The Summer After You and Me Farrar, Straus and Giroux (BYR)

The remarkable New York Times bestseller! It happens every year before homecoming -- the list is posted all over school. Two girls are picked from each grade. One is named the prettiest, one the ugliest. The girls who aren't picked are quickly forgotten. The girls who are become the center of attention, and each reacts differently to the experience. With THE LIST, Siobhan Vivian deftly takes you into the lives of eight very different girls struggling with issues of identity, self-esteem, and the judgments of their peers. Prettiest or ugliest, once you're on the list, you'll never be the same.

A gorgeous debut about family, friendship, first romance, and how to be true to one person you love without betraying another "One thing my mother never knew, and would disapprove of most of all, was that I watched the Garretts. All the time." The Garretts are everything the Reeds are not. Loud, numerous, messy, affectionate. And every day from her balcony perch, seventeen-year-old Samantha Reed wishes she was one of them . . . until one summer evening, Jase Garrett climbs her terrace and changes everything. As the two fall fiercely in love, Jase's family makes Samantha one of their own. Then in an instant, the bottom drops out of her world and she is suddenly faced with an impossible decision. Which perfect family will save her? Or is it time she saved herself? A dreamy summer read, full of characters who stay with you long after the story is over.

And heaven help anyone that stands in Cam's way. What does get in the way? Just their three-year age difference while she's in middle school, and he's in high school. And his long line of "gagging geese" that follow him like he's a boy band superstar. And the illness Jake hides from everyone until his devotion to Cam makes it an impossibility. Simon and Schuster

"Greeley's storytelling is intricate, masterly, and delightfully imaginative. Highly recommended."—Library Journal (starred review) In this gorgeously written and spellbinding historical novel based on *Pride and Prejudice*, the author of *The Clergyman's Wife* combines the knowing eye of Jane Austen with the eroticism and Gothic intrigue of Sarah Waters to reimagine the life of the mysterious Anne de Bourgh. As a fussy baby, Anne de Bourgh was prescribed laudanum to quiet her, and now the young woman must take the opium-heavy tincture every day. Growing up sheltered and confined, removed from sunshine and fresh air, the pale and overly slender Anne grew up with few companions except her cousins, including Fitzwilliam Darcy. Throughout their childhoods, it was understood that Darcy and Anne would marry and combine their vast estates of Pemberley and Rosings. But Darcy does not love Anne or want her. After her father dies unexpectedly, leaving her his vast fortune, Anne has a moment of clarity: what if her life of fragility and illness isn't truly real? What if she could free herself from the medicine that clouds her sharp mind and leaves her body weak and lethargic? Might there be a better life without the medicine she has been told she cannot live without? In a frenzy of desperation, Anne discards her laudanum and flees to the London home of her cousin, Colonel John Fitzwilliam, who helps her through her painful recovery. Yet once she returns to health, new challenges await. Shy and utterly inexperienced, the wealthy heiress must forge a new identity for herself, learning to navigate a "season" in society and the complexities of love and passion. The once wan, passive Anne gives way to a braver woman with a keen edge—leading to a powerful reckoning with the domineering mother determined to control Anne's fortune . . . and her life. An extraordinary tale of one woman's liberation, *The Heiress* reveals both the darkness and light in Austen's world, with wit, sensuality, and a deeply compassionate understanding of the human heart.

Grendel's Guide to Love and War Penguin

Teens waging a war of practical jokes declare peace when they fall for one another in this charming YA romantic comedy from Jessica Pennington.

They have a love-hate relationship with summer. Sidney and Asher should have clicked. Two star swimmers forced to spend their summers on a lake together sounds like the perfect match. And now, after their senior year, they're determined to make it the most epic yet. But their plans are thrown in sudden jeopardy when their feud causes their families to be kicked out of their beloved lake houses. Once in their new accommodations, Sidney expects the prank war to continue as usual. But then she gets a note—Meet me at midnight. And Asher has a proposition for her: join forces for one last summer of epic pranks, against a shared enemy—the woman who kicked them out. Their truce should make things simpler, but six years of tormenting one another isn't so easy to ignore. Kind of like the undeniable attraction growing between them. A dazzling, not-to-be-missed debut." --Kathleen Glasgow, author of *Girl in Pieces* In one impulsive moment the summer before they leave for college, Scarlett and David plunge into a brief and irresistible swirl of romance, particle physics, and questionable decisions. Scarlett and David have known each other all their lives in small-town Graceville, Colorado, where David is just another mountain in the background, until, one day, he is suddenly so much more than part of the scenery. Magnetic, spontaneous, David is a gravitational force. And Scarlett, pragmatic, wry, eye on the future, welcomes the pull he has on her even as she resists it. Moving between the present and the past, this is the story of a seemingly grounded girl who's pulled into a lightning-strike romance with an electric-charged boy, and the enormity of the aftermath. Smart, bold, and emotionally deep, Shana Youngdahl's debut explores grief, guilt, and reconciling who you think you need to be with the person you've been all along.
