This book takes readers on a fascinating journey to the very heart of Tantra: its key teachings, foundational lineages, and transformative practices. Since the West's discovery of Tantra 100 years ago, there has been considerable fascination, speculation, and more than a little misinformation about this spiritual movement. Now, for the first time in the English language, Tantra Illuminated presents an accessible introduction to this sacred tradition that began 1,500 years ago, in the far north of India. The book uses translations from primary Sanskrit sources, offers a profound look at spiritual practice, and reveals Tantra's rich history and powerful teachings.

This epoch-making and monumental work on Vedic Mathematics unfolds a new method of approach. It relates to the truth of numbers and

magnitudes equally applicable to all sciences and arts. The book brings to light how great and true knowledge is born of intuition, quite different from modern Western method. The ancient Indian method and its secret techniques are examined and shown to be capable of solving various problems of mathematics. The universe we live in has a basic mathematical structure obeying the rules of mathematical measures and relations. All the subjects in mathematics- Multiplication, Division, Factorization, Equations, Calculus, Analytical Conics, etc.-are dealt with in forty chapters, vividly working out all problems, in the easiest ever method discovered so far. The volume, more a 'magic', is the result of intuitional visualization of fundamental mathematical truths born after eight years of highly concentrated endeavour of Jagadguru Sri Bharati Krsna Tirtha.

On December 28, 1992, two days before her tenth birthday, Katie Beers disappeared. She had left for an outing with a close family friend, John Esposito, and her whereabouts remained mysterious as the year drew to a close and her family grew frantic, fearing the worst. On January 13th, Katie was found alive in a secret, dungeon-like vault beneath Esposito's Bay Shore, Long Island house. Families nationwide followed the story of Katie's heartwrenching ordeal, as she bravely survived the isolation until her nearly miraculous rescue from a setting reminiscent of *The Silence of The Lambs*. Katie's harrowing story reveals a chilling side of human nature, even in the seemingly peaceful suburbs. And her fate as the smiling survivor of a troubled family raises disturbing questions about the plight of children across America: children like Katie, whose trust can be so easily betrayed.

The movement known as Hindu Resurgence, Hindu Awakening or Hindu Renaissance has become increasingly noticeable, and there is a distinct effort to liberate Hinduism from the definitions and limitations imposed by the domination of hostile outsiders. However, confusion and lack of proper information are still serious obstacles on the path of proper understanding and realisation. India, or as it was called in ancient times, Bharata Varsha, has an immense potential that can be materialised simply by returning to the correct original perspective of the golden Vedic civilisation that is the natural heritage of all Indians and in fact of all human beings. The Rig Veda samhita (9.63.5) points us in the correct direction: Krinvanto visvam aryam, "Let everyone become arya"
