Becoming Tom Thumb Createspace Independent Publishing Platform

The definitive Kerouac collection—now in Penguin Classics To coincide with the 50th anniversary celebration of *On the Road*, Penguin Classics republishes this landmark collection. The Portable Jack Kerouac made clear the ambition and accomplishment of Kerouac's "Legend of Duluoz"—the story of his life told in his many "true story" novels. Featuring selections from Kerouac's autobiographical fiction, as well as from his poetry, criticism, Buddhist writings, and letters, *The Portable Jack Kerouac* offers a total immersion in an American master. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Rum Diary Da Capo Press

Jack Kerouac's classic novel about friendship, the search for meaning, and the allure of nature First published in 1958, a year after *On the Road* put the Beat Generation on the map, *The Dharma Bums* stands as one of Jack Kerouac's most powerful and influential novels. The story focuses on two ebullient young Americans—mountaineer, poet, and Zen Buddhist Japhy Ryder, and Ray Smith, a zestful, innocent writer—whose quest for Truth leads them on a heroic odyssey, from marathon parties and poetry jam sessions in San Francisco's Bohemia to solitude and mountain climbing in the High Sierras.

The Dharma Bums, Etc Penguin

Over the past half century in America, Buddhism has grown from a transplanted philosophy to a full-fledged religious movement, rich in its own practices, leaders, adherents, and institutions. Long favored as an essential guide to this history, *Buddhism in America* covers the three major groups that shape the tradition—an emerging Asian immigrant population, native-born converts, and old-line Asian American Buddhists—and their distinct, yet spiritually connected efforts to remake Buddhism in a Western context. This edition updates existing text and adds three new essays on contemporary developments in American Buddhism, particularly the aging of the baby boom population and its effect on American Buddhism's modern character. New material includes revised information on the full range of communities profiled in the first edition; an added study of a second generation of young, Euro-American leaders and teachers; an accessible look at the increasing importance of meditation and neurobiological research; and a provocative consideration of the mindfulness movement in American culture. The volume maintains its detailed account of South and East Asian influences on American Buddhist practices, as well as instances of interreligious dialogue, socially activist Buddhism, and complex gender roles within the community. Introductory chapters describe Buddhism's arrival in America with the nineteenth-century transcendentalists and rapid

spread with the Beat poets of the 1950s. The volume now concludes with a frank assessment of the challenges and prospects of American Buddhism in the twenty-first century.

Tristessa Columbia University Press

Originally subtitled "An Adventurous Education, 1935-1946," *Vanity of Duluoz* is a key volume in Jack Kerouac's lifework, the series of autobiographical novels he referred to as *The Legend of Duluoz*. With the same tender humor and intoxicating wordplay he brought to his masterpieces *On the Road* and *The Dharma Bums*, Kerouac takes his alter ego from the football fields of small-town New England to the playing fields and classrooms of Horace Mann and Columbia, out to sea on a merchant freighter plying the sub-infested waters of the North Atlantic during World War II, and back to New York, where his friends are the writers who would one day become known as the Beat generation and where he published his first novel. Written in 1967 from the vantage point of the psychedelic sixties, *Vanity of Duluoz* gives a fascinating portrait of the young Kerouac, dedicated and disciplined in his determination from an early age to be an important American writer.

Book of Dreams Library of America Jack Kerouac

Though raised Catholic, in the early 1950s Jack Kerouac became fascinated with Buddhism, an interest that would have a profound impact on his ideas of spirituality and their expression in his writing from *Mexico City Blues* to *The Dharma Bums*. Published for the first time in book form, *Wake Up* is Kerouac's retelling of the story of Prince Siddhartha Gautama, who as a young man abandoned his wealthy family and comfortable home for a lifelong search for Enlightenment. As a compendium of the teachings of the Buddha, *Wake Up* is a profound meditation on the nature of life, desire, wisdom, and suffering. Distilled from a wide variety of canonical scriptures, *Wake Up* serves as both a concise primer on the concepts of Buddhism and as an insightful and deeply personal document of Kerouac's evolving beliefs. It is the work of a devoted spiritual follower of the Buddha who also happened to be one of the twentieth century's most influential novelists. *Wake Up: A Life of the Buddha* will be essential reading for the legions of Jack Kerouac fans and for anyone who is curious about the spiritual principles of one of the world's great religions.

Charles Stratton, P. T. Barnum, and the Dawn of American Celebrity Penguin

Guidebook to San Francisco and the Bay Area. In addition to the attractions, it lists practical information about hotels, trains, restaurants, theaters.

The Dharma Bums Amereon Limited

Winner of the Henry-Russell Hitchcock Award, Victorian Society of America (2014) When P. T. Barnum met twenty-five-inch-tall Charles Stratton at a Bridgeport, Connecticut hotel in 1843, one of the most important partnerships in entertainment history was born. With Barnum's promotional skills and the miniature Stratton's comedic talents, they charmed a *Who's Who* of the 19th century, from Queen Victoria to Charles Dickens to Abraham Lincoln. Adored worldwide as "General Tom Thumb," Stratton played to sold-out shows for almost forty years. From his days as a precocious child star to his tragic early death, *Becoming Tom Thumb* tells the full story of this iconic figure for the first time. It details his triumphs on the New York stage, his epic celebrity wedding, and his around-the-world tour, drawing on newly available primary sources and interviews. From the

mansions of Paris to the deserts of Australia, Stratton's unique brand of Yankee comedy not only earned him the accolades of millions of fans, it helped move little people out of the side show and into the lime light.

A Novel Penguin

From the author of *On The Road* comes this story of two men engaged in a passionate search for Dharma or truth. Their major adventure is the pursuit of the Zen Way, which takes them climbing into the high sierras to seek the lesson of solitude.

Book of Haikus Penguin

Highlighting a lesser-known aspect of one of America's most influential authors, this new collection displays Jack Kerouac's interest in and mastery of haiku. Experimenting with this compact poetic genre throughout his career, Kerouac often included haiku in novels, correspondence, notebooks, journals, sketchbooks, and recordings. In this collection, Kerouac scholar Regina Weinreich supplements an incomplete draft of a haiku manuscript found in Kerouac's archives with a generous selection of Kerouac's other haiku, from both published and unpublished sources. With more than 500 poems, this is a must-have volume for Kerouac enthusiasts everywhere.

Jack's Book New Directions Publishing

"Biespiel's supple memoir of becoming a poet will surely inspire other writers to embrace the bodily character of writing and feel the power and, sometimes, the emptiness of the act of writing poetry." —Publishers Weekly (starred review) *The Education of a Young Poet* is David Biespiel's moving account of his awakening to writing and the language that can shape a life. Exploring the original source of his creative impulse—a great-grandfather who traveled alone from Ukraine to America in 1910, eventually settling as a rag peddler in the tiny town of Elma, Iowa—through the generations that followed, Biespiel tracks his childhood in Texas and his university days in the northeast, led along by the "'pattern and random bursts that make up a life.'" His book offers an intimate recollection of how one person forges a life as a writer during extraordinary times. From the Jewish quarter of Houston in the 1970s to bohemian Boston in the 1980s, from Russia's Pale of Settlement to a farming village in Vermont, Biespiel remains alert to the magic of possibilities—ancestral journeys, hash parties, political rallies, family connections, uncertain loves, the thrill of sex, and lasting friendships. Woven throughout are reflections on the writer's craft coupled with a classic coming-of-age tale that does for Boston in the 1980s what Hemingway's *A Moveable Feast* did for Paris in the 1920s and Broyard's *Kafka Was the Rage* did for Greenwich Village in the 1950s. Restless with curiosity and enthusiasm, *The Education of a Young Poet* is a singular and universal bildungsroman that movingly demonstrates, "in telling the story of one's coming into consciousness, all languages are more or less the same."

The Witches and the Grinnygog Penguin

The Dharma Bums Penguin

Mastering Mother Mountain The Dharma Bums

This new collection of poems by Ferlinghetti is graced with a short introduction by the poet. For more than 50 years Ferlinghetti has been illuminating both the everyday and the unusual, all the while keeping true to his original dictum of speaking in a way accessible to everyone.

Penguin UK

In the spring of 1943, during a stint in the Merchant Marine, twenty-one-year old Jack Kerouac set out to write his first novel. Working diligently day and night to complete it by hand, he titled it *The Sea Is My Brother*. Now, nearly seventy years later, its long-awaited publication provides fascinating details and insight into the early life and development of an American literary icon. Written seven years before *The Town* and *The City* officially launched his writing career, *The Sea Is My Brother* marks a pivotal point in which Kerouac began laying the foundations for his pioneering method and signature style. A clear precursor to such landmark works as *On the Road*, *The Dharma Bums*, and *Visions of Cody*, it is an important formative work that bears all the hallmarks of classic Kerouac: the search for spiritual meaning in a materialistic world, spontaneous travel as the true road to freedom, late nights in bars and apartments engaged in intense conversation, the desperate urge to escape from society, and the strange, terrible beauty of loneliness.

Earth House Hold Open Road Media

THE DHARMA BUMS appeared just one year after the author's explosive ON THE ROAD had put the Beat Generation on the literary map and Kerouac on the best-seller list. The same expansiveness, humour and contagious zest for life that sparked the earlier novels sparks this one too, but through a more cohesive story. The books follow two young men engaged in a passionate search for dharma or truth. Their major adventure is the pursuit of the Zen way, which takes them climbing into the high sierras to seek the lesson of solitude. With an Introduction by Kerouac expert, Ann Douglas.

Some of the Dharma RosettaBooks

A collector's edition of five works by the late Beat Generation classic writer combines the eminent "On the Road" with the novels, "The Dharma Bums," "The Subterraneans," "Tristessa," and "Lonesome Traveler."

Desolation Angels Vintage

Retiring to a seaside cabin near San Francisco, Jack Duluo looks for tranquility, but finds only horror and despair.

Jack Kerouac's (e)masculinity in The Dharma Bums Penguin

After spending months as a fire lookout on a remote mountain, Jack Duluo returns to his life in San Francisco and discovers how his isolation has affected his life. As he hitches, walks, and talks his way across the world, Duluo perceives the angel that is in everything. It is life as he sees it.

Lyric Poems & Others (1997-2000) Penguin

In 1952 and 1953 as he wandered around America, Jack Kerouac jotted down spontaneous prose poems, or "sketches" as he called them, on small notebooks that he kept in his shirt pockets. The poems recount his travels—New York, North Carolina, Lowell (Massachusetts, Kerouac's birthplace), San Francisco, Denver, Kansas, Mexico—observations, and meditations on art and life. The poems are often strung together so that over the course of several of them, a little story—or travelogue—appears, complete in itself. Published for the first time, *Book of Sketches* offers a luminous, intimate, and transcendental glimpse of one of the most original voices of the twentieth century at a key time in his literary and spiritual development.

Fear and Loathing at Rolling Stone City Lights Books

Both Pound and Williams have shown a good poet can revitalize prose style. *Earth House Hold* (a play on the root meaning of "ecology"), drawn from Gary Snyder's essays and journals, may prove a

landmark for the new generation. "As a poet," Snyder tells us, "I hold the most archaic values on earth. They go back to the late Paleolithic; the fertility of the soil, the magic of animals, the power-vision in solitude, the terrifying intuition and rebirth; the love and ecstasy of the dance, the common work of the tribe." He develops, as replacement for shattered social structures, a concept of tribal tradition which could lead to "growth and enlightenment in self-disciplined freedom. Whatever it is or ever was in any other culture can be reconstructed from the unconscious through meditation...the coming revolution will close the circle and link us in many ways with the most creative aspects of

our archaic past."

Kerouac in Florida Simon and Schuster

The Subterraneans haunt the bars and clubs of San Francisco, surviving on a diet of booze and benzedrine, Proust and Verlaine. Living amongst them is Leo, an aspiring writer, and Mardou, half-Indian, half-Negro, beautiful and neurotic. Their bitter-sweet and ill-starred love affair sees Kerouac at his most evocative. Many regard this as being Kerouac's most touching and tender book.
