a young lesbian in New York City, battling with anorexia, and trying not to lose herself in a mirage of women's empowerment and Instagram perfection. Through deeply personal essays, Gabrielle recounts her struggles to reconcile her long-held insecurities about her body while coming out in the era of The L Word, where swoon-worthy lesbians are portrayed as skinny, fashion-perfect, and power-hungry. She

takes us with her everywhere from New York Fashion Week to the doctor's office, revealing that the forces that try to keep women small are more pervasive than anyone wants to admit, especially in a world that's been newly branded as woke. From #MeToo to commercialized body positivity, Korn's biting, darkly funny analysis turns feminist commentary on its head. Both an in-your-face take on impossible beauty standards and entrenched media ideals and an inspiring call for personal authenticity, this powerful collection is ideal for fans of Roxane Gay and Rebecca Solnit. **Ascendance** Simon and Schuster  
Part personal odyssey,

part espionage adventure, and part social history, *Mirage Men* delves into the world of UFOs, those who believe in them, and those who would have us believe in them. This is not your average UFO book. *Mirage Men* explores the strange and symbiotic relationship between the U.S. military and intelligence agencies and the community who believes strongly that UFOs have visited earth. Just how has the U.S. government manipulated the public's belief in UFOs to hide military aircraft experimentation? Among the UFO believers are the "mirage men"—a close-knit group of men and women whose careers span science medicine, the military,

and the intelligence services. They believe they have received parts of a flying saucer-shaped puzzle, whose final pieces lie tantalizingly out of reach. Dive into this comprehensive and astonishing exposition of exactly what these *Mirage Men* believe, and why. Interviews, anecdotes, and cold hard facts make this a persuasive book that's hard to ignore. Many are sure that official disclosure—government announcement of extraterrestrial presence—is just around the corner. Simon and Schuster For once, business is going well for Quark, not that anyone on *Deep Space Nine*<sup>™</sup> truly appreciates his genius for finding profit in the most unlikely of circumstances. Quark

is even looking forward to making the deal of a lifetime -- when he suddenly finds himself stuck right in the middle of a major dispute between Bajor and the Ferengi Alliance. It seems that the Grand Nagus is refusing to sell one of the lost Orbs of the Prophets to the Bajoran government, which has responded by banning all Ferengi activity in Bajoran space. With diplomatic relations between the two cultures rapidly breaking down, Quark loses his bar first, then his freedom. But even penniless, he still has his cunning and his lobes, and those alone may be all he needs to come out on top -- and prevent an interstellar war!

*Mirage* Simon and Schuster

The first novel in a two-part Typhon Pact adventure set in the universe of Star Trek: The Next Generation! In the wake of the final Borg invasion, which destroyed entire worlds, cost the lives of sixty-three billion people, and struck a crippling blow to Starfleet, six nations adversarial to the United Federation of Planets—the Romulan Star Empire, the Breen Confederacy, the Tholian Assembly, the Gorn Hegemony, the Tzenkethi Coalition, and the Holy Order of the Kinshaya— joined ranks to form the Typhon Pact. For almost three years, the Federation and the Klingon Empire, allied under the Khitomer Accords, have contended with the nascent coalition on a

predominantly cold-war footing. But as Starfleet rebuilds itself, factions within the Typhon Pact grow restive, concerned about their own inability to develop a quantum slipstream drive to match that of the Federation. Will leaders such as UFP President Bacco and RSE Praetor Kamemor bring about a lasting peace across the Alpha and Beta Quadrants, or will the cold war between the two alliances deepen, and perhaps even lead to an all-out shooting war?

### **Section 31: Control**

Simon and Schuster Continuing the milestone 50th anniversary celebration of Star Trek—an epic new trilogy that stretches from the events of The Original

Series movie The Search for Spock to The Next Generation! When Klingon commander Kruge died in combat against James T. Kirk on the Genesis planet back in 2285, he left behind a powerful house in disarray—and a series of ticking time bombs: the Phantom Wing, a secret squadron of advanced Birds-of-Prey; a cabal of loyal officers intent on securing his heritage; and young Korgh, his thwarted would-be heir, willing to wait a Klingon lifetime to enact his vengeance. Now, one hundred years later, while on a diplomatic mission for the United Federation of Planets, Captain Jean-Luc Picard and the crew of the USS Enterprise are snared in the aged Korgh's

trap—and thrust directly in the middle of an ancient conflict. But as Commander Worf soon learns, Korgh may be after far bigger game than anyone imagines, confronting the Federation-Klingon alliance with a crisis unlike any it has ever seen!

Mirage Men Simon and Schuster

WELCOME TO THE NEW DEEP SPACE 9 After the destruction of the original space station by a rogue faction of the Typhon Pact, Miles O'Brien and Nog have led the Starfleet Corps of Engineers in designing and constructing a larger, more advanced starbase in the Bajoran system. Now, as familiar faces such as Benjamin Sisko, Kasidy Yates, Ezri Dax, Odo,

and Quark arrive at the new station, Captain Ro Laren will host various heads of state at an impressive dedication ceremony. The dignitaries include not only the leaders of allies—such as Klingon Chancellor Martok, Ferengi Grand Nagus Rom, the Cardassian castellan, and the Bajoran first minister—but also those of rival powers, such as the Romulan praetor and the Gorn imperator. But as Ro's crew prepares to open DS9 to the entire Bajor Sector and beyond, disaster looms. A faction has already set in action a shocking plan that, if successful, will shake the Alpha and Beta Quadrants to the core. And what of Kira Nerys, lost aboard a runabout when the Bajoran wormhole

collapsed? In the two years that have passed during construction of the new Deep Space 9, there have been no indications that the Celestial Temple, the Prophets, or Kira have survived. But since Ben Sisko once learned that the wormhole aliens exist nonlinearly in time, what does that mean with respect to their fate, or that of the wormhole . . . or of Kira herself?

Meanwhile, an older teen named Reacher Mirage sings lead vocals for the undercover rock band Youforia . . . a band that exists in Idea's world only as an Internet hoax that Idea himself perpetuated. Then there's beautiful and mysterious Eunice Truant, who links their destinies. When Idea and Reacher plunge into the reality of Fireskull's Revenant, the twisted epic fantasy novel they've

both been reading, chapter 64 bears down on them like a speeding freight train on an unstoppable collision course. Being trapped in a bad book can be a nightmare. Just ask Idea Deity. *The Lost Era: One Constant Star* Simon and Schuster Days after the assassination of Federation President Nan Bacco on Deep Space 9, the unexpected appearance of a stranger on the station raises serious concerns. He seems dazed and confused, providing-in a peculiar patois of the Bajoran language-unsatisfactory answers. He offers his identity as Altek, of which there is no apparent record, and he claims not to know where he is or

how he got there. A quick scan confirms the visitor is armed with a projectile weapon-a firearm more antiquated than, but similar to, the one that took President Bacco's life. But the Bajoran liaison to the station believes that Altek has been sent from the Prophets, out of a nearby wormhole. The last time such an event occurred, it was to reassure Benjamin Sisko of his place as the Emissary. For what purpose has Altek now been sent out of the Celestial Temple?

With the ship's crew suddenly incapacitated, seventy-eight of the 1,300 aboard are abducted—including Sisko's daughter,
