The Prince and Other Pieces Hardpress Publishing

"The Decameron" by Giovanni Boccaccio is a collection of 100 tales told by a group of young people sheltering in a villa outside Florence during the Black Death. As the plague ravages the city, ten noble men and women escape to the countryside and entertain themselves by telling stories over a period of ten days. Each day, one member of the group is appointed as the "king" or

"queen" of the day, and they choose a theme for the stories to be told. The tales cover a wide range of subjects, including love, trickery, wit, and morality, and they often feature characters from various social classes and backgrounds. Boccaccio's work is celebrated for its vivid storytelling, wit, and humor, as well as its frank and often bawdy depiction of human nature. Through the diverse tales told by the characters, "The Decameron" provides a rich tapestry of medieval Italian life, while also offering timeless insights into the complexities of human behavior and relationships.

il libro è un manuale su come si svolge il corso di abilitazione all'insegnamento per tutte le classi di concorso nella scuola di ogni ordine e grado, è completo di relazioni, progetti, finalità e quant'altro serve per lo svolgimento del corso biennale.

**Giovanni Boccaccio, Theseid of the Nuptials of Emilia**

antonio maffei

The first epic poem written in Italian is the Teseida delle nozze di Emilia (Theseid of the Nuptials of Emilia) by Giovanni Boccaccio, the well-known author of the Decameron. Conceived and composed during the Florentine author's stay in Naples, it combines masterfully both epic and lyric themes in a genre that may be defined as an epic of love. Besides its intrinsic literary value, the poem reflects the author's youthful emotions and nostalgia for the happiest times of his life.

**Lords of Romagna** Legare Street Press

This book offers a new and accurate translation of Terence's classic play 'Andria', which tells the story of a young man who is torn between his love for a courtesan and his duty to his father. The translation aims to capture the nuance and subtlety of Terence's language and characters, and to provide a fresh perspective on this timeless work of drama. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved,

reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Masuccio Salernitano (1410-1475), born Tommaso Guardati, was an Italian poet, best known for Il Novellino, a collection of 50 "novelle" or short stories, each prefaced by a letter of dedication to a famous person and with an epilogue containing the "moral" of the story.

*DECAMERON OF GIOVANNI BOCCACCIO* Legare Street Press  
Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust. These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

"The Decameron - Volume I" from Giovanni Boccaccio. Italian writer, poet, correspondent of Petrarch (1313 - 1375).

**Survivors: True Stories of Children in the Holocaust** New York Review of Books

Canna, grazioso borgo dell'alto Jonio cosentino, adagiato su una

collina e circondato da olivi secolari, "trùf" in dialetto cannese. Il suo territorio, ricco di vegetazione spontanea dove predomina la macchia mediterranea, custodisce rarità botaniche, quali l'olivo bianco, orchidee selvatiche e il "finucchjill" i cui preziosi semi regalano sapori e profumi a specialità locali come "taràll" e "cullùr". 400 pagine, 451 immagini e 274 specie classificate che offrono una panoramica molto rappresentativa della flora di questo territorio, importante patrimonio di biodiversità. La trattazione è arricchita da curiosità, cenni storici e approfondimenti.

Il Filocolo Simon and Schuster

In the time of a devastating pandemic, seven women and three men withdraw to a country estate outside Florence to give themselves a diversion from the death around them. Once there, they decide to spend some time each day telling stories, each of the ten to tell one story each day. They do this for ten days, with a few other days of rest in between, resulting in the 100 stories of the Decameron. The Decameron was written after the Black Plague spread through Italy in 1348. Most of the tales did not originate with Boccaccio; some of them were centuries old already in his time, but Boccaccio imbued them all with his distinctive style. The stories run the gamut from tragedy to comedy, from lewd to inspiring, and sometimes all of those at once. They also provide a detailed picture of daily life in fourteenth-century Italy.

L'Ameto University of Chicago Press

Originally published in 1985, this book contains a full translation of Giovanni Boccaccio's L'Ameto, alongside textual notes. Giovanni Boccaccio is famous for his great collection of

short stories, the Decameron, but his other literary accomplishments are generally less well-known. Yet he helped revive the Latin eclogue and epistle and fostered the study of Greek; he made the major Renaissance compilation of classical myths, established the pastoral romance, and began formal Dante criticism. Among his more minor works belongs the Ameto, the first moden pastoral romance, translated here.

*Born Under Saturn* Scholarly Title

"This first collection of biographies exclusively of women, both mythological and historical, was written by Giovanni Boccaccio, author to the "Decameron," between 1361 and 1362. It includes 106 biographies ranging from Eve to Boccaccio's contemporary, Queen Giovanna I of Naples"--Provided by publisher.

*The Decameron* Belknap Press

The Protean Ass provides the most comprehensive account (in any language) of the reception of The Golden Ass (or Metamorphoses) of Apuleius, the only work of Latin prose fiction worthy of the name of 'novel' to survive intact from the ancient world. Apuleius' second-century account of the curious young man who is changed into a donkey following an affair with a witch's slave-girl, and undergoes a series of adventures (involving

robbery, adultery, buggery, and bestiality) before a divine vision transforms him into a disciple of the goddess Isis, has delighted, perplexed, and inspired readers as diverse as St Augustine, Petrarch, Boccaccio, Sidney, Spenser, Shakespeare, and Milton. Robert H. F. Carver traces readers' responses to the novel from the third to the seventeenth centuries in North Africa, Italy, France, Germany, and England

*De Rerum Natura VI* Springer

A rare art history classic that The New York Times calls a "delightful, scholarly and gossipy romp through the character and conduct of artists from antiquity to the French Revolution." Born Under Saturn is a classic work of scholarship written with a light and winning touch. Margot and Rudolf Wittkower explore the history of the familiar idea that artistic inspiration is a form of madness, a madness directly expressed in artists' unhappy and eccentric lives. This idea of the alienated artist, the Wittkowers demonstrate, comes into its own in the Renaissance, as part of the new bid by visual artists to distinguish themselves from craftsmen, with whom they were then lumped together. Where the skilled artisan had worked under the sign of light-fingered Mercury, the ambitious artist identified himself with the mysterious and brooding Saturn. Alienation, in effect, was a rung by which artists sought to climb the social ladder. As to the reputed madness of artists—well, some have been as mad as hatters, some as tough-minded as the shrewdest businessmen, and many others wildly and willfully eccentric but hardly crazy. What is certain is that no book presents such a splendid compendium of information about artists' lives, from the early Renaissance to the beginning of the Romantic era, as Born Under

Saturn. The Wittkowers have read everything and have countless anecdotes to relate: about artists famous and infamous; about suicide, celibacy, wantonness, weird hobbies, and whatnot. These make Born Under Saturn a comprehensive, quirky, and endlessly diverting resource for students of history and lovers of the arts.

"This book is fascinating to read because of the abundant quotations which bring to life so many remarkable individuals."—The New York Review of Books

Adelphoe... BoD - Books on Demand

Almost thirty years ago, W.J.T. Mitchell's 'Iconology' helped launch the interdisciplinary study of visual media, now a central feature of the humanities. Mitchell's now-classic work introduced such ideas as the pictorial turn, the image/picture distinction, the metapicture, and the biopicture. These key concepts imply an approach to images as true objects of investigation—an 'image science.' Continuing with this influential line of thought, 'Image Science' gathers Mitchell's most recent essays on media aesthetics, visual culture, and artistic symbolism. The chapters delve into such topics as the physics and biology of images, digital photography and realism, architecture and new media, and the occupation of space in contemporary popular uprisings.

"Previously published as The decameron project."

**Loveless Love** Routledge

In *The Wave*, a young man falls dangerously in love with the tenant downstairs, who is engaged to be married; in *The Signorina*, a flirtatious young woman is caught between her feelings and her parents' desire for a good match; in *A Friend to the Wives*, the peerless Pia Tolosani leaves a trail of regret in the

life of a former suitor. In this collection of stories Pirandello's first published work of fiction the master of Italian modernism dissects the passions that are either dimly felt or unrequited, ultimately raising doubts about the very nature and existence of love, while simultaneously foreshadowing the themes and the psychologically nuanced characters that he would go on to develop in his later works. ABOUT THE SERIES: The 101 Pages series has been created with the aim of redefining and enriching the classics canon by promoting unjustly neglected works of enduring significance. These texts have been treated with a fresh editorial approach, and are presented in an elegantly designed format.

Marco Santagata's *Dante: The Story of His Life* illuminates one of the world's supreme poets from many angles—writer, philosopher, father, courtier, political partisan. Santagata brings together a vast body of Italian scholarship on Dante's medieval world, untangles a complex web of family and political relationships for English readers, and shows how the composition of the *Commedia* was influenced by local and regional politics. "Reading Marco Santagata's fascinating new biography, the reader is soon

forced to acknowledge that one of the cornerstones of Western literature [The Divine Comedy], a poem considered sublime and universal, is the product of vicious factionalism and packed with local scandal." —Tim Parks, *London Review of Books* "This is a wonderful book. Even if you have not read Dante you will be gripped by its account of one of the most extraordinary figures in the history of literature, and one of the most dramatic periods of European history. If you are a Dantean, it will be your invaluable companion forever." —A. N. Wilson, *The Spectator*

[Decamerone Di Messer Giovanni Boccaccio](#) Alma Books

*Persian Letters* is a satirical novel in an epistolary form.

Montesquieu narrates the experiences of two fictional Persians travelling through France. Through the characters, the barbarism of contemporary French life is analyzed from an outsider's perspective. He compares European and non-European societies, role of religion, systems of government, political authority, and the role of law.
