RIYA EVA

The Golden Age Simon and Schuster

BONUS: This edition contains an Arcadia Falls discussion guide. Financial straits and a desire for a fresh start take recently widowed Meg Rosenthal and her aloof teenage daughter, Sally, to Arcadia Falls, a tucked-away hamlet in upstate New York where Meg has accepted a teaching position at a boarding school. The creaky, neglected cottage they'll be calling home feels like an ill omen, but Meg is determined to make the best of it. Then a shocking crisis strikes: During Arcadia's First Night bonfire, one of Meg's folklore students plunges to her death in a campus gorge. Sheriff Callum Reade finds the presumed accident suspicious, but then, he is a man with a dark past himself. Meg is unnerved by Reade's interest in the girl's death, and as long-buried secrets emerge, she must face down her own demons and the danger threatening to envelop Sally. As the past clings tight to the present, the shadows, as if in a terrifying fairy tale, grow longer and deadlier.

Falling Pieces of the Broken Sky Kitsune Incorporated

The author recounts his political and spiritual odyssey during the past ten years, discussing anti-Semitism, James Baldwin's work and legacy, video games, pollution in space, suicide, the Holocaust, and more

Seattle's Historic Restaurants Kitsune Incorporated

From the author of the international best seller *An Instance of the Fingerpost*, Arcadia is an astonishing work of imagination. In Cold War England, Professor Henry Lytten, having renounced a career in espionage, is writing a fantasy novel that dares to imagine a world less fraught than his own. He finds an unlikely confidante in Rosie, an inquisitive young neighbor who, while chasing after Lytten's cat one day, stumbles through a doorway in his cellar and into a stunning and unfamiliar bucolic landscape—remarkably like the fantasy world Lytten is writing about. There she meets a young boy named Jay who is about to embark on a journey that will change both their lives. Elsewhere, in a dystopian society where progress is controlled by a corrupt ruling elite, the brilliant scientist Angela Meerson has discovered the potential of a powerful new machine. When the authorities come knocking, she will make an important decision—one that will reverberate through all these different lives and worlds.

Arcadia's Ignoble Knight: The Lich King - Part I Arcade Pub

Weaving together stories from elite science, cutting-edge technology, and popular culture, Fleming examines issues of health and navigation in the 1830s, drought in the 1890s, aircraft safety in the 1930s, and world conflict since the 1940s.

Caspian has made contact with the sorceress who resides in Ashtown, but Erica Demonica de Angelo is nothing like he expected. Arrogant. Narcissistic. Rude. She is everything that he despises, and now he's being forced to protect her. With disaster waiting around every corner, a clumsy but cute maid, a masochistic knight, the threat from an assassin looming over his head, and, of course, Erica herself, Caspian will need to hone all of his skill, strength, and wit if he wants to survive this precarious situation alive and sane.

Truth to Light Ballantine Books

Computer and video games are leaving the PC and conquering the arena of everyday life in the form of mobile applications—the result is new types of cities and architecture. How do these games alter our perception of real and virtual space? What can the designers of physical and digital worlds learn from one another?

Arcadia's Choice Cambridge University Press

Mexican American Baseball in East Los Angeles highlights the unforgettable teams, players, and

coaches who graced the hallowed fields of East Los Angeles between 1917 and 2016 and brought immense joy and honor to their neighborhoods. Off the field, these players and their families helped create the multibillion-dollar wealth that depended on their backbreaking labor. More than a game, baseball and softball were political instruments designed to promote and empower civil, political, cultural, and gender rights, confronting head-on the reactionary forces of prejudice, intolerance, sexism, and xenophobia. A century later, baseball and softball are more popular than ever in East Los Angeles. Dedicated coaches still produce gifted players and future community leaders. These breathtaking photographs and heartfelt stories shed unparalleled light to the long and rich history of baseball and softball in the largest Mexican American community in the United States.

Arcadia's Ignoble Knight: Sorceré Investigation Arcadia Publishing

"Tom King's debut novel opens in an imaginative world of comic book superheroes struggling to take on normal lives after sacrificing their powers to save the world"--

Borderline Simon and Schuster

Caspian and Elincia are sent to investigate rumors of a necromancer raising the dead near Parume, Caspian's hometown and a place that holds many unpleasant memories for him. What started as a simple investigation soon becomes much more when Caspian and Elincia are informed that what's been raising the dead isn't a necromancer but a Lich King, the highest and most powerful class of undead monster in the entire world. Now they have to travel around the area, to see how far the corruption has spread and save anyone who is still alive. With their lives and the lives of everyone in Arcadia at stake, Caspian and Elincia will be forced to push themselves to limit if they wish to avoid a fate worse than death.

Arcadia's Ignoble Knight: The Sorceress Knight's Tournament - Part II Vintage

For centuries it has been locked away Lost beneath the sea Warded from earth, air, water, fire, spirits, thought and sight. But now magic is rising to the world once more. And a boy called Gavin, who thinks only that he is a city kid with parents who hate him, and knows only that he sees things no one else will believe, is boarding a train, alone, to Cornwall. When he arrives, there is no one there to meet him.

Nicholas Grene explores the subject of domestic spaces in modern drama through close readings of nine major plays.

Arcadia Xlibris

With a rich history of great beaches, a two-mile-long boardwalk, and thrilling amusement piers, Wildwood, New Jersey, has been a popular summer seashore resort for vacationers for nearly a century. Fun Pier was created in 1957 by Joe Barnes on the former site of Wildwood's original Convention Hall. Barnes transformed the pier, once dominated by kiddie rides, by building custom rides that were unique to the Wildwood boardwalk, such as the Sky Tower, the Monorail, and the Ski Ride. Fun Pier became famous for its unconventional, carnival-like atmosphere. After two fires sealed the pier's fate, it was acquired by the Morey organization, which transformed it into Wild Wheels and ultimately Adventure Pier.

Fixing the Sky New York Review of Books

Caspian, Elincia, and their companions are on the run. They've made it to Fas Sheras thanks to Dranor—the Elf whom Caspian and Erica fought so long ago—but that doesn't mean their troubles are over. Something strange is happening beyond the forest's border. Cleopatra is acting unusual, dark figures are moving about in the shadows, and even the Elves seem divisive on what to do about Caspian, Elincia, and those who came with them. The true enemy is on their doorstep, but no one even realizes it...

A personal and critical work that celebrates the pleasure of books and reading. Largely unknown to readers today, Sir Philip Sidney's sixteenth-century pastoral romance *Arcadia* was long considered one of the finest works of prose fiction in the English language. Shakespeare borrowed an episode from it for *King Lear*; Virginia Woolf saw it as "some luminous globe" wherein "all the seeds of English fiction lie latent." In *Gallery of Clouds*, the Renaissance scholar Rachel Eisendrath has written an extraordinary homage to *Arcadia* in the form of a book-length essay divided into passing clouds: "The clouds in my *Arcadia*, the one I found and the one I made, hold light and color. They take on the forms of other things: a cat, the sea, my grandmother, the gesture of a teacher I loved, a friend, a girlfriend, a ship at sail, my mother. These clouds stay still only as long as I look at them, and then they change." *Gallery of Clouds* opens in New York City with a dream, or a vision, of meeting Virginia Woolf in the afterlife. Eisendrath holds out her manuscript—an infinite moment passes—and Woolf takes it and begins to read. From here, in this act of magical reading, the book scrolls out in a series of reflective pieces linked through metaphors and ideas. Golden threadlines tie each part to the next: a rupture of time in a Pisanello painting; Montaigne's practice of revision in his essays; a segue through Vivian Gordon Harsh, the first African American head librarian in the Chicago public library system; a brief history of prose style; a meditation on the active versus the contemplative life; the story of Sarapion, a fifth-century monk; the persistence of the pastoral; image-making and thought; reading Willa Cather to her grandmother in her Chicago apartment; the deviations of Walter Benjamin's "scholarly romance," *The Arcades Project*. Eisendrath's wondrously woven hybrid work extols the materiality of reading, its pleasures and delights, with wild leaps and abounding grace.

A Once Crowded Sky Kitsune Incorporated

When Patrina Palinski is an infant, a strange fire rips through her tiny home, miraculously leaving her untouched physically but orphaned. Rescued by a nearby neighbor, Patrina is safe until Uncle Vlad, one of the most powerful men in Poland, shows up to claim her and take her back to his estate, where he locks her in a tower with only a nanny to teach her about life and her heritage. As Patrina nears her twelfth birthday, her simple life begins to change, and she soon finds that neither she nor those around her are who they seem. With the help of her nanny, Miriam, and the Guide, a voice that only she can hear, Patrina discovers new and secret abilities at every turn. What's more, she comes to understand her uncles' true intentions. Will she be locked away forever, doing her uncles' bidding, or get away and possibly cause a catastrophe like her ancestors? In this fantasy novel, an orphaned girl who has been locked away from the world learns about her secret heritage and special abilities and must work to escape her power-hungry uncle.

A Sky for Arcadia NineStar Press

Set in the early Eighties, *A Sky for Arcadia* is the story of a woman named Mary Ann, who awakens from the nightmare of an attempted suicide to what she considers the nightmare of daily life. This book chronicles her struggle to live without alcohol and drugs while trying to save a business, her surviving child, and what remains of her soul. Poignant, insightful, and sometimes painfully honest, *A Sky for Arcadia* explores the fact of living in an imperfect world, where dreams may not come true

and the ending is not always happily ever after. But we must deal with this reality and accepting this is the litmus test which separates those who - while stumbling on life's obstacles and falling down - choose to stand up again, and those who remain lying down and whimpering. So Mary Ann decides to re-examine herself, to struggle to be free of drugs and alcohol, and somehow act like a responsible parent. Always afraid of feeling too much or not enough, the day finally came when she was content with the happiness that warms her being as she looks at the starry night sky. This is her story - and knowing how she made her journey may change you forever.

Blackwood's Edinburgh magazine Hodder & Stoughton

Old Town Spring's historic streets may set the scene for a quaint shopping village, but they also serve as byways for one of the most haunted towns in Texas. A perfectionist past the end, Uncle Charlie still fusses around the historic Wunsche Brothers Café, the oldest commercial structure in the area. The spirit of a girl who died in a barn still plays with her group of friends in Doering Court, while a headless switchman runs after phantom trains trying to prevent a collision. Her path lit by unknown lights in the sky, author Cathy Nance leads the way through Old Town Spring's spookiest sites.

Spring Blessings Kitsune Incorporated

It's five teenage girls, four giant robots, three pooka, two army companies, and one airship against the whole of the Oversky. You've got to be kidding. Whose plan was this? Lennia! In good news, Lekodias has been defeated. In bad news, she's now Empress of the Oversky, with powerful generals at her command. The fate of both worlds comes down to this, one last epic battle that will shake the heavens themselves.

Social Progress Jesi Lea Ryan

This volume investigates the diverse applications and conceptions of the term 'The Golden Age'. The phrase resonates with the theme of nostalgia, which is popularly understood as a wistful longing for the past, but which also denotes homesickness and the unrecoverability of the past. While the term 'Golden Age' typically conjures up idealised visions of the past and gestures forward to utopian visions of future golden ages, the idea of nostalgia is suggestive of a discontented present. The Golden Age and nostalgia are therefore related ideas, but are also partly in conflict with one another, as many nostalgic sentiments are not idealised, and may indeed be dark, ironic or self-aware. There are, of course, many other ways to characterise the relationship between the Golden Age and nostalgia, and the tension between the two can produce myths and romantic idylls, or, in religious terms, images of pre-lapsarian innocence, or dogmas relating to values associated with childhood. The Golden Age is also often used to refer to specific, respected periods of cultural production in all kinds of literature and visual media. Indeed, nearly every period, genre, nation, and cultural form has some kind of mythic, often illusory, Golden Age against which it is defined, and in which nostalgia often plays a part. This collection interrogates the notion of the Golden Age and its connection to feelings of nostalgia from a range of interdisciplinary perspectives, with a strong focus on the relationship between word and image. It will interest scholars working on the subject of the Golden Age/nostalgia, particularly in English literature, film studies, comics studies, history, and the fine arts.
