**EVELYN HINTON**

---

Hillcrest Publishing Group  
In April 2015, Beth and  
Eric Jusino, laden with  
backpacks and nerves,

walked out of a cathedral  
in the historic village of Le  
Puy, France, down a  
cobblestone street, and  
turned west. Seventy-nine  
days, a thousand miles,

two countries, two mountain ranges, and three pairs of shoes later, they reached the Atlantic Ocean. More than two million pilgrims have walked the Way of Saint James, a long-distance hiking trail familiar to most Americans by its Spanish name, the Camino de Santiago. Each pilgrim has their own reason for undertaking the journey. For the Jusinos, it was about taking a break from the relentless pace of modern life and getting away from all their electronic

devices. And how hard could it be, Beth reasoned, to walk twelve to fifteen miles a day, especially with the promise of real beds and local wine every night? Simple. It turned out to be harder than she thought. Beth is not an athlete, not into extreme adventures, and, she insists, not a risk-taker. She didn't speak a word of French when she set out, and her Spanish was atrocious. But she can tell a story. In *Walking to the End of the World*, she shares, with wry humor and

infectious enthusiasm, the joys and travails of undertaking such a journey. She evocatively describes the terrain and the route's history, her fellow pilgrims, and the villages passed, and the unexpected challenges and charms of the experience. Beth's story is also about the assurance that an outdoor-based, boundary-stretching adventure is accessible to even the most unlikely of us. In her story, readers will feel that they, too, can get off their comfortable couches and

do something unexpected and even spectacular.

Walking to the End of the World is a warm-hearted and engaging story about an average couple going on an adventure together, tracing ancient paths first created in the tenth and eleventh centuries, paths that continue to inspire and reveal surprises to us today in the twenty-first.

Createspace Independent Pub

Devoted entirely to the subject of what to wear

and what to carry on a Camino pilgrimage—with tips and advice on how to create a lightweight backpack so you can walk comfortably without carrying a burden on your back. Learn how to choose backpacking gear and clothing that will work best for you, the route you take, and the time of year that you'll be walking. Examine the pros and cons for difficult gear choices, like should you use a poncho, or rain jacket? water bottles or backpack hydration system? a sleeping bag,

or a sleeping sheet? And what about taking a mobile phone or other tech-devices? Consider the options, and decide what works best for your journey. You'll also find a "skin-out" packing list that includes the weight of each item—including weight estimates for picnic and snack foods; and for water (because these are typically the heaviest items in your backpack). Use this comprehensive pack list as an example checklist to organize your own Camino backpack. A

Camino journey can strengthen the body and refresh the soul. But to walk long distances every day you should carry as little as possible. This is the book to help you do that.

**The Way of St James - Camino Frances**

National Geographic Books

From one of Germany's most beloved celebrities, a cross between Bill Bryson and Paulo Coelho. It has sold over 3 million copies and been translated into eleven different languages.

Pilgrims have increased along the Camino by 20 percent since the book was published. Hape Kerkeling's spiritual epiphany has struck a nerve. Overweight, overworked, and physically unfit, Kerkeling was an unlikely candidate to make the arduous pilgrimage across the French Alps to the Spanish Shrine of St. James, a 1,200-year-old journey undertaken by nearly 100,000 people every year. But that didn't stop him from getting off the couch and walking.

Along the way, lonely and searching for meaning, he began the journal that turned into this utterly frank, engaging book. Simply by struggling with his physical limitations and the rigors of long-distance walking, he discovered a deep sense of peace that transformed his life and allowed him to forgive himself, and others, more readily. He learned something every day, and he took to finishing each entry with his daily lessons. Filled with quirky fellow pilgrims, historic

landscapes, and Kerkeling's self-deprecating sense of humor, I'm Off Then is an inspiring travelogue, a publishing phenomenon, and a spiritual journey unlike any other.

**The Way Is Made by Walking** Sopo Press

"A donkey?' blurted my family as one. For a moment it didn't seem they'd ever be able to list all the reasons that made this so entertainingly ludicrous. . . .Yes, I'd never ridden a donkey on a beach or petted one at a city farm, never even

pinned a cardboard tail to one's throat after the cake and ice cream....A donkey would be my hairy-coated hair shirt, making my pilgrimage to Santiago de Compostela a truer test of the will, a trial." With these words, having no knowledge of Spanish and even less about the care and feeding of donkeys, Tim Moore, Britain's indefatigable traveling Everyman, sets out on a pilgrimage to the cathedral at Santiago de Compostela with a donkey named Shinto as his companion. Armed only

with the Codex Calixtinus, a twelfth-century handbook to the route, and expert advice on donkey management from Robert Louis Stevenson, Moore and his four-legged companion travel the ancient five-hundred-mile route from St. Jean Pied-de-Port, on the French side of the Pyrenees, to the cathedral at Santiago de Compostela, which houses the remains of Spain's patron saint, St. James. Over sun-scorched highways, precipitous bridges, dirt paths shaded by leafy trees, and

vineyards occasionally lashed by downpours, Moore and Shinto pass through some of the oldest towns and cities in northern Spain in colorful company, both past and present. Pilgrims real and imagined have traveled this route throughout the ages, a diverse cast of wayfarers spanning Charlemagne, St. Francis of Assisi, Chaucer's Wife of Bath, and New Age diva, Shirley MacLaine. Moore's present-day companions are no less florid or poignant. Clearly more interested in Shinto

than in Moore, their fellow walkers are an assortment of devout Christian pilgrims, New Age spirituality seekers, travelers grieving over a lost love affair, Baby Boomers contemplating the advent of middle age, and John Q. Public just out for a cheap, boozy sun-drenched outdoor holiday. As Moore pushes, pulls, wheedles, cajoles, and threatens Shinto across Spain toward the crypt of St. James in a quest to find the spiritual pilgrim within, the duo overnights in the bedrooms,

dormitories, and---for Shinto---adjacent grassy fields of northern Spain's hostels, inns, convents, seminaries, and farmhouses. Shinto, a donkey with a finely honed talent for relieving himself at the most inopportune moments, has better luck in the search for his next meal than Moore does in finding his inner St. Francis. Undaunted, however, Man and Beast finally arrive at the cathedral and a successful end to their journey. For readers who delighted in

his earlier books, Travels with My Donkey is the next hilarious chapter in the travels of Tim Moore, a book that keeps the bones of St. James rattling till this day.

**Camino de Santiago: Camino Frances** Free Press

Over 1,200 years old, 500 miles long, and rich with tradition and sacred history: Embark on the trip of a lifetime with Moon Camino de Santiago. Inside you'll find: Strategic trekking guides for walking the Camino, including where

to start to get the Compostela certificate and excursions to gateway cities like Santiago, Léon, and Pamplona Unique ideas for enriching your experience: Admire folkloric art and Romanesque churches, stroll through the stone archways and winding alleys of medieval cities, and soak up mountain views as you cross over the Pyrenees and descend into green valleys. See the archaeological site where Europe's oldest humans were uncovered

and breathe in the salty ocean air as you finish your journey at the shores of the Atlantic Savor the local flavors: Enjoy authentic jamón serrano, tapas, and Galician wine, or grab fresh cheese and bread for a picnic lunch The best detours, festivals, and villages along the way: Linger in Estella, witness the running of the bulls in Pamplona, visit the monastery in Nájera, or sip wine in Cacabelos Essential planning information on when to go, how to get there,

where to eat, and where to stay, from pilgrim dorms to private hotels, plus tips on hazards, precautions, and gear Valuable insight on the history and context of the pilgrimage from expert Beebe Bahrami, who has walked the Camino many times since 1995 Full-color photos and detailed maps throughout, plus a handy fold-out map of the entire route Thorough background information on the sacred sites and history of the Camino, as well as the landscape, culture, and local

etiquette Handy tools including Spanish and French phrasebooks, visa information, volunteer opportunities, and tips for seniors, women traveling alone, religious and secular travelers, and LGBTQ travelers Start your transformative journey with the expert insight, unique suggestions, and practical advice of Moon Camino de Santiago. *Camino de Santiago Maps / Mapas / Cartes* Beyond Words/Atria Books People go on the Camino de Santiago pilgrimage for

a variety of reasons: religious, midlife crisis, a need for adventure or miracle, to visit Hemingway's 1920s hangouts, to pay homage to Saint James... Author Jean Mitchell-Lanham went for all the same reasons, and then her academic and literary interests set her off on a secondary journey to dig deeper into the mysteries and timeless draw of the pilgrimage. The result is this book: a comprehensive review-complete with academic, regional, cultural,

historical, and religious facts-enhanced by one woman's real-life journey along the popular 500-mile spiritual trek. As a detailed study of a world-renowned pilgrimage site, the book is now an indispensable read before making the pilgrimage. Since the rediscovery of Liber Sancti Jacobi/Codex Calixtims, a medieval manuscript containing the twelfth-century guidebook to the Camino, along with stories of miracles, liturgical compositions, and mythological feats, the Camino pilgrimage

has resurrected interest over the past several years and has been designated as a World Heritage Site by UNESCO (1987). Since that time, a plethora of new guidebooks have been published and there are over 1,800 historical sites along the Camino to command the attention of history buffs, ordinary tourists, and devout pilgrims. In 2013 alone, 215,880 pilgrims visited the site. Book jacket. *Cycling the Camino de Santiago* McFarland This two-volume set of

guidebook and map book makes an indispensable companion to planning and walking the 784km Camino Frances pilgrim route from St-Jean-Pied-de-Port across northern Spain to Santiago de Compostela. Divided into 6 sections, the guidebook includes an additional section from Santiago de Compostela to Finisterre and Muxia on the Galician coast. Each section is broken down into detailed stages with easily customisable start and finish points due to the amount of

accommodation available en route. Over 500 of these pilgrim lodgings are listed within this guidebook, including all public and private albergues, with contact details and a description of facilities available. The accompanying map book offers detailed, stage-by-stage maps and profiles of the route as well as over 120 town and village maps that helps you find the exact location of accommodation and other sites important to pilgrims. The small size allows you to keep the

map book in an accessible pocket for use throughout the day. This two-part guidebook and map book provide an abundance of advice on planning and preparation, sample itineraries and detailed information that allows complete customisation of the Camino, making this an ideal guidebook for all pilgrims walking the Camino Frances.

*A Thousand Miles on the Camino Do Santiago*  
Createspace Independent Pub

The first one-volume walking guide in English

to the most popular long-distance route in Europe walked by British tourists. With the advent of low-cost airlines it is as cheap for the British tourist to go to mainland Europe as to the extremities of the UK – which is why in recent years continental long-distance routes have become increasingly popular with the British walker. Most popular by far is El Camino de Santiago de Compostela, the ancient Christian pilgrimage route that has been travelled for over a thousand years to the

Cathedral of Santiago de Compostela, where, legend has it, the bones of St James are buried. This guide follows the most popular route, starting at St Jean-Pied-de-Port in south-west France and heading all the way westwards across northern Spain for 800km to finish at Cape Finisterre on the Atlantic coast. Now, extending its series of Trail Guides beyond the UK for the first time, Aurum publishes the first compact one-volume guide to the path, Fully illustrated with

photography, it offers comprehensive route directions, sectional route maps, gradient profiles, a history of the route and details of sights to see and separate chapter guides to the main cities along the way like Pamplona, and a list of accommodation en route. Sacred Sites, Historic Villages, Local Food & Wine Createspace Independent Pub For over a thousand years pilgrims from all over the world have made the journey from St. Jean Pied de Port, France to

Santiago de Compostela, Spain on the Camino de Santiago. The path takes the pilgrim over four mountain ranges, through big cities, rural areas, across the vast Meseta of central Spain, and through the green hills of Galicia. This pilgrimage is both a physical and spiritual challenge and is truly a once in a lifetime journey. Experience and enjoy the Pilgrimage through the vivid images contained in this collection. By the authors of Buen Camino-Hiking the Camino de Santiago

St Jean - Santiago - Finisterre (Village to Village Guide) AMACOM  
 The Camino de Santiago, the Route of Saint James, the Way--all describe a pilgrimage with multiple routes that pass through Spain and end at the Cathedral of Saint James in Santiago de Compostela. In the 21st century, this medieval tradition is seeing a revival with travelers, both spiritual and secular, who embrace it for different reasons. Offering insight into the personal journeys of contemporary

pilgrims, this collection of new essays explores cultural expressions of the Camino from the perspective of literature, film and graphic novels, and looks beyond Spain and the "Caminoisation" of other historical routes.  
**Savoring the Camino de Santiago** Wolf Shield Publishing  
 A complete set of maps and town plans in English, Spanish, French, German, Portuguese, Italian, Dutch and Polish make up this indispensable guidebook for spiritual seekers and travelers wishing to walk

the way of Saint James. Covering the sacred route from St. Jean Pied de Port to Santiago, this portable book of maps makes the perfect companion for adventurers attempting to heed the spiritual calling. Revised and updated to offer the most recent information, this exploration is light enough to carry while walking long distances each day. The maps show the location of all pilgrim hostels en route, the distances between villages, and points of interest, as well as

counter guides, alternative routes, and accommodations. *Camino de Santiago* Cicerone Press The Camino de Santiago cuts across Spain from the Pyrenees in the east to Santiago de Compostela in the west, leading you through the varied and beautiful ancient kingdoms of northern Spain. This guide provides invaluable information on transport, food & accommodation to ensure that your trip includes the best of this medieval pilgrim route.

*Travels with My Donkey* Choir Press "Every year, over 200,000 pilgrims from all over the world walk the Camino de Santiago. This book chronicles the author's journey on this ancient path"--Back cover. *I'm Off Then* Findhorn Press With over 1000 years of history, the Way of St. James is one of the classic long distance walks. This historical route along almost 1000 kilometres from the Pyrenees to Santiago de Compostela offers unique cultural,

scenic and nature experiences. Since the Holy Year of 2010 the Way of St. James has gained even more in popularity and attracts more and more people from very different backgrounds, faiths and generations. It does not matter what the reason might be for setting out on the path to Santiago de Compostela - in the end you are confident that you have had a quite special experience. The Rother walking guide describes in a total of 42 stages the whole of the

Camino francés from Saint-Jean-Pied-de-Port via Roncesvalles, as well as the Aragon route from the Somport pass via Jaca to Santiago de Compostela, including possible secondary routes and the extension to Finisterre or Muxía. Thus the Way of St. James leads through a wealth of diverse landscapes, continuously interrupted by culturally and historically interesting places like Roncesvalles, Pamplona, Puente la Reina, San Juan de Ortega, Burgos or Leon, to name but a few. The

natural experience dominates at first with the Pyrenean mountains, then the Rioja region characterised by vineyards, followed by the endless barren wastes of the Castillian plateau. But finally, it is the greenery of Galicia that rewards you for all your efforts and deprivations of the long journey, before you reach the climactic destination of Santiago de Compostela. If you still have time, then continuing to the coast, to Finisterre and Muxía, is highly recommended.

Detailed maps, precise descriptions of the individual stages including easy-to-read height profiles, as well as comprehensive details of the infrastructure along the way such as medical services, shopping opportunities or banks, make your planning of the walk easier, especially for deviations from the stages described in this guide. Detailed information is also given about the location and standard of accommodation in the pilgrim hostels along the

way, graded accordingly with one to three St. James shells. General tips on planning the route and equipment at the start of the book make this walking guide into a compact and practical guide. Special mention is also made of historical and scenic delights, as well as regional peculiarities, local fiestas and culinary specialities. A selection of representative photos provide insights into the diversity of landscape and culture experienced along the Way of St. James.

*Way of St. James from the Pyrenees to Santiago. 42 Stages. With GPS-Tracks*  
Berghahn Books  
Since medieval times, more than a million pilgrims have followed the Way of St James across northern Spain on the Camino de Santiago. This guidebook contains all the information you need to walk the 800km (500 mile) Camino Frances and the 90km (55mile) Camino Finisterre. Full colour detailed topographical stage maps of each days walk with free GPS files online. 135

detailed stage, city and town maps. Essential practical information on transport, accommodation and services. Overview of dozens of medieval pilgrim sites, with information about the historical context of the pilgrimage. Expert advice on walking and travel gear, packing and daily Camino life.

### **A Pilgrimage Along the Camino de Santiago**

Bergverlag Rother GmbH  
Pilgrimage is a spiritual discipline not many consider. In these pages Arthur Paul Boers

describes his month-long journey on the Camino de Santiago in Spain, a classic pilgrimage route that ends at the cathedral where St. James is buried, opening to us his incredible story of renewed spirituality springing from an old, old path walked by millions before.

*Camino de Santiago Maps*  
The Lore of the Camino de Santiago  
A Literary Pilgrimage  
Business coach and former COO Victor Prince began his 500-mile trek on the Camino de

Santiago as one person--driven, work-focused, and highly competitive--and he finished it a completely different one--more balanced, caring, and present in the moment. As he made his way on foot through rugged countryside and medieval towns, the life-altering journey allowed him to reflect, test his will, and join a community of strangers on a shared mission--resulting in seven essential leadership lessons inspired by the values emblazoned on the back of every pilgrim's

passport. In *The Camino Way*, Prince shares the lessons he learned while on his pilgrimage and guides readers on their own Camino de Santiago. As Prince did while on his journey, learn to:

- Treat each day as its own adventure
- Make others feel welcome
- Learn from those who've walked before
- Consider your impact on those who follow
- And more!

Each year hundreds of thousands trek across this 500-mile leadership journey like no other. Within these pages, learn

the life-changing principles they are discovering!

*Pilgrim Tips and Packing*

*List Camino de Santiago*

Aurum Press Limited

The Camino de Santiago

de Compostela (Camino

Francés or Way of St

James) is among the

world's most famous

pilgrimages: Christian

pilgrims have travelled to

the shrine of St James in

Santiago, northern Spain,

since the ninth century.

This guide provides all the

information you need to

successfully cycle the

Camino. The Camino

Francés is the most popular variant of the Camino, linking St Jean-

Pied-de-Port on the

French-Spanish border

with Santiago via

Pamplona, Burgos and

León. The guide presents

the journey in 18 stages.

Two versions of the route

are described, the first

(770km) based closely on

the walkers' route and

suitable for hybrid or

mountain bikes; the

second (798km) a 'road

route' for road and touring

cycles. It can be cycled in

around 10-14 days and is

very well provisioned.

Clear route description

and mapping are

accompanied by notes on

local points of interest, as

well as background

information on Spanish

history and the history of

the Camino. The

practicalities are also

thoroughly covered,

including travel to and

from the route,

accommodation, facilities,

kit and how to qualify for

and obtain your

Compostela (pilgrims'

certificate). Whether

you're seeking a spiritual

journey, a physical

challenge or just a

holiday, the Camino promises an unforgettable experience - from the beautiful landscapes, historic towns and rich culture of northern Spain to the famed camaraderie with other wayfarers. Blending information with inspiration, this guide is an ideal companion to cycling this UNESCO-listed route.

[The ancient Way of Saint James pilgrimage route from the French Pyrenees to Santiago de Compostel](#)  
Routledge

This book was born from the idea of providing

useful advice and suggestions to those who are about to embark on the Camino de Santiago for the first time. I walked them all: in 2006 the Camino Francés, from St. Jean Pied-de-Port to Fisterra, in 2008 the Via de la Plata from Seville, in 2010, the Jacobean holy year, the Camino Primitivo from Oviedo and the stage from Fisterra to Muxía, in 2012 the Camino del Norte. I put the figures in a column, I try to add them. Three thousand kilometers, exactly, on foot. I got

some information from the Internet, I checked it by comparing it with my personal experience, I tried to provide a complete and updated report. In this book you will find: - a historical-religious introduction on the figure of St. James and the origin of the pilgrimage; - an overview of the routes to Santiago today; - detailed advice on which Way to choose and how far to go per day; - a small glossary of the most frequent terms: albergue, botafumeiro, Compostela, credential,

donativo, sello, ...; - how to prepare for the Way: how much to train and how, where to find information, the most up-to-date websites and the best apps, how to book the flight, what are the average daily costs; - which shoes to use; - how to prepare the backpack: what things are necessary and what are superfluous; - the symbols and rituals along the Way, in Santiago and in Fisterra; - the new ways of accessing the Portico of Glory, after a decade of delicate restorations.

From time to time, I inserted short passages taken from the diaries I wrote, to give the sense of the pilgrimage, the scent of encounters, the flavor of the extraordinary emotions experienced. Enjoy the reading and buen camino!  
*Footprint Camino De Santiago* Simon and Schuster  
This Village to Village Guide to Hiking the Camino de Santiago is a comprehensive guidebook to walking the Way of Saint James, from Saint-Jean-Pied-de-Port to

Santiago de Compostela (the Camino Frances), and also the Camino Finisterre to Muxia and Finisterre. Now fully updated in 2016, and lighter than ever! This Camino guidebook includes full-colour detailed topographical stage maps of each day's walk with free GPS files online; 135 detailed stage, city and town maps; essential practical information on transport, accommodations and services. It includes detailed listings of pilgrim hostels (albergues) and

private accommodations in each town, including prices, amenities, number of beds, contact information, open seasons, and more. There

are regional introductions to the different areas along the Camino including information about traditional foods, flora and fauna, and local

culture plus overviews of dozens of medieval pilgrim sites, with information about the historical context of the pilgrimage.
