There is a world of abundance, meaning and joy all around us, and it's available to anyone who is open to receive it. The fresh and visionary approach outlined in this book illustrates how easily each of us can do this. Drawing upon the wisdom of the greatest thinkers, writers and spiritual teachers in history, author Jude McKinney explores the states of mind and being that are conducive to attracting abundance in our lives. A celebration of the best of our humanity and a love letter to the infinite beauty of the world, this book reminds us of the tremendous potential we all possess to dream our greatest dreams and to make them come true.

As this part of Heart Experiences comes to an end I hope and pray that something was said to encouraged your hearts and minds. As I put my heart and the heart of others in this book of experiences I desire that when heart experiences come into your life good or bad, that you choose a positive outlet to help you deal with it, grow from it, and then finally overcome whatever it might be. "God is our refuge and strength, and a very present help in trouble" Psalm 46v1 "Let everything that has breath praise the Lord, Praise ye the Lord!" Psalm 150v6

David R. Hawkins, M.D., Ph.D., was renowned as a physician, lecturer, and researcher of consciousness. But he's perhaps most revered for his books, particularly the seminal Power vs. Force, which has been translated into 25 languages and sold over a million copies. Success Is for You uses many of the concepts that fans of Dr. Hawkins will recognize and applies them to the world

of business and the psychology of success. Expanding upon the illuminating discussion of the attractor patterns of success from Power vs. Force, this remarkable never-before-published book pulls back the curtain on the inner workings of the successful mind. For, truly, success, according to Dr. Hawkins, is an attitude we inhabit, rather than a goal we strive for. New readers will find this to be a perfect introduction to an incredible teacher and foremost expert on mental processes, providing profound insights and real-world examples to help anyone focus on—and consequently achieve—what they desire. This fascinating book reveals: • The causality formula for success (and deconstruction of so-called failure) • How goodwill can actually turn to profit • Nine acid-test steps to determine our mode of being • How to "get to the top" (and why the destination is really our starting point) Yet its scope ranges far beyond a mere how-to manual. As Dr. Hawkins says, "Having facts and know-how . . . does not guarantee success. There are other factors involved. It is these other secret factors that we are going to explore." The secret factors—the heart-centered power principles underlying success—are decoded here . . . delivering an eternal message of possibility for us all.

Achieve Success and Prosperity through the Principles of Yoga  
Although millions of Westerners practice yoga simply for its health benefits, the philosophy and wisdom behind the multifaceted discipline have far more to offer. In The Jewel of Abundance, award-winning author and Kriya Yoga teacher Ellen Grace O'Brian reveals an overlooked aspect of yoga: its powerful teachings on prosperity. She draws upon the ancient Vedic tradition of yoga philosophy and practice and shows how spirituality and earthly success can complement each other, leading to realization of the higher Self. O'Brian presents a clear explanation of both the philosophy of yoga and the nuts and bolts of practice, such as setting up a daily meditation routine, incorporating mantras,

discerning how to cooperate with universal principles for complete well-being, and cultivating mindfulness in action. Along the way, she illustrates her lessons with personal stories and timeless sayings from great sages, both Eastern and Western. With O'Brian's insightful guidance, readers will discover an inexhaustible source of abundance that is available to them whenever they look within.

Stephen Cottrell's joyful and vibrant book puts mission and evangelism back to the top of the agenda for Catholics and Christians of every tradition. Cottrell's approach is realistic, generous, inclusive and creative. He describes God's vision for an evangelising church that will embrace Christians of every tradition, and looks at practical ways of developing structures and ministries that will establish a culture of evangelism in the local church, and bring people to faith.

From the Abundance of the Heart is about experiences of life, death, and triumphant. For every storm there will lie a great story; all is required is to embrace it and realize that this too shall pass. Understanding this is not your expected end. The author prays by reading these words of inspiration you'd discover no matter what you encounter along the way, you will be able to take what lies ahead by recognizing you already have the keys to unlock your destiny. Allow your heart to heal from the scars, and your mind to be freed from the bondage that once kept you in captivity by mediating on a brighter tomorrow.

Encouragement is a card sent for no reason, a cup of tea and a listening ear, being loved for who we are. Abundance is a pink and lavender sunset sky, wildflowers in a mason jar, an

unexpected phone call from a friend. Simplicity is a clean closet, a child's smile, eyes closed in prayer. All of these gifts are too easily lost in today's chaotic and breakneck world.

What do the feasts of the Bible reveal about our place in today's tired world? In short, everything. From Genesis through Revelation, redemptive history is captured through feasts.

Through them, God calls his people to commemorate mercy, delight in grace, and commune with him and with each other. In the process, he proves he doesn't ration his rich, soul-satisfying love toward us but instead lets it overflow. Invitations to Abundance brings to life the festivities described in the Bible and illuminates how relevant they remain in a modern world defined by isolation and disillusionment. When your heart needs encouragement, these wondrous celebrations remind you why, where, and how you can find security, unity, and hope. Each chapter seats us at a unique feast from Scripture—from the well known to the less familiar—and considers how you can respond worshipfully as a partaker of these celebrations. Invitations to Abundance shows you how to reciprocate God's initiating kindness and what it means to live knowing God's table is spread before you.

Does it sometimes seem like your life is unreal? Perhaps it seems that your existence is more a nightmare than a dream. We never know about the private lives behind the façades people create for public consumption. Yet what shapes our lives is the raw, unvarnished, unstated, and camouflaged reality that defines our everyday existence. I grew up in such an illusion and suspected that my life was closer to the nightmare side than the dream. My dad was a recognized and renowned jazz musician. He played with and made records with the great musicians of the late twentieth century. Behind the mask of success and notoriety lurked a monster whom no one from the public would have recognized or believed existed. His own insecurity, fear, addictions, lies, and bad choices led him to be a violent abuser. Bars on the windows, secrets behind locked doors, terrors behind the mask of normalcy. I lived in a nightmare world and needed a

way out. In the end, for me, there is a happy ending. What I didn't know was that, while I was able to escape the abusive situation, the abuse itself followed me. It sapped my joy and creativity. It wasn't until I fell into a hole of depression as a supposedly successful adult, a doctor, and the mother of three children that I realized there was a purpose to my pain. What did it take to crawl out of this hole? Join me as I take you on a journey of Reboot, Repair, Rebirth. Reboot your soul by breaking the silence, speaking your truth, and ending the isolation. Get to physical and emotional safety. Repair by getting help and consciously healing your mind, heart, and body. Conquer your demons and discover your inner light and resilience. Celebrate your Rebirth as a new, healing, wiser, loving, and centered being. Live intentionally and abundantly.

A life of wholeness and purpose are well within our reach--The Art of Abundance outlines ten rules, or practices, that lay the foundation for a life worth living. Whether we're striving for a new job, a higher salary, or a stronger relationship, Dennis Merritt Jones explains in The Art of Abundance that we all essentially want the same things: freedom, inner peace, and a life filled with purpose and meaning. He shows that a life of wholeness and

peaceful satisfaction is readily available to us--we just need the eyes to see it and the faith to claim it. The problem is that most people don't know where to look for such a life. This book will help readers open their eyes to the limitless abundance that lies waiting just beyond their current belief system. In The Art of Abundance, Jones identifies ten rules, or practices that, when followed faithfully, lay the foundation for a life worth living. In order to make each rule as easy to apply as possible, Jones lays out the premise, the problem, the principle, the practice, and the payoff of each. These practices assist readers in creating a greater flow of goodness into their lives--in ways they may have never considered.
