Particular Books
Girls will discover dozens of fun ways to be creative with this book packed with projects! With special punch-out pages, girls can

make a cootie catcher, bingo boards, a gift box, a secret note dispenser, a micro mobile, and so much more. This book also offers lots of games, crafts, journal-writing activities, and sticker fun for girls to share with friends and family, or to do on their own.

**The Manual of
Accidents and Mistakes**

Penguin
NEW YORK TIMES
BUSINESS BEST SELLER •
A suspenseful behind-the-scenes look at the dysfunction that contributed to one of the worst tragedies in modern aviation: the 2018 and 2019 crashes of the Boeing 737 MAX. An "authoritative, gripping and finely detailed

narrative that charts the decline of one of the great American companies" (New York Times Book Review), from the award-winning reporter for Bloomberg. Boeing is a century-old titan of industry. It played a major role in the early days of commercial flight, World War II bombing missions, and moon landings. The planemaker remains a cornerstone of the U.S. economy, as well as a linchpin in the awesome routine of modern air travel. But in 2018 and 2019, two crashes of the

Boeing 737 MAX 8 killed 346 people. The crashes exposed a shocking pattern of malfeasance, leading to the biggest crisis in the company's history—and one of the costliest corporate scandals ever. How did things go so horribly wrong at Boeing? Flying Blind is the definitive exposé of the disasters that transfixed the world. Drawing from exclusive interviews with current and former employees of Boeing and the FAA; industry executives and analysts; and family

members of the victims, it reveals how a broken corporate culture paved the way for catastrophe. It shows how in the race to beat the competition and reward top executives, Boeing skimmed on testing, pressured employees to meet unrealistic deadlines, and convinced regulators to put planes into service without properly equipping them or their pilots for flight. It examines how the company, once a treasured American innovator, became

obsessed with the bottom line, putting shareholders over customers, employees, and communities. By Bloomberg investigative journalist Peter Robison, who covered Boeing as a beat reporter during the company's fateful merger with McDonnell Douglas in the late '90s, this is the story of a business gone wildly off course. At once riveting and disturbing, it shows how an iconic company fell prey to a win-at-all-costs mentality, threatening an industry and endangering

countless lives.

How to be an Explorer of the World American Girl

From the internationally bestselling creator of Wreck This Journal, a guide to building your own perfect world. In *The Imaginary World of...*, Keri Smith asks readers to imagine something new: a unique world of their own making. Readers start by creating a list of everything to which they're drawn: things they love and collect, colors, shapes, ideas, people, and creatures that

fascinate them. The items in the list will become the building blocks for their imaginary worlds, used to create texture and establish a foundation for the new place they'll begin to inhabit. Readers will then be prompted to think about landscape, place names, maps, currency, residents, logos, foods, histories, and more for their world. An indispensable guide for artists, dreamers, activists, and explorers of all ages, *The Imaginary World of...* will encourage readers to become

revolutionaries of everyday life, chronicling the possibilities in the brave new worlds they envision.

This Is Not a Book

MessThe Manual of Accidents and Mistakes
A marriage of convenience isn't exactly what she had in mind. After a rocky start, Rachel Peters finally has her life on track. Then a tragic accident takes away her sister and leaves her to raise her niece, Kendra, alone. About to lose custody of her last blood relative, Rachel is

desperate to prove she can adequately care for her niece. On the verge of running away to keep Kendra, a new friend offers Rachel an opportunity she can't refuse. Brandon Barlow has long admired Rachel. When her world begins to fall apart, he feels led to help. A marriage of convenience would enable him to provide Rachel and Kendra with a stable place to live, proper health insurance, and a viable shot at staying together. Once Rachel gained full custody of her niece, the

marriage could be annulled. His plan provides the perfect solution, until Brandon realizes he's fallen in love with Rachel. Through love and patience, can he help Rachel realize that, even when she experiences storms in her life, she's never alone?

An Indie Next List Selection Keri Smith, creator of the mega-bestselling Wreck This Journal, now brings her imagination and inspiration to children

with this picture book that explores the very active experience of reading. What if there were a book that changed every time you read it? Actually, every book does this. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and

to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless wrecking!)
Careful Penguin

The Guerilla Art Kit

Perigee
The little-known true story of a mysterious nuclear reactor disaster—years before Three Mile Island, Chernobyl, or Fukushima. Before the Three Mile Island incident or the Chernobyl disaster, the world's first nuclear reactor meltdown to claim lives happened on US soil. Chronicled here for the first time is the strange tale of SL-1, an experimental military reactor located in Idaho's Lost River Desert that exploded on the night of January 3, 1961, killing

the three crewmembers on duty. Through exclusive interviews with the victims' families and friends, firsthand accounts from rescue workers and nuclear industry insiders, and extensive research into official documents, journalist William McKeown probes the many questions surrounding this devastating blast that have gone unanswered for decades. From reports of faulty design and mismanagement to incompetent personnel

and even rumors of sabotage after a failed love affair, these plausible explanations raise startling new questions about whether the truth was deliberately suppressed to protect the nuclear energy industry. [A Guide for Prevention, Assessment, and Intervention](#) Penguin This beautiful box set contains the finest combination of three books, *Wreck This Book*, *This Is Not A Book* and *Mess*, from the best selling author Keri Smith. *Wreck This Box*. Staple

the box in an interesting pattern. Make a collage on one of the panels. Paint over, glue on photographs, scraps of paper, pieces of string . . . Write a secret message to yourself inside the box. *This Is Not A Box*. This is not a box, it's a plant pot. Poke holes in the bottom, fill with dirt, and plant some seeds! This is not a box, it's a diorama. Create a miniature scene inside. This is not a box, it's a disguise. Cut out the classes on the top panel. *Make A Mess With The Box*. Cover this box with

gum. Leave this box out in the rain. Use this box to build a sand castle.

The Line Cambridge University Press
With this bundle, collect all four editions of Keri Smith's Wreck This Journal, including the classic black, as well as three special limited edition covers: duct-tape, red mesh, and paper bag. In these updated editions, Wreck This Journal asks readers to muster up their best mistake and mess-making abilities and to fill the pages of the book (or destroy them). Through a

series of creatively and quirkily illustrated prompts, acclaimed artist Keri Smith encourages journalers to engage in "destructive" acts--poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more--in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art and journal making, discovering novel ways to escape the fear of the

blank page and fully engage in the creative process. .

Wreck This Journal (Black) Expanded Ed
Createspace Independent Publishing Platform
From the internationally bestselling creator of Wreck This Journal comes an imaginative new project: fifty postcards that send you on a quest to reanimate everyday life... Leave notes in public for strangers, dream up a tiny imaginary world, summon magic powers, draw a portrait of yourself as a hero, create

your own treasure map, or access a secret portal whenever you wish. Don't you just love getting something unexpected in the mail? With Everything Is Connected, your mission is to reimagine your world—and the worlds of everyone around you—one postcard at a time. Creative, collaborative, and winkingly subversive, this postcard set is a manifesto, a mission, a game, and an invitation in one convenient package.

Keri Smith Deluxe Boxed Set Independently

Published

It is astonishing to think that many great archaeological discoveries occurred in Egypt only by way of accident during the 19th and 20th centuries. Even today accidents still play a vital, frequent and sometimes comical role, with new discoveries happening almost weekly and with many more secrets of the ancient Egyptian civilization still remaining. This book takes readers beyond these discoveries and their associated accidents. This book

cannot be considered purely as an Egyptological and archaeological reading or even as dry history pages covering Egypt's modern era of the 19th and 20th centuries. Rather, it is a book that sheds light on the intimate links between the birth of Egyptology after the deciphering of the famous Rosetta Stone and the raging world politics and regional power shifts in Egypt and its surroundings. The book ties together the political storms of colonialism in the first half of the 19th

century and the unsettling effect these upheavals had on Egypt during the reign of Mohamed Ali Pasha. In a storytelling style, the book is a journey through time and place. The book takes readers on a guided tour to most of Egypt's well-known monuments that were mainly discovered by simple accident or in which an accident played a major part leading to discovery. In addition, the book leads readers through time exploring ancient Egypt, the days of the pharaohs, ancient

gods, rituals and public ceremonial festivals, with old and new stories that shed light on the true value of such discoveries in antiquity and modern day.

Wreck This Journal: Now in Color Particular Books
Now in one brand-new box, Keri Smith's wildly popular interactive journals: *Wreck This Journal* (the expanded edition), *This Is Not a Book*, *Mess*, and *The Pocket Scavenger* Do not open this box! It will lead to all kinds of unusual activities including the

destruction of books, random walking adventures, the collection of discarded objects, and other things people may disapprove of. You have been warned.

An Adventure Into the Unknown Penguin

"Not gonna lie, this is probably the coolest journal you'll ever see. . . . *Wreck This Journal* is here to inspire you."

—Buzzfeed A spectacular coloring and painting edition of the incredible journal that started it all, in celebration of the tenth anniversary of the 10-

million-copy international bestseller Perhaps you're a seasoned Wreck-er, having made your way through one or more copies of *Wreck This Journal*.  Penguin
 From author of *Wreck this Journal*, Keri Smith's *Finish this Book* is a creative adventure where the reader is the main character - and the author. Dear Reader, One dark and stormy night, I found some strange scattered pages abandoned in a park... I collected and assembled them, trying to solve the mystery of this

unexpected discovery, and I am now passing the task on to you. Your mission is to become the new author of this work. You will continue the research and provide the content. In order to complete the task, you will have to undergo some secret intelligence training, which I have included in this volume. Since no one knows what lies ahead, please proceed with caution, but know... This book does not exist without you. Yours truly, Keri Smith

encouraging readers to question their understanding of life and the way in which imagination is quantified. *To Create Is to Destroy* Princeton Architectural Press
Psst! Want to know a secret? Do you dare open me up? Because inside you'll find the incredible TRUTH about mind-boggling confidential stuff 'they' don't want you to know! And wanna know something else? Now, my New York Times-Bestselling self is an ebook!! Find out where

the Bermuda Triangle is, whether alien abductions actually happen, and the truth about crop circles. Explore lost worlds, unravel secret codes, marvel at mysterious places and meet spooks, spies, secret keepers and scandal makers of the world. When you've finished riddle solving, close me up in my funky cage so no one else can get at my secrets! But ssh! Don't tell a soul. [Idaho Falls](#) Particular Books
From the internationally bestselling creator of

Wreck This Journal, a curious, engaging, and creative rethinking of all the different things a book can be. In this uniquely skewed look at the purpose and function of a “book”, Keri Smith offers an illustrated guide that challenges readers to creatively examine all the different ways This Is Not a Book can be used. With intriguing prompts, readers will discover that the book can be: A secret message—tear out a page, write a note on it for a stranger, and leave it in a public place. A

recording device—have everyone you contact today write their name in the book. An instrument—create as many sounds as you can using the book, like flipping the pages fast or slapping the cover. This Is Not a Book forces you to ask, “If it’s not a book, what is it then?”—with a kaleidoscope of possible answers.

Report of the Presidential Commission on the Space Shuttle Challenger Accident
DIANE Publishing

Keri Smith's wildly popular interactive journals—*Wreck This Journal* (the expanded edition), *This Is Not a Book*, and *Mess*—are now available in one boxed set. Smith invites you to reimagine what a book can be (a secret message, a recording device, an

instrument). Poke holes in the pages. Paint them with coffee. Bring the book in the shower. Let loose and make a mess. And now you can even wreck the box. *Mess* W. W. Norton & Company Reviews the circumstances

surrounding the Challenger accident to establish the probable cause or causes of the accident. Develops recommendations for corrective or other action based upon the Commission's findings and determinations. Color photos, charts and tables.
