Foraging is  
not just a  
throwback to  
our hunter-  
gatherer past;  
it's a way to  
reconnect

with the landscape. And Langdon Cook is not just your typical grocery cart-toting dad. For him, gourmet delicacies abound, free for the taking if we just open our eyes. As a result, he finds himself free-diving in icy Puget Sound in hopes of spearing a snaggletooth lingcod, armed with nothing more than a "Hawaiian sling." He tempts fate by eating mushrooms that may or

may not be poisonous. He strings up a fly rod to chase after sea-run trout. He even pulls on the gardening gloves to collect stinging nettles. In wry, detailed prose, he traces his journey from wrangler of pre-packaged calories to connoisseur of coveted wild edibles. Structured around the seasons of the year, each chapter focuses on a specific food type and concludes

with a recipe featuring the author's hard-won bounty, a savory stop to each adventure-filled morsel. **Audrey, Wait!** Independently Published A NEW YORK TIMES NOTABLE BOOK Once in a great while a writer comes along who can truly capture the drama and passion of the life of a family. David James Duncan, author of the novel *The River* Why and the collection *River Teeth*, is just such a

writer. And in *The Brothers K* he tells a story both striking and in its originality and poignant in its universality. This touching, uplifting novel spans decades of loyalty, anger, regret, and love in the lives of the Chance family. A father whose dreams of glory on a baseball field are shattered by a mill accident. A mother who clings obsessively to religion as a ward against the darkest hour of her past. Four

brothers who come of age during the seismic upheavals of the sixties and who each choose their own way to deal with what the world has become. By turns uproariously funny and deeply moving, and beautifully written throughout, *The Brothers K* is one of the finest chronicles of our lives in many years. Praise for *The Brothers K* "The pages of *The Brothers K* sparkle."—*The New York*

*Times Book Review* "Duncan is a wonderfully engaging writer."—*Los Angeles Times* "This ambitious book succeeds on almost every level and every page."—*USA Today* "Duncan's prose is a blend of lyrical rhapsody, sassy hyperbole and all-American vernacular."—*San Francisco Chronicle* "*The Brothers K* affords the . . . deep pleasures of novels that exhaustively create, and

alter, complex worlds. . . . One always senses an enthusiastic and abundantly talented and versatile writer at work.”—The Washington Post Book World  
 “Duncan . . . tells the larger story of an entire popular culture struggling to redefine itself—something he does with the comic excitement and depth of feeling one expects from Tom Robbins.”—Chicago Tribune

 I didn't expect that after my rebirth, I would become a baby boy, and the new daddy was actually the leader of Killer's Organization. As someone who craves love, how long will it take for me to fall in love? Looking at Qi Tianyang and Zhan Feng, these two brothers of mine who grew up together since childhood, I was confused, they are my brothers, I am a man and I

am a woman, I have a man's body yet I have a woman's heart. Man? Woman? Who am I supposed to love? I struggle, I am confused, full of bloody Jianghu, bold Jianghu children, where to go? Where is my home? I was forced to marry at the age of twenty, but on the eve of marriage. "

 This book is perfect for friends and relatives who are

experiencing the many challenging transitions of life, those who have been knocked down and need to be reminded to stand tall and take the risk, including students, graduates, those employed and unemployed, husbands and wives, retirees, and athletes. We are reminded that when the fragmenting effects of pressure and stress seem relentless, we set achievable goals, persevere and maintain a

purpose in spite of the difficulty, even when we don't know if we will triumph. \*\*\* This journal alternates between 8 LINED pages for writing and 2 BLANK pages for sketching/drawing throughout - no text. This new  
second edition  
of Enchanted  
Evenings  
offers theater  
lovers an  
illuminating  
behind-the-  
scenes tour of  
some of  
America's best  
loved, most  
admired, and  
most enduring  
musicals.  
Readers will  
find such all-  
time favorites  
as Show Boat,  
Carousel, Kiss  
Me, Kate,  
Guys and  
Dolls, My Fair

Lady, West Side Story, Sweeney Todd, Sunday in the Park with George, and Phantom of the Opera. Geoffrey Block provides a documentary history of each of the musicals, showing how each work took shape and revealing, at the same time, how the American musical evolved from the 1920s to today, both on stage and on screen. The book's particular focus is on the music, offering a

wealth of detail about how librettist, lyricist, composer, and director work together to shape the piece. Block also includes trenchant social commentary and lively backstage anecdotes. Jerome Kern, Cole Porter, the Gershwins, Rodgers and Hart, Kurt Weill, Rodgers and Hammerstein, Lerner and Loewe, Frank Loesser, Leonard Bernstein, Stephen Sondheim,

Andrew Lloyd Webber, and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision. The second edition includes a greatly expanded chapter on Sondheim, a new chapter on Lloyd Webber, and two new chapters on the film adaptations of the main musicals featured in the text

(including such hard to find films as the original 1936 version of *Anything Goes* and the 1959 film adaptation of *Porgy and Bess*). Packed with information, including a complete discography and plot synopses and song-by-song scenic outlines for each of the fourteen shows, *Enchanted Evenings* is an essential reference as well as a riveting history. "A solid and fascinating

work that should become a model of how to investigate and report on the evolution of a musical. Block's research is persuasive and his writing vivid. . . Indispensable for anyone who cares to know more about Broadway musicals than Playbill can provide." -- Steven Bach, *The Los Angeles Times Book Review*

 The Dragonmaster Trilogy collection is a compilation of three stunning YA Fantasy novels, FLAME, FLIGHT and FREEDOM. Join sisterwitches Sanna and Isadora Spence as they grow into a new world of dragons, unexpected

magic, and struggles that test the enduring bonds of sisterhood.

FLAME In Anguis, magic is forbidden. Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden village is destined to crack. Soon, Sanna's deep love for the giant beasts

causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change.

FLIGHT A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmaster's home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her

reluctant  
shoulders.  
When a  
devastating  
tragedy  
strikes the  
Dragonmaster  
families,  
Sanna is  
forced to face

most terrifying  
enemy:  
Cecelia  
Bianchi. Both  
sisters are far  
from home  
and over their

they marshal  
their courage  
to save those  
they care  
about? Or will  
their  
expanding  
horizons prove  
to be their  
biggest

Join the  
beloved  
sisters from  
FLAME in a  
new tale  
about growing  
up, moving  
on, and

within.  
FREEDOM  
Isadora  
Spence knows  
two things: 1)  
she's tired of  
all the wars  
and wants  
them to stop  
and 2) she  
never wants  
to see  
Maximillion  
Sinclair again.  
Sparks fly  
when rising  
desperation  
leads Isadora  
and  
Maximillion to  
attend a  
political  
delegation  
together in  
the Southern  
Network.  
She's  
determined to  
create a pact  
for peace and  
save lives, but

when events spiral into far more dangerous territory, she realizes the only witch she can trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover

that Prana isn't the only enemy they face. In a world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches? FREEDOM is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of

2016 PEN Center USA Award for Translation In 1809, at the age of eighteen, Henriette Faber enrolled herself in medical school in Paris—and since medicine was a profession prohibited to women, she changed her name to Henri in order to matriculate. She would spend the next fifteen years practicing medicine and living as a man. Drafted to serve as a surgeon in

Napoleon's army, Faber endured the horrors of the 1812 retreat across Russia. She later embarked to the Caribbean and set up a medical practice in a remote Cuban village, where she married Juana de León, an impoverished local. Three years into their marriage, de León turned Faber in to the authorities, demanding that the marriage be annulled. A sensational legal trial ensued, and

Faber was stripped of her medical license, forced to dress as a woman, sentenced to prison, and ultimately sent into exile. She was last seen on a boat headed to New Orleans in 1827. In this, his last published work, Antonio Benítez Rojo takes the outline provided by historical events and weaves a richly detailed backdrop for Faber, who becomes a vivid and complex

figure grappling with the strictures of her time. *Woman in Battle Dress* is a sweeping, ambitious epic, in which Henriette Faber tells the story of her life, a compelling, entertaining, and ultimately triumphant tale. Praise for *Woman in Battle Dress* "Woman in Battle Dress by Antonio Benítez-Rojo, which has been beautifully translated from the Spanish by Jessica Ernst Powell, is the

extraordinary account of an extraordinary person. Benítez-Rojo blows great gusts of fascinating fictional wind onto the all but forgotten embers of the actual Henriette Faber, and this blazing tale of her adventures as a military surgeon and a husband and about a hundred other fascinating things is both something we want and need to hear."—Laird Hunt, author of *Neverhome* "A picaresque

novel starring an adventurous heroine, who caroms from country to country around the expanding Napoleonic empire, hooking up with a dazzling array of men (and women) as she goes. A wild ride!"—Carmen Boullosa, author of *Texas: The Great Theft* "As detailed as any work of history and as action filled as any swashbuckler, *Woman in Battle Dress* is not only

Antonio Benítez Rojo's last and most ambitious book, but also his masterpiece. In this graceful English translation of Henriette Faber's autobiography—more than fiction, less than fact—American readers will have access to one of the most engaging novels to come out of Latin America in recent years."—Gustavo Pérez-Firmat, Columbia University

Antonio Benítez-Rojo (1931–2005) was a Cuban novelist, essayist and short-story writer. He was widely regarded as the most significant Cuban author of his generation. His work has been translated into nine languages and collected in more than 50 anthologies. One of his most influential publications, *La Isla que se Repite*, was published in 1989 by Ediciones del

Norte, and published in English as *The Repeating Island* by Duke University Press in 1997. Jessica Powell has translated numerous Latin American authors, including works by César Vallejo, Jorge Luis Borges, Ernesto Cardenal, María Moreno, Ana Lidia Vega Serova and Edmundo Paz Soldán. Her translation (with Suzanne Jill Levine) of Adolfo Bioy Casares and Silvina

Ocampo's novel *Where There's Love, There's Hate*, was published by Melville House in 2013. She is the recipient of a 2011 National Endowment for the Arts Translation Fellowship in support of her translation of Antonio Benítez Rojo's novel *Woman in Battle Dress*. *The Falling Astronauts* Penguin (Strum and Sing).
