Math Games (level 1) makes it easy for kids in grades K-2 to learn math skills while having a great time playing with dice or cards. Teachers will find it a perfect way to get kids excited about math as they learn important math skills.Miss Brain's Cool Math Games, Level 1 by Kelli PearsonA great math game helps get rid of math anxiety, ends family math fights, gives kids tons of practice, and helps kids really truly LOVE math. Miss Brain's Cool Math Games currently comes in two levels. In

this first level for grades 1-3, you'll find: number sense games (including place value) addition games ; subtraction games; counting money gamesMiss Brain's Cool Math Games: for kids in grades 1-3 ...Miss Brain brings you 36 super fun dice games, card games, and other cool math games that kids will love! But don't let the fun fool you. These are games that will help your kids understand and conquer tricky math skills: number sense, skip counting, addition, subtraction,

place value, money, fractions, and multiplication. Miss Brain's Cool Math Games - Kidscademy Miss Brain's Cool Math Games offers simple games that homeschoolers can use with children in kindergarten through second or third grade despite the narrower grade level suggestions in the subtitle. The book is divided into topical sections covering number sense, counting, addition, subtraction, place value, money, fractions, and multiplication. Miss Brain's

Cool Math Games for kids in grades 1-2 This comprehensive book comes with all of the following:

- Number Sense Games (2-4)
- Addition Games (2-3)
- Subtraction Games (2-3)
- Place Value Games (2-4)
- Multiplication Games (3-4)
- Division Games (3-5)
- Fraction Games (3-5)
- Decimals and Money Games (2-5)

Each game is targeted on a specific math skill so kids can focus on mastery in the areas they need most. The games are seriously fun to play, and most use

dice or cards. Miss Brain's Cool Math Games (Level 2) Complete Bundle | TpTA great math game helps get rid of math anxiety, ends family math fights, gives kids tons of practice, and helps kids really truly LOVE math. Miss Brain's Cool Math Games currently comes in two levels.
