The Little Guide Book of Crystals for Children Simon and Schuster

The definitive resource for working with powerful crystals! Sparkling, luminous, and colorful, it is no wonder crystals have always been regarded as a source of power from ancient times to present day. But with the enormous number of crystals now on the market, it is difficult to choose exactly the right stone. In *101 Power Crystals*, internationally renowned crystal expert Judy Hall brings together 101 crystals that are powerful across a wide spectrum of uses and suitable for all types of

user. Not all crystals suit everyone, and the selection has been specially chosen to offer alternatives and new possibilities that may not have been thought of before. This distinctive collection includes high vibration crystals that experienced crystal practitioners will want to explore as well as those with earthier vibrations that are suited to beginners or those developing their sensitivities. It also features some rare and recently discovered crystals and stones that have not been included in any other volume, such as Aurora Quartz, Que Sera, Trigonic Quartz, and Preseli Bluestone. Each entry covers the history, mythology, and symbolism of the crystal in addition to its healing properties and environmental effects. There are crystals and stones for love, health, protection, abundance, and many other powers.

- Explains how to calculate your personal numbers and work with gemstones to enhance the strengths of your numbers and overcome weaknesses
- Explores which crystals resonate most with each number's energy, including detailed descriptions of the gemstones' spiritual, mental, and physical qualities alongside beautiful photographs
- Offers affirmations, meditations, and crystal healing techniques to connect with the energies of the gemstones

Numerology offers a surprisingly accurate tool to gain insight into your character, talents, and abilities by analyzing the numbers in your birthdate, the numeric values of the letters in your name, and the numbers that serendipitously appear in your life again and again. While our personal numbers are the mirror that reflects our inner world, crystals are our helpers in the outer world to harmonize the energies we were born with. They are gifts from the earth that we are offered to unfold our divine potential. Through their beauty and wisdom, they can help us be more in tune with our destiny. In this full-color guide, the authors explain how to calculate your personal numbers and work with the healing energies of gemstones to unfold the full potential your numbers reveal. Each of the numbers 0 to 9 is explained on the numerological level, including their qualities, energies, and how they act on human consciousness. The authors then describe which crystals resonate most with each number's energy and which offer complementary energies, providing detailed descriptions of the gemstones' spiritual, mental, and physical qualities alongside beautiful photographs. The authors also offer affirmations, meditations, and crystal healing techniques to connect with the energies of the gemstones. By working with the gemstones that resonate with your numerology, you can enhance the strengths of your personal numbers. If a certain number's weaknesses are manifesting in your life, you can discover crystals that will help to integrate and balance the number's hindering effects. Together, numbers and stones offer a wonderful possibility to find your own way, recognize your true self, heal, and harmonize with the world around you. Let the numbers guide you and the crystals empower you!

Crystals and Stones: A Complete Guide to Their Healing Properties helps readers to incorporate the healing power of stones into daily life. Aimed at both beginners and experts, the book showcases nearly 200 crystals and stones, describing their impact on human beings' physical, mental, emotional, and spiritual states. The book begins with historical background and practical considerations, such as how stones work and how to clean and recharge their energy. The relationship of stones to chakras is explored, as are practices such as channeling via certain powerful crystals. The heart of the book is an A to Z guide covering everything from amber to zoisite that explains which stones are most effective for particular medical conditions, emotional and energy blockages, and spiritual impasses. Stones and crystals have been important tools for health and spiritual transformation for millennia. This book shows modern readers how to best utilize those tools. "If we could follow the step by step transformation of coal into diamond, we would discover what enabled Prince Siddhartha to 'awaken' and become this Being of Light known to this day as the Buddha."—from the book

• Explores the properties and healing uses of 40 important crystals and stones, including quartz, Herkimer diamond, amethyst, and citrine--the coyote stone • Explains how to spiritually prepare to work with crystals and how to purify and care for them, including how to establish right relationship with a crystal • Details safe and effective healing techniques, including how to make crystal essences, how to program a crystal, and how to purify the energy centers or perform a healing treatment with clear quartz crystal Crystals and stones come from Mother Earth, and indigenous medicine people have been using them to help and to heal for millennia. Their

techniques, although simple, have proven effective through the innumerable healers who have handed down these teachings across the generations. With the permission of his elders and teachers, Luke Blue Eagle shares the therapeutic and spiritual use of crystals as taught in the traditions of First Nations tribes. He offers guidance and teachings designed to spiritually and energetically prepare you for crystal healing work, detailing the connections between the five elements and crystals as well as the energetic properties of different colors as they manifest in stones. He explains how to purify, care for, and protect your crystals, including how to establish right relationship with a crystal and perform a consecration ceremony for a new gemstone. The

author explores the properties and healing uses of 38 important crystals and stones, including Herkimer diamond, amethyst, and citrine--the coyote stone. He provides safe and effective healing techniques that include how to make crystal essences, how to program a crystal, and how to purify the energy centers or perform a healing treatment with clear quartz crystal. Presenting an authentic guide to First Nations wisdom for working with the teachers of the mineral kingdom, Blue Eagle shows that, by forming respectful relationships with crystals and stones, we can not only amplify healing energies and intentions but also bring ourselves back into harmony with Mother Earth.
