JOURNEY BURCH

A Novel Simon and Schuster
The eagerly awaited paperback edition of the No. 1 bestselling hardcover featuring a stand-alone sequel to

The Outsider, and three additional irresistible novellas. News people have a saying: 'If it bleeds, it leads'. And a bomb at Albert Macready Middle School is guaranteed to lead any bulletin. Holly Gibney of the Finders Keepers detective agency is working on

the case of a missing dog - and on her own need to be more assertive - when she sees the footage on TV. But when she tunes in again, to the late-night report, she realises something is not quite right about the correspondent who was first on the scene. So begins 'If It Bleeds', a stand-alone sequel to the No. 1 bestselling THE OUTSIDER featuring the incomparable Holly on her first solo case - and also the riveting title story in Stephen King's brilliant new collection. Dancing alongside are three more wonderful long stories from this 'formidably versatile author' (The Sunday Times) - 'Mr Harrigan's Phone', 'The Life of Chuck' and 'Rat'. All four display the richness of King's

storytelling with grace, humour, horror and breathtaking suspense. A fascinating Author's Note gives us a wonderful insight into the origin of each story and the writer's unparalleled imagination

A Novel Hodder Paperbacks
Detective Alex Morrow discovers that the darkest secrets never stay buried as she investigates the criminal underbelly of a seemingly tranquil seaside town. For reasons she can't quite explain, Alex Morrow is addicted to watching surveillance footage of Roxanna Fuentes--a gorgeous Spanish mother of two, in a tempestuous relationship with her boyfriend, who recently relocated to Glasgow under mysterious

circumstances. She is also Morrow's prime suspect in an investigation that resembles a soap opera, filled with glamorous jetsetters and enough money to interest the highest levels of law enforcement. Until Roxanna vanishes. Morrow traces Roxanna's steps to Helensburgh, a sleepy, picturesque seaside community. But behind the idyllic Victorian homes and quaint storefronts, darkness lurks. Home to a man with blood on his hands who is haunted by guilt, a mysterious woman with ulterior motives back in town for the first time in decades, a sexually frustrated restaurateur looking to blow off steam, and a crew of vicious small-time

gangsters blindly following orders, it's a town ruled by base instincts where no one is quite what they seem. And it's the perfect place to get rid of someone. When she uncovers an unsettling connection to Roxanna's job back in Glasgow, Morrow suspects that her missing person is more than a white-collar criminal on the lam-- she may also be a victim caught up in a sophisticated conspiracy that stretches far beyond Helensburgh and is more personal than Morrow ever imagined. As the truth rises to the surface and the conflicts that lie beneath Helensburgh's calm waters threaten to explode, Morrow must find Roxanna before any hope of

solving the case disappears with her. A gripping tale of greed, power, and vengeance, Blood, Salt, Water is a masterful crime novel from Denise Mina that confirms her reputation as "one of the genre's brights stars" (George Pelecanos).

" Antes del amanecer, en una ciudad del medio-oeste, cientos de desempleados esperan la apertura de la oficina de empleo para solicitar uno de los mil puestos de trabajo que se han anunciado. Han hecho fila durante toda la noche. De repente, sin previo aviso, un Mercedes surge de la fíra niebla de la madrugada y atropella a todos los que

encuentra en su camino, retrocediendo y volviendo a arremeter contra ellos. El asesino huye dejando ocho muertos y quince heridos. Meses despéus, en otro rinócn de la ciudad, Bill Hodges, un poliíca jubilado que sigue obsesionado con este caso sin resolver, recibe una carta aónnima de quien se declara culpable de la masacre: Brady Hartsfield. Vive todaíva con su madre alcohólica y disfruót tanto de la sensacóin de la muerte bajo los neuámnticos del Mercedes, que ahora quiere repetirlo. Hodges esát decidido a evitar una nueva tragedia. Mr. Mercedes es una batalla entre el bien y el mal presentada por el maestro del suspense,

cuya mirada al interior de la mente de este asesino demente es escalofriante e inolvidable."--Back cover.

When We Were Birds
Titan Books (US, CA)

A masterful, intensely suspenseful novel about a reader whose obsession with a reclusive writer goes much too far—the #1 New York Times bestseller about the power of storytelling, starring the same trio of unlikely and winning heroes Stephen King introduced in *Mr. Mercedes*. “Wake up, genius.” So begins King’s instantly riveting story about a vengeful reader. The genius is John Rothstein, an iconic author who created a famous character, Jimmy Gold, but who hasn’t published a book for

decades. Morris Bellamy is livid, not just because Rothstein has stopped providing books, but because the nonconformist Jimmy Gold has sold out for a career in advertising. Morris kills Rothstein and empties his safe of cash, yes, but the real treasure is a trove of notebooks containing at least one more Gold novel. Morris hides the money and the notebooks, and then he is locked away for another crime.

Decades later, a boy named Pete Saubers finds the treasure, and now it is Pete and his family that Bill Hodges, Holly Gibney, and Jerome Robinson must rescue from the ever-more deranged and vengeful Morris when he’s released from prison after thirty-five years. Not since *Misery*

has King played with the notion of a reader whose obsession with a writer gets dangerous. Finders Keepers is spectacular, heart-pounding suspense, but it is also King writing about how literature shapes a life—for good, for bad, forever.

My Best Friend's Exorcism Simon and Schuster

Originally published: New York: Scribner, 2014.

A Novel Little, Brown From the New York Times best-selling author of *The Southern Book Club's Guide to Slaying Vampires* comes a hilarious and terrifying haunted house story in a thoroughly

contemporary setting: a furniture superstore. Something strange is happening at the Orsk furniture superstore in Cleveland, Ohio. Every morning, employees arrive to find broken Kjerring bookshelves, shattered Glans water goblets, and smashed Liripip wardrobes. Sales are down, security cameras reveal nothing, and store managers are panicking. To unravel the mystery, three employees volunteer to work a nine-hour dusk-till-dawn shift. In the dead of the night, they'll patrol the empty showroom floor, investigate strange sights and sounds, and encounter horrors that defy the imagination. *The Wild Wisdom of Weeds* Simon and Schuster
Now a major motion

picture starring Ewan McGregor! From master storyteller Stephen King, his unforgettable and terrifying sequel to *The Shining*—an instant #1 New York Times bestseller that is “[a] vivid frightscape” (*The New York Times*). Years ago, the haunting of the Overlook Hotel nearly broke young Dan Torrance’s sanity, as his paranormal gift known as “the shining” opened a door straight into hell. And even though Dan is all grown up, the ghosts of the Overlook—and his father’s legacy of alcoholism and violence—kept him drifting aimlessly for most of his life. Now, Dan has finally found some order in the chaos by working in a local hospice, earning the nickname “Doctor

Sleep” by secretly using his special abilities to comfort the dying and prepare them for the afterlife. But when he unexpectedly meets twelve-year-old Abra Stone—who possesses an even more powerful manifestation of the shining—the two find their lives in sudden jeopardy at the hands of the ageless and murderous nomadic tribe known as the True Knot, reigniting Dan’s own demons and summoning him to battle for this young girl’s soul and survival...

Finders Keepers Simon and Schuster

Now in one stunning collection, four of Stephen King’s most well-loved horror stories: *The Mist*, *Apt Pupil*, *The Body*, and *The Sun Dog*. Each

standalone story is a riveting master class in short fiction from “the reigning King of American popular literature” (Los Angeles Daily News). In *The Mist*, terror descends in the wake of a summer storm. David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies and become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on the group’s nerves, staying in the store may prove fatal—so, the Draytons, Brent, and a handful of other survivors attempt their escape. But what’s out there may be worse than what they left behind. *Apt Pupil* follows Todd Bowden, a top-

performing student and all around “good kid” who learns his teacher, Mr. Dussander, is more than he seems. Turns out, Mr. Dussander is the target of a decades-old manhunt. He’s never been caught, and Todd doesn’t want to be the one to turn him in. Instead, Todd will face his fears and learn the real meaning of power—and the seductive lure of evil. In *The Body*, it’s 1960 in the fictional town of Castle Rock, Maine, and a boy from a neighboring town has vanished. Twelve-year-old Gordie Lachance and his three friends set out on a quest to find his body along the railroad tracks. During the course of their journey, Gordie, Chris Chambers, Teddy

Duchamp, and Vern Tessio come to terms with death and the harsh truths of growing up in this iconic, unforgettable, coming-of-age story that was also adapted in the 1986 film classic *Stand by Me*. In *The Sun Dog*, Kevin Delevan receives the perfect gift for his fifteenth birthday: a Polaroid Sun 660. But no matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film. When old Pop Merrill, the town’s sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the *Sun Dog*, a beast that shouldn’t exist at all, is

a dangerous investment... This beautiful boxed set makes the perfect gift for seasoned King fans and newcomers alike—and features impeccably crafted, page-turning stories you'll return to again and again.

Shining in the Dark

Simon and Schuster #1 New York Times bestselling author Stephen King's novella *The Sun Dog*, published in his award-winning 1990 story collection *Four Past Midnight*, now available for the first time as a standalone publication. The dog is loose again. It is not sleeping. It is not lazy. It's coming for you. Kevin Delavan wants only one thing for his fifteenth birthday: a Polaroid Sun 660. There's something wrong with

his gift, though. No matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film as if it intends to break through. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the Sun Dog, a beast that shouldn't exist at all, turns out to be a very dangerous investment. **Mr. Mercedes** Quirk Books "A ... suspenseful closing volume--Brady Hartsfield, the Mercedes killer, ... returns to diabolically drive his victims to suicide in this last, ...

installment starring the ever more winning Bill Hodges and Holly Gibney"--

Doctor Sleep

Doubleday

They killed the king. They pinned it on two men. They chose poorly. There's no ancient evil to defeat, no orphan destined for greatness, just two guys in the wrong place at the wrong time...Royce Melborn, a skilled thief, and his mercenary partner, Hadrian Blackwater make a profitable living carrying out dangerous assignments for conspiring nobles until they become the unwitting scapegoats in a plot to murder the king. Sentenced to death, they have only one way out--and so begins this epic tale of treachery and adventure, sword

fighting and magic, myth and legend.

ABOUT THE SERIES The Crown Conspiracy is book one of the multi-book saga: The Riyria Revelations. Instead of a string of sequels, this six-book fantasy series was conceived as a single epic tale divided into individual novels. While one book may hint at building mysteries and thickening plots, these threads are not essential to reach a

satisfying conclusion to the current episode-- which has its own beginning, middle, and end. It should be noted that all six were written before the first was released to ensure continuity across a complex plot filled with twists, turns, and page-turning mysteries. Characterization occur across the whole series allowing readers to build friendships with likeable characters that are shaped as events unfold. The Riyria Revelations is written for adults but has no sex and limited violence centered on swordplay and is therefore, appropriate for younger audiences and a movie version based on the novels would garnish a PG-13 rating.

Mr. Mercedes Scribner
A magnificently

packaged boxed set of hardcover editions of Mr. Mercedes, Finders Keepers, and End of Watch, the Edgar award-winning trilogy starring Bill Hodges, Holly Gibney, Jerome Robinson, and the diabolical Mercedes Killer, Brady Hartsfield—with unique new jackets and case. a stand-alone sequel to the No. 1 bestseller *The Outsider*, plus three irresistible novellas Simon and Schuster

In this spectacular New York Times bestselling father/son collaboration that “barrels along like a freight train” (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the

mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman’s prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today. *The Crown Conspiracy* Simon and Schuster

As a medical detective of the modern world, forensic pathologist Ryan Blumenthal's chief goal is to bring perpetrators to justice. He has performed thousands of autopsies, which have helped bring numerous criminals to book. In *Autopsy* he covers the hard lessons learnt as a rookie pathologist, as well as some of the most unusual cases he's encountered. During his career, for example, he has dealt with high-profile deaths, mass disasters, death by lightning and people killed by African wildlife. Blumenthal takes the reader behind the scenes at the mortuary, describing a typical autopsy and the instruments of the trade. He also shares a few trade secrets, like

how to establish when a suicide is more likely to be a homicide. Even though they cannot speak, the dead have a lot to say – and Blumenthal is there to listen.

2nd Chance Scribner
As he faces a devastating personal loss, Detective Michael Bennett is about to take on the most sinister challenge of his career: a kidnapping crisis that could destroy the most powerful people in America. The nation has fallen into mourning after the unexpected death of a beloved former First Lady, and the most powerful people in the world gather in New York for her funeral. Then the inconceivable occurs: Billionaires, politicians, and superstars of every

kind are suddenly trapped within one man's brilliant and ruthless scenario. Bennett, father of ten, is pulled into the fray. As the danger escalates, Michael is hit with devastating news: After fighting for many years, his wife has succumbed to a terrible disease. As New York descends into chaos, Bennett has lost the great love of his life and faces raising his ten devastated children alone-and rescuing 34 hostages. Day after day, Bennett confronts the most ruthless man he has ever dealt with, a man who kills without hesitation and counters everything the NYPD and FBI throw at him with impunity. As the entire world watches and the tension boils to a searing heat, Bennett

has to find a way out-or face responsibility for the greatest debacle in history. *Stephen King Short Fiction* Simon and Schuster Enter once more the world of Roland Deschain—and the world of the Dark Tower...presented in this stunning fourth graphic novel of The Drawing of the Three story arc that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. "The man in black fled across the desert, and the gunslinger followed." With these unforgettable words, millions of readers were introduced to

Stephen King’s iconic character Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the graphic novel series adaptation Stephen King’s *The Dark Tower: The Drawing of the Three*, originally published by Marvel

Comics in single-issue form and creatively overseen by Stephen King himself, the full story of Roland’s saga continues. Sumptuously drawn by Piotr Kowalski, Jonathan Marks, Juanan Ramirez, and Cory Hamscher, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *The Drawing of the Three* adaptation is an extraordinary and terrifying journey—ultimately introducing a generation of new readers to Stephen King’s modern literary classic *The Dark Tower*, while giving longtime fans thrilling adventures transformed from his blockbuster novels. *Step on a Crack* Simon
