"As enjoyable as a day at the beach."
That's how USA TODAY summed up this
hilarious and big-hearted romp in the
Florida sunshine. When Murray Zemelman,
a.k.a. The Bra King, pops another Prozac
and heads to the Keys, he has nothing
much in mind beyond a quixotic hope of

winning back his first wife, Franny, whom
he dumped years before. But when he
forms an unlikely friendship with Tommy
Tarpon, the last remaining member of an
obscure Indian tribe, another plan also
starts shaping up in his fevered brain. Why
not open up Key West's first casino? Why
not? Well, how about because the Mafia, in
league with some of the nastiest
politicians you will ever meet, is
determined to kill anyone who tries?
Somehow, Murray, Tommy, and Franny
didn't think of that until they were in way

too deep. Laugh along as they improvise a
manic and ever more desperate campaign
to keep their casino dreams--and
themselves--alive.

Alice has a routine that only she follows
and she tries not to be too predictable
outside her home, leaving few clues for
anyone who might be following her...is
someone following her? Murder requires
technique. It also requires meticulous
planning and genuine care to detail if

you're going to do it right, correct? Random acts of violence are not Alice's style; however, when forced, she can play along. Meticulous Malice delves deeper into who Alice really is. Let's play the game by HER rules...

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will

make her question her background, her career, and the fate of the planet.

Some people prefer a little spice when it comes to the coloring of their cats. In *Ginger Cats*, artist Rachel M Brown shares a selection of her orange cat paintings. Many of the paintings are of one of Rachel's own ginger cats, an ill-tempered Manx that she and her husband welcomed into their lives. Whether it be a cat gazing out of a window or angel cats flying above, you will be sure to recognize something of your own ginger cat in these paintings. With over 20 color illustrations, this sweet book makes a perfect gift for the cat lover in your life. You can preview most of the paintings at [Cat-Paintings.com](#), which also has paintings and illustrations of other colors of cats.

HEAVEN RIDE is a techno-thriller about two loyal friends who unlock secrets of the human soul and invent a device that ejects the soul and long-term memory on its path to heaven, and then brings it back.

The "Pod" enables them to build Heaven Ride into the most lucrative empire the world has ever known, until ruthless rivals embark on a campaign of deceit, treachery and betrayal to wrest it away for their own insidious plan. This quandary of science and morality may change the way you think about heaven and the afterlife ... FOREVER. * * * David Brownington, a brilliant entrepreneurial mastermind with a leading business incubator, comes in contact with a mysterious gadget that measures wavelengths never seen before. His close friend, JW Gomez, a third-year Ph.D. candidate, supercedes the boundaries of his doctoral studies using a bio-pod that creates out-of-body experiences. Driven by memories of his little brother who perished in a gruesome accident as a child, JW's extra-curricular studies of sudden traumatic death lead to the astonishing discovery of the human soul. When David and JW merge these devices, they stumble upon the highway to heaven. Each of them falls in love as their miraculous invention takes the world by storm. Millions make the trip. As Heaven Ride prospers, its repercussions ripple throughout society. Protests, bombs

and kidnappings threaten to shut it down, posing risks to David, JW, their friends and families. Long after Heaven Ride becomes a household word, startling revelations put David and JW in the crosshairs of dangerous men seeking ultimate power. With HEAVEN RIDE, John Eccleston and Kerry Gleason have woven an intense tale of ambition, success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

Evanna Amaranthine, a ruthless, 600 year old vampire, has a new assignment: to leave the walls of Benajah, her beloved vampire guild, enter the realm of humans to stalk down her prey, Rian Delmar, and kill him. At first, the prospect of being around humans any longer than the time it takes to drain them repulses Evanna, but after moving in with her new human-loving vampire housemate, she soon becomes hopelessly entangled with Messiah Scarborough, his strikingly good-looking artist friend. When dreams of a past life begin to plague her as she continues her crusade, can she control emotions that threaten to overwhelm her? Filled with fast-paced action and steeped in suspense, *Benajah's Keeper* by Aeryn Dougan is an urban fantasy that will capture readers' hearts as it addresses the significance of family, fate, and loyalty. Dramatic, gritty, and deeply passionate, this unique take on the vampire legend

will definitely leave you wanting more.

A look at why we are interested in what we see in art. Are we born with aesthetic preferences that are shaped by cultural influences? Is our natural attraction to

Beauty another weapon in our arsenal of species' survival? This book examines many so-called rules of composition in the visual arts to find natural reasons for their existence. It is designed to aide the visual artist and those who appreciate their work by bringing attention to subtle cues of attraction cultivated by our ancient and immediate ancestors. It calls upon recent work in neuroaesthetics and other scientific disciplines to back up its speculative claims, and asks the reader to contribute opinions of their own on the books' website at naturallycomposed.com. There are many examples of photos in the book, and the reader is again asked to insert their own examples to enforce or refute the claims.
