The former NFL quarterback examines the roots of masculinity gone awry and how it promotes violence against women. In *You Throw Like a Girl*, former Syracuse University quarterback and NFL veteran Don McPherson examines how the narrow definition of masculinity adversely impacts women and creates many “blind spots” that hinder the healthy development of men. Dissecting the strict set of beliefs and behaviors that underpin our understanding of masculinity, he contends that we don't raise boys to be men, we raise them not to be women. Using examples from his own life, including his storied football career, McPherson passionately argues that viewing violence against women as a “women's issue” not just ignores men's culpability but conflates the toxicity of men's violence with being male. In *You Throw Like a Girl*, McPherson leads us beyond the blind spots and toward solutions, analyzing how we can engage men in a sustained dialogue, with a new set of terms that are aspirational and more accurately representative of the emotional wholeness of men. “One of the most important books ever written by a former elite male athlete.” —Jackson Katz, author of *The Macho Paradox* “An essential exploration of what's holding men and sports back—and how to overcome it.” —The Washington Post “Don McPherson is a quarterback for a wider community.” —Newsday “A crucial read for anyone interested in learning more about how sports culture informs limited definitions of masculinity, and how such definitions are destructive for boys and men, and dangerous to

girls and women.” —The Undefeated (A Can't Miss Book of 2019) *Tangerine* Sleeping Bear Press

Faith, Football, and a Season to Believe Spot Plays Soccer
 Nico Medina's world is eleven miles away from mine. During the day, it's a place where doors are open—where homes are lived in, and neighbors love. But when the sun sets, it becomes a place where young boys are afraid, where eyes watch from idling cars that hide in the shadows and wicked smoke flows from pipes. West End is the kind of place that people survive. It buries them—one at a time, one way or another. And when Nico was a little boy, his mom always told him to run. I'm Reagan Prescott—coach's daughter, sister to the prodigal son, daughter in the perfect family. Life on top. Lies. My world is the ugly one. Private school politics and one of the best high school football programs in the country can break even the toughest souls. Our darkness plays out in whispers and rumors, and money and status trump all. I would know—I've watched it kill my family slowly, strangling us for years. In our twisted world, a boy from West End is the only shining light. Quarterback. Hero. Heart. Good. I hated him before I needed him. I fell for him fast. I loved him when it was almost too late. When two ugly worlds collide, even the strongest fall. But my world...it hasn't met the boy from West End.

Cory knows that football could be his ticket out. But leaving to attend private school also means struggling to fit into a world where most people look at him and just see a scholarship kid from the wrong side of town. Cory knows that if he can fight hard enough—both on and off the field—he may be able to secure a bright future that looks different from his unpromising past.

And if Danny can't pass this class, he won't be eligible to play in the championship game that could unlock his future. While his resentment rises against the only person willing to help him win off the field, the pressure to succeed begins to weigh heavily on Danny's shoulders. Danny is being tested on every level now, and to pass, he may very well have to choose a different path from his father's.

#1 NEW YORK TIMES BESTSELLER • After providing what is arguably the worst single performance in the history of the NFL, third-string quarterback Rick Dockery becomes a national laughingstock. Cut by the Cleveland Browns, and shunned by every other team, Rick insists that his agent find a team that does need him. Against enormous odds, Rick lands a job—as the starting quarterback for the Mighty Panthers ... of Parma, Italy. The Parma Panthers desperately want a former NFL player—any former NFL player—at their helm. And now they've got Rick, who knows nothing about Parma (not even where it is) and doesn't speak a word of Italian. To say that Italy—the land of fine wines, extremely small cars, and football americano—holds a few surprises for Rick Dockery would be something of an understatement.

"Look, Mick," he said, "you're going to find out from somebody in the gym, so you might as well find out from me. Those supplements you're taking? They might get you a little bigger, but just a little. If you're after serious results, there's other stuff that

produces better results much faster, stuff that a lot of guys in the gym use." "What other stuff?" "You know what I'm talking about—gym candy." Runningback Mick Johnson has dreams: dreams of cutting back, finding the hole, breaking into the open, and running free with nothing but green grass ahead. He has dreams of winning and of being the best. But football is a cruel sport. It requires power, grace, speed, quickness, and knowledge of the game. It takes luck, too. One crazy bounce can turn a likely victory into sudden defeat. What elite athlete wouldn't look for an edge? A way to make him bigger, stronger, faster? This novel explores the dark corners of the heart of a young football player as he struggles for success under the always glaring—and often unforgiving—stadium lights.
