*Vince Gill* Grand Central Publishing  
On an overcast night in Washington D.C. a group of highly trained killers embark on a mission of shattering brutality. A shocked country awakens to the devastating news that three of their most powerful and unscrupulous politicians have been brutally murdered. In the political firestorm and media frenzy that follow, the assassins release their demands: either the country's leaders set aside their petty,

partisan politics and restore power to the people, or be held to deadly account. TERM LIMITS is a tour de force of authenticity and suspense, an utterly compelling vision in which the ultimate democratic ideal - a government of the people - is taken to a devastating extreme. The new Vince Flynn novel, *The Survivor*, will be published in autumn 2015!

**Everything Is Fine** Bombardier Books  
Vince Ellison is America's most fearless truth teller. Agree or disagree with his thesis, open-minded readers must grapple with the persuasive power of his arguments, his mastery of facts, and his

passionate love for mankind and our Creator. As a young man, Ellison began his career in the belly of the beast—as a prison guard working in the worst cellblock imaginable—the one housing mass murderers, rapists, child molesters, and others who would never be released, and whose crimes would never be redeemed in this world. Vince Ellison saw the face of evil up close. He knows it like few of us ever could. And it was to his dismay and sadness that he has seen that same evil later in life. This time, not in the faces of hardened, incarcerated criminals. But rather in the eyes of the leaders of the Democratic party. In this stunningly persuasive work, Vince marshals his own experience and couples it with a learned and original analysis to conclude that the leaders of America's "progressive" party aren't just wrong on their policy stances—they are deliberately and intently destructive. Ellison painstakingly dismantles the twenty-five lies underlying Democratic policies and arguments, and provides readers with the tools they need to understand and refute these myths and deceptions. Finally, Ellison implores his fellow Americans and Christians to open

their eyes to the damage being done to the nation's heart and soul in the name of progressivism.

**Vince** E C W Press

"Revealing, inspiring and funny. This book is a joy to romp through, which is good, because its final chapter is the important truth we all need to hear and understand if we are to survive this mess we've made" - Chris Packham "I found Manifesto enthralling, thought-provoking and I learnt so much from it. Nor had I any idea that we had our own Archimedes living in The Cotswolds." - Jilly Cooper How one maverick entrepreneur took on UK energy... and won. Dale Vince never intended to start a business. Driven by a passion for sustainability, he left school aged 15 and became a New Age traveller, living for free in a wind-powered double decker bus. But after building his first wind turbine, he realised that to change the world he needed to be on the grid, not off it. In 1996 he founded green energy company Ecotricity based on principles of social, financial and environmental sustainability, and changed the landscape of UK energy forever. Since then, Dale has been appointed a UN ambassador for

climate issues, become the owner of the first ever vegan football club, and amassed a fortune of over £120 million built on sustainability. He has also been a vocal supporter of Extinction Rebellion which, like Ecotricity, is based in Stroud. In this book, he shares his single-minded and uniquely purpose-orientated approach to business, with lessons learned from experience that will speak to any fledgling entrepreneur. This is the story of a man whose unwavering mission to help save the environment has driven him all the way to the top, and a powerful manifesto for anyone who wants to change the world.

**Vince** Delacorte Press

In this groundbreaking biography, David Maraniss captures all of football great Vince Lombardi: the myth, the man, his game, and his God. More than any other

sports figure, Vince Lombardi transformed football into a metaphor of the American experience. The son of an Italian immigrant butcher, Lombardi toiled for twenty frustrating years as a high school coach and then as an assistant at Fordham, West Point, and the New York Giants before his big break came at age forty-six with the chance to coach a struggling team in snowbound Wisconsin. His leadership of the Green Bay Packers to five world championships in nine seasons is the most storied period in NFL history. Lombardi became a living legend, a symbol to many of leadership, discipline, perseverance, and teamwork, and to others of an obsession with winning. In *When Pride Still Mattered*, Pulitzer Prize-winning author David Maraniss captures the myth and the man, football, God, and country in a thrilling biography destined to become an American classic.

Sex, Lies, and Headlocks Simon and Schuster

One of the most exciting footballers of his era, Vince Hilaire is a cult sporting figure. His career spanned over 600 games and included spells at Crystal Palace, Portsmouth, Leeds United and Stoke City,

playing in every professional division. Vince shared a dressing room with some of football's biggest names of the time, including Kenny Sansom, Mick Channon, Gordon Strachan and Vinnie Jones, and was managed by some of the superstars of British football. This book offers a fascinating insight into the methods of these managers, from Malcolm Allison and Terry Venables, with their free-flowing football reminiscent of the famous 'Busby Babes', to the contrasting rigidity of Howard Wilkinson's Leeds. A trailblazer in the professional game, Vince outlines the difficulties he faced as a young black player making his way in football in the 1970s, and the dread he felt playing at certain grounds. Candidly detailing Vince's journey into and out of professional football, this hugely entertaining autobiography tells the story of the beautiful game as it used to be played. Positively For Kids, Inc.

The Cleveland Cavaliers franchise has been in existence for more than forty-five years, and it hasn't been an easy ride for the team or their fans, with many ups and downs along the way. They had seen the "Miracle in Richfield" in 1976, "The Shot"

by Michael Jordan to knock them out of the playoffs in 1989, the arrival of "The Chosen One," LeBron James, in 2003, and a trip to the NBA Finals in 2007, but never a title. *All In: The Story of LeBron James and the 2016 NBA Champion Cleveland Cavaliers* takes readers on the rollercoaster ride from LeBron coming back to Cleveland, to their 2015 NBA Finals appearance, through the unforgettable 2015-16 season that gave the city of Cleveland their first major sports championship in fifty-two years. Author Vince McKee brings to life all the drama on and off the court, including how the team was built, why coach David Blatt was fired and replaced by Tyronn Lue midway through the season, and every big game and play along the way, straight through to the dramatic 2016 NBA Finals and epic comeback against the seemingly unbeatable Golden State Warriors. LeBron James finally earned his long-awaited redemption, Kevin Love made his presence felt under the boards, Kyrie Irving took to the NBA's biggest stage and made it his own under the brightest of lights, and J. R. Smith, Tristan Thompson, Richard Jefferson, and Iman Shumpert all

made key contributions. *All In* is a must-have for all Cleveland sports fans!

*Vince* Simon and Schuster  
Vince Lombardi, whom many believe to be  
the greatest football coach in the history

of the sport, is both a household name and an icon. He is not only renowned in the sports world, but also in business and industry for his exceptional leadership skills. In *Run to Win*, acclaimed author Don Phillips examines Lombardi's famous coaching style by painting a picture of a fascinating individual, a man whose ingenious leadership helped lead his teams to nine playoff victories in a row, including wins in the first two Super Bowls. By extracting powerful lessons from a man who could both lead and inspire, Phillips gets to the heart of what made Lombardi great and shows readers what it takes to be a winner. At the same time, this groundbreaking book tells the inspiring story of Lombardi's ten-year career with the Green Bay Packers and Washington Redskins, complete with anecdotes, quotes, and Lombardi Principles that show why this legendary coach continues to be a role model for effective leadership in business today. Totally accessible and utterly fascinating, Donald T. Phillips's *Run to Win* empowers readers with the knowledge to succeed in business, while entertaining them with tales of a man whose ability to win under any

circumstance is unsurpassed in the history of professional sports.

### **Everything Is Fine** Vince

One of the greatest NFL broadcasters distills the wisdom of two of the greatest coaches. As both a tight end and a place kicker for the 1958 Giants (back when special teams were part of the defense), Pat Summerall was the only person to be coached by both Vince Lombardi and Tom Landry, the team's offensive and defensive coaches, respectively. In telling the story of that legendary season, which ended with the Giants losing to the Colts in the NFL championship game, Summerall explores the wisdom that was passed along to him that made him a better player, and later a better broadcaster and better a man. The wide range of lessons covers personal behavior (react like a football player; training doesn't end in training camp; don't dwell on your success), work relationships (the boss keeps time, they can get somebody who wants to play) and winning (believe in your heart that you'll win, try to win every game, but focus on one game at a time). The book also lays out the Lombardi Code (Speak Confidently, and Prepare) and the Landry Code (Faith,

Family and Football). Summerall tells vivid and inspirational stories about the game on and off the field that bring the lessons to life.

### Crazy Sorrow Harper Collins

The true story of the NFL's oldest rookie. In 1976, Vince Papale was thirty, a former schoolteacher and part-time bartender, and a season ticket-holder for his beloved Philadelphia Eagles. When he heard that Coach Dick Vermeil was holding open tryouts, he decided to give it a shot. Shocking himself and the coaches, he ran an explosive 40-yard-dash in just 4.5 seconds--a world-class time--and was offered a contract on the spot. When he joined the team, Papale became the oldest non-kicking rookie in NFL history, a fan favorite who played for four years and was named a team captain. *Invincible* is Vince Papale's story, and a tie-in to the Disney Pictures film of the same name starring Mark Wahlberg as Papale and Greg Kinnear as Vermeil. But more than just a tie-in, it tells Papale's story in his own words, covering subjects not included in the film. Like *Rudy*, *Glory Road*, and *Rookie*, it is the true story of an ordinary man who achieves an extraordinary goal.

Paperboy Seal Books

Vince Dooley and Steve Penley come together in their third collaboration, this time telling the story of the University of Georgia, the place they both love most. Vince Dooley is uniquely positioned to tell the history of the University of Georgia. As head football coach and athletics director, Dooley served the university under five presidents, and he turns often to personal observations and anecdotes to inform readers. A masterful storyteller and a lifelong learner with a master's degree in history, Dooley weaves a compelling narrative of more than two centuries of history at the university. Renowned American artist Steve Penley may be best known for his paintings of historical icons, but his love for the University of Georgia pours out of every visual interpretation. With strong brush strokes and bold colors, Penley presents the university and its history as only he can.

*Rope Opera* Henry Holt and Company (BYR)

Published to widespread critical acclaim, Vince has been called: "the definitive biography" of an American legend. With stunning revelations and anecdotes, Vince

Lombardi's life is pieced together with painstaking care in research, detail, and historical accuracy. Based on more than two hundred interviews, including those who played with him and against him, from his early coaching days at St. Cecilia High School in New Jersey to West Point, the New York Giants, and his championship seasons with the Green Bay Packers and Washington Redskins. Drawing upon unpublished Lombardi family papers, Vince clarifies the thirty years of mystery and contradiction that have swirled around the legend of Vince Lombardi. Vince goes beyond the sidelines to reveal the true character of Lombardi. He was dedicated and narrow, intelligent and dogmatic, self-restrained yet emotional, abusive yet apologetic. His moods could swing from deep gloom to soaring exuberance in seconds. He was compassionate, kind, charitable. He could also be gripped by uncontrollable anger. Above all, Vince paints a portrait of a very human man who committed his life to winning.

*Adventures in the Anthropocene* William Morrow Paperbacks

John, Robert, and Ted Kennedy's individual

stories can be seen as essentially one, each successive brother striving to fulfill the interrupted promise of the brother before. The closing of Ted Kennedy's chapter in America's political and cultural life means that, for the first time perhaps, the real measure of the Kennedy legacy can finally be taken. This is a story of a brotherhood in three acts: Act I is John F. Kennedy's presidency, as seen from Ted's front-row seat. Act II is Robert Kennedy's five brief years as the family standard bearer, including his tenure in the Senate with his brother Ted and the memorable 82-day presidential campaign that redefined the Kennedy legacy. Act III is Ted's 40-plus years in the Senate as keeper of the flame. How did the brothers pass the torch to each other? What have the three brothers left us collectively? And who carries the torch forward now? The Kennedy Legacy compellingly answers these questions and much more.

*Giants* ECW Press

**TO LOVE MUSIC IS TO LOVE VINCE GILL** His pure tenor voice, amazing guitar playing, and superb songwriting skills have earned Vince Gill eleven Grammys and seventeen Country Music Association Awards--making him the biggest CMA winner of all time. But it's the man behind the music who inspires so much love and devotion from his fans and his peers. Humble, wholesome, funny, and kind, Vince Gill is a superstar with heart--and his numerous volunteer activities raise millions of dollars for charity every year. From his childhood as the son of a banjo-playing judge in Oklahoma to his roots in Kentucky bluegrass music . . . from his years in Los Angeles as the lead singer for the acclaimed group Pure Prairie League to his first forays into Nashville . . . from his

mastery of bluegrass, rock, pop, and country to his acclaim as the host of the annual Country Music Association Awards national telecast . . . here is the heartwarming story of an inspiring man who gives his all for the future, for the fans, and . . . **FOR THE MUSIC** Vince Gill has won eleven Grammy Awards and seventeen Country Music Association Awards and has sold more than fifteen million albums worldwide.

**When Pride Still Mattered** Biteback Publishing

The definitive, revelatory biography of Marvel Comics icon Stan Lee, a writer and entrepreneur who reshaped global pop culture—at a steep personal cost **HUGO AWARD FINALIST** • “A biography that reads like a thriller or a whodunit . . . scrupulously honest, deeply damning, and sometimes even heartbreaking.”—Neil Gaiman Stan Lee was one of the most famous and beloved entertainers to emerge from the twentieth century. He served as head editor of Marvel Comics for three decades and, in that time, became known as the creator of more pieces of

internationally recognizable intellectual property than nearly anyone: Spider-Man, the Avengers, the X-Men, Black Panther, the Incredible Hulk . . . the list goes on. His carnival-barker marketing prowess helped save the comic-book industry and superhero fiction. His cameos in Marvel movies have charmed billions. When he died in 2018, grief poured in from around the world, further cementing his legacy. But what if Stan Lee wasn't who he said he was? To craft the definitive biography of Lee, Abraham Riesman conducted more than 150 interviews and investigated thousands of pages of private documents, turning up never-before-published revelations about Lee's life and work. *True Believer* tackles tough questions: Did Lee actually create the characters he gained fame for creating? Was he complicit in millions of dollars' worth of fraud in his post-Marvel life? Which members of the cavalcade of grifters who surrounded him were most responsible for the misery of his final days? And, above all, what drove this man to achieve so much yet always boast of more?
