Penguin About the book Aimed at late intermediate/early upper intermediate English language students with the main focus on vocabulary building. Word formation is one of the key elements in all English

language exams. It is an important component in vocabulary building. By improving your vocabulary you become equipped with the ability to enhance your speaking and writing abilities. Being able to distinguish the parts of speech is essential in the word formation exercises. This will also enable you to begin to recognise sentence patterns - an indispensable requirement

when it comes to advancing in your studies. Basic sentence structure is also dealt with in the book. Learn how to form longer sentences correctly. Too many learners are writing in distorted English due to a direct translation from their own language. Begin to become familiar with sentence patterns in order to improve writing and speaking skills. The book also includes

plenty of grammar exercises for those of you who like to freshen up on grammar. Continuous revision of the main grammar points is always an excellent idea at any level of English, especially for those of you who do not live in an English speaking country. It is all too easy to forget if you do not practise. Practice makes perfect. About the author Jacqueline Melvin is a

certified ESL teacher of English as a foreign language.

National Geographic Books Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and

non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or

more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our

staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride

ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates. *Advanced*
